DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING**

**“ALUMNI INTERACTION FOR MOCK INTERVIEW 2019-2020”  
REPORT**

A group of BMSCE alumni (2010-2014 batch) were willing to help CSE and ISE students with their placements preparation. They visited the campus on Saturday, 17th August 2019 and held a session on cracking the Coding round and mock interviews from 2:30 PM onwards. Students from 5<sup>th</sup> semester and 7<sup>th</sup> semester attended the session.

**List of Alumni:**

1. Aruna S.M.(Software Development Engineer, Intel)
2. Aparajita Raychaudhury(Member of technical Staff, ScaleGrid)
3. Anil Kumar(Software Engineer, Avaya)
4. Raghavendra Gayatri(Senior Software Engineer, Robert Bosch)
5. Mahendra R(Software Engineer, HP)
6. Madhu Kashyap(Software Engineer, Extreme Networks)
7. Mahesh G N(Software Engineer, National Instruments)
8. Praveen Kumar(Senior Software Engineer, Informatica)
9. Divya Kathiresan(Software Development Engineer, NetApp)
10. Pradeep L(Software Engineer, Grab)
11. Abhilash B S(Data Engineer, Endurance International)
12. Karthik A(Management Associate, Citi group)

**The event had 2 sessions:**

**1. Cracking the coding questions (2:30 PM to 4:30 PM)**

The event was handled by Aruna S.M. and Aparajita Raychaudhury. Solutions for a few coding questions were discussed with the students and the session was interactive. Students were asked to solve few questions and how to relate the questions asked during interviews to known problems. Many students presented their solutions too.

## **2.Mock Interviews (4:30 PM to 6:30 PM)**

This session was conducted to give students an interview experience. The interviews were mostly technical. The students were given personal feedback about their performance in the interview. Conducting mock interviews would help students to gain confidence during their placements.
