

The department of Telecommunication Engineering Research Stall was awarded the BEST Stall during the ICTIEE 2015, for projects presented by the following students.

BMS College of Engineering
Bangalore, INDIA.

**International Conference
on
Transformation In Engineering
Education
ICTIEE-Bangalore 2015 -
06-08 January 2015**

(Indo-US Collaboration for
Engineering Education)

An exhibition of BMSCE Research Centres was organized on the occasion of International Conference on Transformation In Engineering Education ICTIEE-Bangalore 2015 hosted by BMS College of Engineering, Bangalore from **06-08 January 2015**.

The panel of experts comprising of Dr.S **K Ramesh**, Dean, California State University, Northridge, USA, **Dr.William Oakes**, Purdue University, USA and **Dr.Jimmy Gandhi**, California State University, Northridge, USA conducted review/evaluation of the Research Centres and projects on display on 07.01.2015.

After detailed review and analysis the panel recommended as follows:

- Telecommunication Engineering was adjudged **BEST** amongst Research Center (Student Projects) of BMSCE
- Information Science & Engineering adjudged **BEST** amongst Research Center of BMSCE

Dr.S K Ramesh
Dean, California State University
Northridge, USA

ASEE 2015
INTERNATIONAL
FORUM
SEATTLE SHERATON / SEATTLE, WA / JUNE 14, 2015

The International Forum held on June 14

The 4th Annual ASEE International Forum will be held in **Seattle, Washington, Sunday June 14, 2015**, immediately preceding the 2015 ASEE Annual Conference and Exposition at the Sheraton Seattle. The purpose of the International Forum is to bring together engineering professionals in academia and industry from around the globe who are engaged in *novel engineering education initiatives* to share information on effective models, experiences and best practices.

The theme of the 2015 ASEE International Forum is *Lifelong Learning for Engineers—Global Perspectives*, in recognition of the rapid and ongoing globalization of modern engineering practice and the necessity for learning at all stages.

Presentation by Dr B Kanmani, BMSCE during the IUCEE session of International Forum
