Industrial Visit

To

Karnataka Milk Federation (KMF) and Bangalore Urban, Rural & Ramanagara District Co-Operative Milk producers Societies Union Ltd., (BAMUL)

The Department of Electronics & Telecommunications organised an industrial field visit to Karnataka Milk Federation (KMF) and Bangalore Urban, Rural & Ramanagara District Co-Operative Milk producers Societies Union Ltd., (BAMUL) on 27 November 2019 for the students of third semester. The Faculty Coordinator for the visit was Prof. Archana K.

Karnataka Cooperative Milk Producers' Federation Limited (KMF) is the Apex Body for the dairy co-operative movement in Karnataka. It is the second largest dairy co-operative amongst the dairy cooperatives in the country. In South India it stands first in terms of procurement as well as sales. One of the core functions of the Federation is marketing of Milk and Milk Products. The Brand "Nandini" is the household name for Pure and Fresh milk and milk products. KMF has 14 Milk Unions covering all the districts of the State which procure milk from Primary Dairy Cooperative Societies(DCS) and distribute milk to the consumers in various Towns/Cities/Rural markets in Karnataka. At KMF, the students got the opportunity to see the processing and packaging of various by-products of milk, like sweets, curd, paneer, etc. that are manufactured by the KMF.

The Bangalore Urban, Rural & Ramanagara District Co-Operative Milk Producers Societies Union Ltd., (BAMUL) was established during 1975 under Operation Flood II by keeping "AMUL" as its Role Model. At present Bamul has Bangalore Urban, Bangalore Rural & Ramanagaram Districts of Karnataka State as its area of operation for Milk Procurement and selling milk in part of Bruhath Bangalore Mahanagara Palike (BBMP) area. Since its inception the Union is constantly striving further for dairy development and marketing activities in its milk shed area. At BAMUL, the Marketing Head of BAMUL showed the students and faculty, the various stages of processing of the milk before it gets packaged and shipped.

The visit ended with a Q&A session with the resource person.
