

## TECHNICAL TALKS/GUEST LECTURES/SEMINARS 2022-2023

SL NO	TECHNICAL TALKS/GUEST LECTURES/SEMINARS
1	<p><b>July 02, 2022:</b> Dr. Rajanikanth Kashi Nagaraj, Faculty, Department of Electronics and Communication Engineering, delivered a session titled “<b>Application of MEMS Devices in the Avionic Space</b>” as part of value added course on <b>Design and Simulation of MEMS Devices</b> for the students of 1<sup>st</sup> and 2<sup>nd</sup> Year, Dept. Of ECE conducted from 20<sup>th</sup> June – 2<sup>nd</sup> July 2022.</p>
2	<p><b>November 05, 2022:</b> Dr. Geetishree Mishra., Assistant Professor in the Department of Electronics and Communication Engineering organized a talk on ‘Integration of PLC and SCADA and its Applications’ for the 2<sup>nd</sup> and 3<sup>rd</sup> year students of ECE. Ms. Sandhya G S - Manager, Training and Development from Prolific Solutions Ltd., Bangalore was the invited resource person.</p> 
3	<p><b>December 14, 2022:</b> Department of Electronics and Communication Engineering organised a Technical Seminar for the UG students in the department on ‘Developing Skills for Employability’. Mr. Nagendra J, Mr. Deepak Sundaram, Mr. Ajay S G, Mr. S S Srinivas Gopal from GTTC were the invited resource persons and the seminar was coordinated by Mrs. Harshitha B and Dr. Madhusudhan K N Assistant Professors in the Dept., of ECE.</p> 
4	<p>The Department of Electronics and Communication Engineering in association with Edwise International organised a seminar on ‘Overseas Education’ for the students of 7<sup>th</sup> semester ECE. Mr. Nanjappa, Marketing, Edwise International was the invited resource person for the seminar. (January 10, 2023)</p>
5	<p>Department of Electronics and Communication Engineering organised a talk titled ‘Medical Applications of Electromagnetic Waves’ to the faculties and post graduate students of the department. The invited resource person was Prof., Shiban Koul, Center for Applied Research in Electronics, IIT Delhi.</p>

6	<p>Department of Electronics and Communication Engineering organized a talk on <b>‘How to Become a Successful Entrepreneur and Create a Successful Start Up’</b> for the faculties and students of the department. The invited resource person was Mr. Chandrashekar Bharathi Founder &amp; Managing Director, AceMicromatic MIT member and CII Director of the Board, Indian Machine tool Manufacturers Association. Dr. Rajanikanth K N, Associate Professor, Dept., of ECE was the faculty coordinator for the talk organized.</p> 
7	<p><b>May 13, 2023:</b> The Department of Electronics and Communication Engineering organized the inauguration of IEEE Student Branch chapters <b>‘IEEE Antennas and Propagation Society’</b> and <b>‘IEEE Solid-State Circuits Society’</b> in the department seminar hall. The invited chief guest were Mrs Suman Dwivedi, Senior Manager and guest of honour Mr. Chandrashekhar B U, Synopsys India Pvt Ltd., and the inauguration was followed by a technical talk on ‘On-Chip Variations’ by the chief guest. Dr. Karthikeya G S, Assistant Professor, Dept. of ECE was the event coordinator.</p> 
8	<p><b>May 20, 2023:</b> Department of Electronics and Communication Engineering organized a talk on <b>‘An Impactful Research Methodology’</b> for the PG and UG students, faculties of the department. Dr. T S Mohan, Founder and Director, Pragyan Datalabs, Bengaluru was the invited resource person.</p>
