DEPARTMENT OF BIOTECHNOLOGY

Events

1. Battle of Minds-Can it be more arguable! (26th Nov, 2021)

A tell-all debate in this COVID-19 pandemic era and misinformation on “digital platforms was it helpful or harmful?”

2. Work in lab coats- Experience the lab (26th Nov, 2021)

A talk on internship experience inPROTEIN DESIGN Pvt Ltd by its director who will provide a brief insight into the lab, the skills required as an intern and as a budding biotechnologist.

3. Natural Proxys-Hack the drug! (26th-27th Nov, 2021)

Some drugs get banned due to their unwanted side effects in long term use. Considering these banned ones, the participants are expected to come up with a natural alternative and a way to market it.

4. CTRL+BIO+PRINT (27th Nov, 2021)

A webinar is designed to help students understand the concept of 3D bio-printing and its spectacular applications in everyday life.
