

# **B.M.S. COLLEGE OF ENGINEERING, BENGALURU**

Autonomous Institute, Affiliated to VTU  
**Department of Chemical Engineering**

Dr. Y K Suneetha has attended international conference on trends in chemical, energy and environmental engineering was held on 19-21<sup>st</sup> February by Indian Institute of Petroleum and Energy (IIPE), Vizag. She has presented two papers (poster) and one of the posters is awarded the best poster award. Vaishnavi Sudarshan (1BM20CH028) and Lakshmi S (1BM22CH019) were the co-authors as they have assisted in preparation of the Posters.

## Report By

Dr. Y K Suneetha, Associate Professor, Dept. of Chemical Engg. BMSCE

Chemical Engineering Energy and Environmental: ChemEEE-2024, International Conference 19-21 Feb 2024

### Participation and presentation of Paper (Poster)-Two Posters

ChemEEE-The first international conference on trends in chemical, energy and environmental engineering was held on 19-21<sup>st</sup> February by Indian Institute of Petroleum and Energy (IPE). The Director of IPE- Prof. Shalivahan inaugurated the conference and provided many valuable insights into the University's vision and mission. Dr. Venkata Reddy who is the Head of Department of Chemical Engineering at IPE, along with Prof. Sheshagiri Rao Ambati and Dr. Hemanth Kumar T smoothly organised the event as well as spoke on the mission of this conference.

On Day 1, keynote speeches were made by dignitaries such as Prof. Suddhaswata Basu, Prof. Nageshwara Rao Peela and Prof. Siva Mohan Reddy. This was followed by oral presentations of papers in three sessions. The afternoon session Poster presentation was held, wherein we presented two of our posters whilst networking.

The second day was started off with a keynote speech by Prof. Ramesh Goel, Prof. Tanmay Basak and Prof. Venkat Venkata Subramanian followed by paper oral presentations in three sessions. The keynote addresses and paper presentations also include Professors and faculty scholars from abroad.

The poster presentations were held in the afternoon second session. A gala dinner was also organised which provided to be a networking opportunity for us.

The 3<sup>rd</sup> day had keynote speeches made by Dr. Reshmi Suresh and Dr. Sandeep Kulkarni. Most of the lectures and paper presentations (80%) by chemical engineering eminent professors and Ph D scholars of various IIT's respectively. From CH-BMSCE, UG students of final and second year participated in the poster presentations as co-authors with me. Both the students were appreciated in the valedictory function that by the Director of IPE Vizag for their enthusiasm and interest in Research at the earliest age. The oral paper presentations were from scholars having PG degree from Chemical, Civil, Electronics and Environmental Engg. Programmes.

The conference was concluded with a valedictory to distribute certificates and prizes to the best paper and poster winners, and a vote of thanks by the Director of IPE and photo session followed by the National Anthem.
