 - Empower the New Core Committee
 - Promote Department Culture programs

5. Date: 2-05-2025

6. Time: 2PM to 4PM

7. Venue of the Activity: Room No: 3002, PG Block

8. Summary of the Programme:

On 3rd May 2025, the Cultural Society of the Chemical Engineering Department successfully organized “The Challengers”, a dynamic and engaging event curated by the newly formed core committee under the guidance of Faculty Coordinator Prof. Shabnam Siddiqui. Designed as a celebratory send-off for the outgoing senior batch, the event also aimed to foster interaction and camaraderie within the department.

“The Challengers” was structured into four fun-filled rounds, each crafted to entertain participants while seamlessly integrating elements of Chemical Engineering. The rounds featured a mix of trivia, tongue twisters, and department-themed games, creating an atmosphere of excitement and friendly competition.

The event witnessed the esteemed presence and participation of Dr. Chetan A Nayak, Head of the Department along with Dr. Rameshaiah, Dr. Shivakumar, Dr. Sainath K, Dr. Hariprasad Uppara and Dr. Sanjay Kumar. Their presence added great value and encouragement to the participants and organizers alike. Among the competing groups, Group 4 emerged as the winners, comprising Ritesh Jadav, Anirudh Vedula, and Sachin Aravind, who demonstrated excellent teamwork and enthusiasm throughout the event. The success of this event marks an exciting beginning for the new core committee and sets a positive tone for future cultural engagements within the department.

9. Number of participants: 30
