B.M.S COLLEGE OF ENGINEERING, BENGALURU-19
(Autonomous Institute, Affiliated To VTU)

Department of Electrical and Electronics Engineering

EVENT REPORT

Title	**ATAL sponsored FDP on "Emerging Technologies in Sustainable Energy System"**	
Date	From: 29th Jan 2024	To: 3rd Feb 2024
Time	From: 9.30 AM	To: 5.15 PM
Duration	**1 week**	
Event Type	**Faculty Development Program**	
Brief Description	The FDP was proposed considering the facts that, over the past few years, there is fast-changing technological advancements in the area of Renewable energy, Electric vehicles and protection techniques in Power Engineering. The proposed FDP was successfully conducted from 29th Jan 2024 to 3rd February 2024 with the following objectives: ❖ To explore and enhance the design and analytical skills about renewable energy systems and applications ❖ To acquire in depth knowledge about Electric vehicles ❖ To understand the protection techniques in energy systems ❖ To design, simulate and analyze the Solar /Wind energy system ❖ To design and implement converters for EV applications
