	Management	PG Classroom 6th floor / EE Lab 6th Floor		
24.05.2023 (Wednesday)	**HR Round**9.00am- 5.00pm			
	PE Lab		Research Lab 2nd Floor	PG Classroom 6th floor

A session on CV building was given by Dr.S.Pradeepa, Dean, T & P,BMSCE. The students were appraised of various aspects of creating CV / Resume.

Written Tests were framed from standard references and reputed competitive exam papers. The evaluation was carried out by the faculty members of the Department. IT coding test was done using Hacker Rank Platform which is popularly used by the IT industries for testing programming skills.

Group Discussion Session was conducted and students were evaluated one-to-one by observers from Dept of EEE.

Interview rounds on Core, IT and Management was conducted on 23.5.23 from 9.30am-7.30 pm by Industry experts in the respective domains. Evaluators for the interview were from Premier Industries and also having strong academic background and vast Industry experience. EEE department is proud & privileged to have evaluators from the alumni network of BMSCE who are always eager to contribute to the Alma Mater. The evaluators were tireless in sharing their knowledge and giving one-to-one feedback to the students. CVs prepared by the students were also evaluated in the management round interviews. This has immensely helped the students in identifying their own potential and also scope for improvement.

The final HR round of interviews were conducted on 24.5.2023 from 9.30am-6.00pm by young graduates from IIMs who enthusiastically interacted with the students and gave their valuable inputs and remarks.

Written test and Interview Scores, Feedbacks from the evaluators were communicated to the all the participants. This would help the students to put more effort and build more confidence to face the upcoming Placement Process.

All the evaluators expressed that it was a good initiative by the department, conducted meticulously and one of its kind in the recent times. The students who took part in the process expressed their gratitude for holding the event and also for giving such an opportunity. After the event students felt that they gained confidence and were motivated to face the challenges in real life in a much better way.

Some Pictures of the event.
