

Training and consultancy MoU between Integrated Electrical company and B.M.S. College of Engineering

Between
B.M.S. College of Engineering, Bull Temple Road, Bangalore.

Date:17/09/2025

And
Integrated Electrical Company.

1. Purpose

To collaborate for delivering offline technical training to employees of Integrated Electrical Company in the areas of Power Electronics & Drives and Electrical Machine Design, for enhancing industrial skill levels facilitating hands-on laboratory work.

2. Scope of Collaboration

Both parties agree to work together in the following areas:

a. Training Delivery

- Conduct offline sessions for employees in *Power Electronics & Drives* and *Electrical Machine Design*.
- Each session to be 2 hours long, once weekly.

b. Schedule

- Power Electronics & Drives training to commence on or around **15th October 2025**; total of 20 sessions (40 hours).
- Electrical Machine Design sessions to follow; with a total of 20 sessions (40 hours).

c. Compensation & Logistics

- Industry Partner will compensate trainers at a rate of **₹2,000 per hour**.
- Transport of trainers to/from venue will be provided by Industry Partner.

d. Laboratory Setup

- The College will assist in setting up a Power Electronics lab; materials, tools, and infrastructure required will be furnished as per requirements.

e. Supervision & Support

- Foreman Mr. Shivakumara Swamy (EEE Dept., B.M.S. Engineering College,) will participate in the lab installation and in some of the Lab Sessions.
