## MEMORANDUM OF UNDERSTANDING

Between

B.M.S. College of Engineering (BMSCE)

Address: Bull Temple Road, Bengaluru, Karnataka, India

And

Reliamotive Labs

Address: W3-A201, Infrany Petals, Kammasandra, Bengaluru, Karnataka, India

### Objective

To establish a partnership between B.M.S. College of Engineering (herein after known as B.M.S.C.E) and Reliamotive Labs (herein after known as Reliamotive Labs) as a part of University engagement programme.

WHEREAS, B.M.S.C.E. and Reliamotive Labs are interested in establishing and developing collaboration, where the parties would co-operate to promote applying University-Industry collaborations in areas of common interest based on educational principles of both parties. B.M.S.C.E. and Reliamotive Labs hereby agree to sign a Memorandum of Understanding.

### B.M.S. College of Engineering, Bangalore

B.M.S. College of Engineering (BMSCE) Bengaluru has the unique distinction of being the first private engineering college established in the country. Started in the year 1946, the institution owes its existence to the vision of its beloved founders, Late Sri. B. M. Sreenivasaiah and his illustrious son Late Sri. B. S. Narayan. Over the past 77 years of its illustrious existence, BMSCE has produced more than 40,000 graduates who have enriched the world through their immense contributions as engineers or leaders for mankind. The Institution is approved by All India Council of Technical Education (AICTE) and permanently affiliated to Visvesvaraya Technological University (VTU), Belagavi. The college is aided by Government of Karnataka. BMSCE is approved as QIP Centre in Engineering & Technology by AICTE. The College became autonomous, UGC approved, in 2008 and has been effectively practicing Outcomes-based Education. The College has the distinction of being awarded best performance rating in all three Phases of TEQIP. The institution is also a Beneficiary of Global Initiative Academic Network (GIAN). The College is accredited by National Assessment and Accreditation Council (NAAC) with the highest grade of A++ with a CGPA of 3.56 on a scale of four in the Third Cycle. The College currently offers 17 Undergraduate & 15 Postgraduate courses both in conventional and emerging areas. More than 344 research scholars are pursuing their Ph.D Degree in the 14 research centres of the college. 244 PhDs and 22 M.Sc. (by research) have been produced so far through these research centres.

### Reliamotive Labs

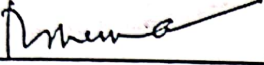

Reliamotive Labs is a specialized engineering consultancy that drives innovation in electrification solutions. The company offers a wide range of services, including design and simulation for Power Electronics, electric motors, and magnetic components, along with end-to-end development solutions. As the exclusive distributor of advanced tools like Trafolo, MotorXP, IPSA and EMTP in India, they

## 11. POINT OF CONTACT

The following faculty members of the Department of Electrical and Electronics Engineering will be the point of contact for the activities under this agreement:

1. Dr. Prema V, Associate Professor, Dept. of EEE, B.M.S.C.E.
2. Soniya Agrawal, Assistant Professor, Dept. of EEE, B.M.S.C.E.
