DEPARTMENT OF MEDICAL ELECTRONICS

①

**Memorandum of Understanding**  
**Department of Medical Electronics,**  
**B M S College of Engineering, Bull Temple Road,**  
**Bangalore.**

**Analog Teaching Lab Setup at BMS College of**  
**Engineering, Bangalore**

This memorandum of understanding is signed on the 10th day of JULY, 2012, between the following institutions:

- a. Cranes Software International Limited, Bangalore (referred to as Cranes henceforth) which is University Program Partner of Texas instruments .India
- b. BMS College of Engineering, Bull Temple Road, Bangalore.

This Memorandum of Understanding is proposed in order to establish a teaching/research lab facility using ASLK Starter Kits at BMS College of Engineering, Bull Temple Road, Bangalore.

Through this Memorandum of Agreement, the two parties agree to the following.

- (a) A **steering committee** will be set up to monitor the activities of the MoU. The committee will consist of the Senior Vice President of Cranes Varsity (a division of Cranes Software), and the Head, Department of Medical Electronics, BMS College of Engineering, Bangalore. With mutual consent, the steering committee can be expanded to include more members from the two institutions. The steering committee will be the supreme body as far the implementation of the activities of the MoU, the continuation of the MoU, and termination of the MoU are concerned.
- (b) **Lab Setup:** The College will provide space for setting up a lab which will be entitled "Texas Instruments Analog Systems Lab". Cranes agrees to donate following Analog System Laboratory Kit to College under TI India University Program to setup Texas Instruments Analog System lab. Cranes, working with TI
