Workshop on

"Interest rates, Bonds and share Valuation"

OBJECTIVE:

1. To equip participants with a comprehensive understanding of financial instruments.
2. Enabling them to effectively analyze and make informed decisions regarding interest rates, bond investments, and share valuations in various market scenarios.
3. Provide a good foundation of shares.

DATE AND TIME:

30th November 2021
2pm to 4pm

VENUE:

Auditorium 1

COLLABORATORS:

IIC BMSCE

DESCRIPTION:

The workshop was organized by the Department of CSE in association with IIC BMSCE and Protocol club, Bangalore on 30th November 2021 from 2pm to 4pm on "Interest rates, Bonds and share Valuation". The talk was delivered by Mr. Surya Mallampally, Practicing Chartered Accountant, MS Rao & Co. Bangalore.

The following topics were discussed in details and explained with real time example:

Introduction to Shares and related terms, Stock valuation, Interest, What are Bonds and different types of Bonds

Bond valuation:

Savings play a very important role in the life cycle of investment. Walter's valuation model was used to show the earning capitalization. Different Investors are likely to have different estimates of future cash inflows due to different set expectations. Different investors are

likely to have different Required Rate of Return because of differences in perceived level of risk and different degrees of risk aversion.
Several methods of Valuation of Equity Shares and each method is likely to produce a different intrinsic value.

1. Dividend Discount Model/Method
2. Earnings Capitalisation Method/Model
3. Relative Valuation Methods/Models
4. Free Cash Flow Discounting Method

OUTCOMES:

1. To equip Financial Literacy for participants.
2. Participants will learn how to assess and mitigate risks associated with various financial instruments, enhancing their ability to protect and grow their investments.
3. Investment Strategy: The workshop will equip attendees with the knowledge and tools to formulate effective investment strategies, optimizing their portfolio performance and financial goals.
