"Empower Your Code Journey: Master Full Stack Web Development with Precision and Creativity!"

WEDNESDAY

21 FEBRUARY, 2024 09:00 AM - 05:00 PM

COORDINATOR:
Manjula M
Assistant Professor

CONVENOR:
Dr. Nagarathna N
Professor & HoD

OBJECTIVE:

- To provide participants with comprehensive knowledge and practical insights into frontend development.
- To improve participants' proficiency in frontend technologies such as HTML, CSS, and JavaScript.
- To foster collaboration among participants through group activities, discussions, and hands-on exercises.

DATE AND TIME:

Date of the Event: [21 February 2024, Wednesday]

- Session 1: 9:00 AM - 10:45 AM
- Session 2: 11:15 AM - 1:00 PM
- Session 3: 2:00 PM - 4:00 PM

VENUE: CSE Room 603

SPEAKER: GARVIT GARG (CEO and Director Edu phoenix solutions).

FACULTY COORDINATOR: Ms. Manjula M

PARTICIPANTS: Students of 3rd Semester, Dept. of CSE(IOT)

DESCRIPTION:

- **Session 1:** The first session began with an engaging introduction to web development, startup culture, and an overview of the speaker. Attendees were captivated as the speaker navigated through the intricacies of the frontend world. Notably, a highlight of this session was the interactive online game, which not only entertained but also served as a learning tool, reinforcing key concepts discussed.
- **Session 2:** Following a brief break, the workshop resumed with the second session, which delved into the fundamentals of HTML, CSS, and JavaScript. Participants were immersed in hands-on learning, as the speaker provided practical demonstrations and insights into the core technologies driving frontend development. The session concluded with an engaging online quiz, testing participants' comprehension and reinforcing the lessons learned.
- **Session3:** The final session of the workshop focused on Node.js backend development and its functionality within the frontend ecosystem. Attendees gained valuable insights into backend processes, enhancing their understanding of full-stack development. The session concluded with another interactive quiz, where the top three performers were awarded internships at the speaker's company, offering them a unique opportunity to further hone their skills in a professional setting.

OUTCOMES:

The Frontend Development Workshop proved to be a resounding success, offering participants a comprehensive understanding of frontend technologies and practical skills applicable in the industry. The engaging sessions, interactive activities, and internship opportunities provided by [Company Name] left attendees inspired and motivated to pursue further growth in the field of frontend development.

- Participants gain confidence in their abilities to tackle frontend development tasks and projects.
- Attendees have the opportunity to connect with industry professionals, fellow developers, and potential mentors, expanding their professional network.
- Participants leave with new projects, code samples, and practical experience to enhance their portfolio and showcase their skills to employers.
- Participants gain insights into career pathways within frontend development, including opportunities for specialization, advancement, and entrepreneurship.
- The workshop leaves participants feeling inspired and motivated to apply their newfound knowledge and skills to their personal and professional projects.
