

B.M.S. College of Engineering, Bangalore-19
(Autonomous College under VTU)

Department of Electronics & Instrumentation Engineering

List of Workshops organised in the department for the year 2015

Sl.No	Date	Workshop name	Photo
	12/02/2015	Fundamentals of HDL	
	15/09/2015	“Hands-on sessions on Spectrophotometers and pH measurement”	  <small>Image 7: Students working on UV-Visible Spectrophotometer</small>

1	30/9/2015	Introduction to Virtual Laboratories: Usage and effectiveness	
2	27.07.2015 to 31.07.2015	Workshop on Electronics System Design, Manufacturing & Testing	
3	29/07/2015	VIRTUAL LABORATORY at COE, Pune	 <p data-bbox="852 1615 1417 1653">Nodal centre coordinators, Dr K. Narasimha Rao and Ms. Anjana Parua at the demonstration workshop</p>

4	12-09-2015	VHDL Coding Guidelines	
5	19/09/2015	Image processing using altium Nano boards	
6	17th-21st/10/2015	Principles,practices and applications of computer vision
