B.M.S. College of Engineering

The B.M.S. College of Engineering (BMSCE) was founded by a great visionary and philanthropist Late Sri. B. M. Sreenivasaiah (BMS) in the year 1946. The college is an aided institution (by Government of Karnataka) and affiliated to Visvesvaraya Technological University (VTU). BMSCE offers 15 UG, 16 PG & 15 Research programmes.

About ISA

The International Society of Automation (ISA) is a non-profit professional association founded in 1945 to create a better world through automation. ISA empowers the global automation community through standards and knowledge sharing, driving the advancement of individual careers and the overall profession. ISA develops widely used global standards; certifies professionals; provides education and training; publishes books and technical articles; hosts conferences and exhibits; and provides networking and career development programs for its members and customers around the world.

About the Department of EIE & ISA BMSCE Student Section

The Department of Electronics and Instrumentation Engg. started in the year 1991. More than twenty five batches of Engineers have graduated from Department of Instrumentation Technology. The Department Infrastructure fulfills the requirements of academics and learning skills on the latest technology in the industry. The ISA BMSCE Student Section was started in the year in 2010 and has over 50 student members. From 2014 students of BMSCE have actively participated and won many prizes in the iACTs conducted at different institutions in different states.

About iACT

iACT (ISA-B Automation & Control TechDay) is an annual event that is conducted by one of several student sections of ISA-B. Promoted for the first time in the year 2014, by ISA-B for the benefit of student ISA members, ISA-B-affiliated student sections partake in this annual event.

Events

FIEPER introduction

Day 1

2:00 PM - 3:00 PM

FIEPER project is an industry project /semester long internship offered by ACARD (Automatic Controls & Robotics Division) which is one of the several divisions under ISA, FIEPER stands for Field Operator Robot.

Panacea - IDEATHON/CPS

Day 1

3:15 PM - 6:00 PM

A workshop that develops BRULE (Break the RULE) thinking and creative aptitude towards providing solutions for a plethora of industrial Problems. This workshop will enable the students to change their mindset. The sessions will take you through the CPS (Creative Problem Solving) steps in arriving at distinct solutions.

Maze Runner

3:15 PM (Day 1) to 3:00 PM (Day 2)

A 24-hour hackathon where participants compete to make their self built robot successfully exit the real time maze provided to them. Students can come with their robot with programming done and ready for demonstration. Students however cannot preprogram a path

Tutorial on ChatGPT

Day 2

9:00 AM - 10:00 AM

A tutorial on ChatGPT and its working by Mr. Muniraju Pulipalyam, CTO-in-Residence for Microsoft Accelerator. This tutorial will cover state-of-the-art language models and help students in exploring the world of AI.

AI/ML and Skill Development

Day2

10:15 AM - 1:15 PM

Participants will have gained knowledge about AI/ML and its various components. They will learn about the applications and challenges of AI/ML and will have a better understanding of how it can be used in real-world scenarios.

Poster & Project Presentation

Day 2

10:15 AM - 3:30 PM

Poster and projects will be presented after a thorough review process and selection, the categories for submission are

- PG/UG/Course Project work
 - HW/SW/Simulation Study
 - Innovative products
 - R&D projects experimental
- selected extended abstracts will be recommended for publishing in ISAB Newsletters after necessary revisions.

Outcomes

- Opportunity for Industry guided final year projects.
- Mentorship towards Industrial skill development.
- Networking with AI/ML professionals.
- Exciting prizes to be won.

Registration fee

ISA members - Free

Non-ISA members- ₹500

iACT 2023: ISA Bangalore Automation and Control Tech Day was conducted by EIE Department and Manusmaran Club BMSCE , in association with Bangalore Section. The student coordinators of Manusmaran club and members of ISA BMSCE student section joined hands to organize two days tech fest in which the events

- **Creative Problem Solving and Design thinking**
- **Ideathon**
- **Talk on ChatGPT**
- **Poster and Paper Presentation Session**
- **Maze Runner – A Robo Competition**

Were organized on 31st March as part of the mega events iACT 2023:

i) **An Ideathon contest was organised on 31st March 2023** at B.M.S College of Engineering, as a part of a two-day technical fest, iACT 2023, conducted by B.M.S College of Engineering in association with ISA Bangalore section. The main intention of the Ideathon was to provide out of the box solutions to various problems that we face today. The solutions were presented by 16 teams coming from different colleges. The colleges participated in this event are MIT Manipal, KCT Coimbatore, Dayanand Sagar Academy of Institutions, SIT Tumkur, VidyaVardakha College of Engineering, MCE, B.M.S College of Engineering and many more. The solutions were reviewed by Dr. Sunil S Shah, Co-founder Modelicon Infotech, Bangalore, Mr. Renukaprasad Belgur, Ex President of ISAB, Mr. Prasanna Inamdar, Students and Education section of ISAB, Mr. SR Venkatapathy, Senior member ISA , Mentor Education Council ISAB and Mr. Girish Ayya, Treasurer of ISAB. Each team was given a choice to take up any one of the three modern problems and come up with an innovative solution to fix them.

POSTER AND PROJECT PRESENTATION SESSION

Session Date: **01-Apr-2023** Venue: **EIE Classroom 1, PG Block, BMS College of Engineering, Bengaluru**

Theme: Automation (Process/Manufacturing), Sensors & Instrumentation, Communication Systems, Robotics, Autonomous Systems, Industrial AI/ML

Important Dates:
Last Date to submit : **19-Mar-2023**
Acceptance Notification: **26-Mar-2023**
Final Poster Submission: **28-Mar-2023**

What will be accepted in Poster categories?

- PG/UG/Course Project work.
- HW/SW/Simulation Study.
- Innovative products / solutions to address societal, environmental and industrial problems.
- R&D projects experimental /simulation results and analysis.

Guidelines For Extended abstract:

A4 size 1-3 pages should include

- Title
- Authors with affiliation
- Abstract
- Keywords
- Introduction/Motivation/ Objective/ Problem addressed
