

**Inauguration of
BMSCE IEEE TEMS Student Branch Chapter
April 27, 2019**

B.M.S. College of Engineering, Bangalore

The program was hosted by **Dr. Abhishek M.**, Massachusetts Institute of Technology GEB Alumni, Prof. Department of Medical Electronics, BMSCE. He briefed the audience about the significance of TEMS

Introduction & Background

The Engineering Management Society (EMS) was founded in 1951, becoming the Technology Management Council (TMC) in 2007. In 2015 we transitioned to the Technology and Engineering Management Society (TEMS).

TEMS Vision

To be the premier resource of essential management and leadership knowledge.

TEMS Mission

To advance, enhance, and improve essential management and leadership knowledge and skills of IEEE members.

TEMS Values

- Help IEEE members to maintain essential engineering management skills;
- Support the leadership career path of IEEE members;
- Foster active knowledge transfer between the academic and practicing communities.

Field of Interest

The Field of Interest of the TEMS encompasses the management sciences and practices required for defining, implementing, and managing engineering and technology. Specific topics of interest include, but are not limited to: technology policy development, assessment, and transfer; research; product design and development; manufacturing operations; innovation and entrepreneurship; program and project management; strategy; education and training; organizational development and human behavior; transitioning to management; and the socioeconomic impact of engineering and technology management.

Welcome address by **Dr B Kanmani**, Advisor, BMSCE IEEE TEMS Student Chapter, Prof & Head, Telecommunication Engineering Department. Briefed the audience about the events planned through the Student Chapter, that includes Faculty and Student Members from the Engineering programs, the MBA program and the BMS College of Law.
