

BMS COLLEGE OF ENGINEERING, BENGALURU-19
Autonomous Institute, Affiliated to VTU
Department of Physics, BMSCE, Bangalore-560019

AY 2018 (July 2018- June 2019)

JULY - 2018

July 24th to 28th, 2018: R. Sandya Research Scholar attended a Five day Faculty development program on “Applied Physics” organized by department of Physics, BMSIT.

July 30th to 4th August, 2018: Smt. Rani A Sutar & Sumantha H.S, Research Scholars, Department of Physics attended one week workshop on “Research Methodology” organized by VTU center for PG Studies, Muddenahalli, Chikkaballapur.

September 19-21st 2018: Sri. Sumantha H.S, Research scholar Dept. of Physics attended and presented a paper in an International conference on "Advanced Ceramic and Nanomaterials for Sustainable Development"- ACeND-2018 held at Christ University, Bangalore, India.

September 28-29th 2018: Sri. Sumantha H.S, Research scholar Dept. of Physics attended a Second-Two day Workshop on "Next Generation Energy Storage Materials” organized by Department of Physics & Department of Chemistry School of Engineering at Dayanand Sagar University, Bangalore, India.

November 28th, 2018: The Department conducted Pre Ph.D Comprehensive Viva-Voce of Research scholar Mrs. Rani A Sutar on the topic Polypyrrole and Ternary Oxides Nano Composites: Synthesis Characterization and Transport Studies under the guidance of Dr. Murugendrappa M.V at Radhakrishna Hall, PG Block, I st floor. Dr. D.N Avadhani of RVCE and Dr. Basavaraj Angadi of Dept. of Physics, Bangalore University were the external examiners.

December 03rd-08th, 2018: Sri. Sumantha H.S, Smt. Rani A Sutar, and Swetha R, Research Scholar Department of Physics and Sandya R, Project Assistant under DST-SERB project attended Six-Day MHRD initiated GIAN Programme on “Lithium Ion batteries: Fundamentals, characterization techniques and applications” organised by Dept. of Chemistry in BMSCE Campus.

February 21st-22nd, 2019: Sumantha H.S Research Scholar of Department of Physics presented a research paper entitled **“Wavelength Dependent Studies on Molar Absorptivity of Metal Ions”**, in the “National Conference on Physics and Chemistry of Functional Materials (PCFM 2019): held at PCFM-2019, School of Technology, GITAM Hyderabad.

March 18th to 20th, 2019: Sumantha H .S Research scholar Dept. of Physics participated and presented a research paper in the Advanced Functional Materials for Energy, Environment and Health Care (AFMEEHC) Sponsored by University with Potential for Excellence (UPE), UGC at the Center for Materials Science & Technology (CMST), Vijnana Bhavan, Manasagangothri, Mysuru, India – 570006

May 13th-17th, 2019: Uday Kumar M, Research Scholar & Swetha R, Project assistant, DST-SERB Department of Physics attended a QIP short term course on “Thermoelectric Material and its applications”, held at IISc, Bengaluru.
