- Placed at JP Morgan Chase Co. for the role of SDE(Internship + Full-time).
- Received the prestigious Kotak Shiksha Nidhi Scholarship for exemplary academic performance.
- Served as the Placement Coordinator for the department of Electronics and Telecommunication.
- Pursued an enriching internship at IIT Delhi through their prestigious IAFSM Internship Program, specializing in Machine Learning.

BHUVANA BHARADWAJ K

1BM19ET012

- On-campus placement at TATA Communications. Completed off Campus internship at Veverywhere Technologies.

Paper Publication:

Title : “Sustainable Green 5G Networks”

Published in: Strad Research, Volume 10, Issue 4

- Participated and volunteered during Phase Shift 2019.
- Phase Shift 2022 Event Volunteer - “Internet of Things ” by the department of ETE.
- Active member of Rotaract club. Participated in events such as “iTeach”, “youth parliament”, “mentorship”, “discuss for change”.
- Active participant of student satellite club – BMSCE Upagraha.

CHARAN K S

1BM19ET013

- Placed in Mobileum Inc
- Published IEEE paper “Image Super-Resolution Using Convolutional Neural Network”
- Conducted Machine Learning Related workshops through Augment.ai
- Conducted Multiple Flagship Events during Phaseshift

ABHINAV NISHIKANT DHAMNE

1BM19ET015

- Class Representative 2020-2023
- “IoT Based Hydroponics” Project Funded by Karnataka State Council for Science and Technology (KSCST)
- Bengaluru Team Coach at World Robotics Olympiad 2022, Delhi
- Department Co-ordinator - PhaseShift 2021
- 2nd Year , BS Data Science & Programming
 - Indian Institute of Technology, Madras
- Work Experience
 - Electronics Creator - Learn Electronics India - 2021
 - Electronics Solutions Engineer - Yo Labs – 2022
 - Product developer – Fond Solutions – 2023
- Secured 2nd place in “E-Waste for Sustainability” National Level Technical Symposium competition - PhaseShift.

Going on a Solo Hitch-hiking Trip to explore Northeast India !!!

EBBA SULTANA

1BM19ET016

- On-campus placement at Mu Sigma as Decision Scientist.
- Currently engaged in a non-government organization and completed an internship. I am genuinely passionate about and thoroughly enjoy being a social worker.

- Participated in the inter-college flagship programme online and won first place for the Chandigarh University-presented proposal.
- For the department's Kannada Habba programme, planned and organised things.
- Coordinated for the departmental 2 weeks Internship program .
- Participated in Arduino Workshop in Phaseshift 2019.

SUDHANSHU DUBEY

1BM19ET057

- Completed a one-month internship on 'Internet of Things' conducted by HPDS, which was associated with IIT Madras.
- Interned at cohyre as a web developer
- Interned at Avalon meta as a Ui Ux designer
- Worked with Indian stand up comedian Samay Raina during covid
- Worked as Volunteer in NGO(Teach for India)

SWATI MANJUNATH

1BM19ET058

- Placed at Tata Communications for the role Engineer – Software Development
- Currently an SWE Intern at HeathEdge Technologies
- Interned at Taproots.ai during the 6th semester
- Participated and volunteered during Utsav 2022
- Department coordinator for Phaseshift 2023. Involved in the planning and organization of events for the department

SYED NOUMAN AHMED

1BM19ET059

- Intern at Salesforce(Developer)
- Summer Internship at Verzeo in 2021 (Machine Learning)
- Worked as a volunteer at an NGO(Muskurahat Foundation)

THOTA ANVITHA

1BM19ET060

- Placed in Deloitte USI and TCS
- Summer internship on web development in Suvidha Foundation
- NGO internship in Taare Zameen Foundation--Fund Raising
- Member of Rotract Club
- Participated in Phase Shift 2019

ZUBIN JACOB ZACHARIAH

1BM19ET063

- Interning at Synopsys as R&D engineer
- Club coordinator of the BMSCE Western Music Club, The GrooveHouse (2020-2022)
- Came first place at SJCC, MCC and DSSAT as a pianist for the BMSCE rock band
- Came second place at PES as a Vocalist for the BMSCE Acapella team.

RIMA THAPA

1BM19ET064

- Placed at Deloitte India as an Analyst
- Conditional Acceptance of Book Chapter on *‘Sustainable Agriculture Boost: Neem Coated Urea- Nurturing crops, Preserving soil, and Reducing Environmental Impact.’*
- Completed Hands on, Online, Industry Internship on Arduino Microcontroller Based Embedded and IoT design & stimulation, based on the world leading Proteus VSM software.
- Participated and volunteered in Phaseshift 2019
- Worked as a volunteer for various NGOs.

SYED AMAAN AHAD

1BM19ET065

- On-campus placement at Deloitte as Salesforce analyst.
- Captained the college football team in the academic year 2022-23.
- Completed Salesforce Developer Internship at SmartInternz.
- Completed Python Programmer Internship at Skilligence.
- Participated and won the Kreedotsav tournament held in 2019.
- Participated and won the Inter-Batch football tournament held in the year 2022 and 2023 respectively.

AKHILESH P

1BM20ET400

- Did summer internship as a web developer
- Currently Pursuing for government exams
- Performed various Cultural activities in the college
- Worked as a volunteer in NGO
- Active Participant in phase shift

MANJUNATH P

1BM20ET401

- Community service at CREST in Heartfulness campus.
- Runner up in Valorant tournament conducted by Neural Theft during Phase shift 2022

ROOPASHREE V

1BM20ET402

- Intern at Bosch limited
- Worked as volunteer in NGO (Teach for India, Lions club)
- Won districts, inter district competition in chess

SUPARNA NK

1BM20ET403

- Summer internship at InternPe.
- Participated in community service activities at CREST.
- NGO internship at Tare Zameen foundation.
- Participated in a workshop on Intellectual property rights.

RIYA SARA JOSEPH

1BM18TE065

- Participated as volunteer in Phase Shift 2021
- Summer Internship at Girmiti Software PVT LTD
- Worked as volunteer in NGO
- Certification in Cyber Security
- Currently pursuing Certified Ethical Hacking(CEH)

ALL THE BEST
FOR U R
FUTURE ENDEAVOURS

BATCH 2019 - 2023
