2. Dr. D. Thukaram	Member
3. Sri. H. U. Talawar	Member
4. Dr. A. Sridharan	Special Invitee
5. Dr. S. Venkateshwaran	Invitee

At the outset, the Principal & Member Secretary of the BOG extended a cordial welcome to the Chairman, Members & invitees to the meeting.

Before taking up the agenda, the Member-Secretary brought to the notice of the Board, that number of faculty members holding doctoral degrees has increased substantially over the past four years and has now reached one hundred (enclosed at Annexure-I). This could be attributed to the support of the Management and the efforts of faculty members on rolls. The BOG appreciated the information and also requested the Member-Secretary to suitably publicize the achievement.

1.1 CONFIRMATION OF THE MINUTES OF THE 51ST BOG MEETING HELD ON 28TH MARCH 2013

The minutes of the 51st Meeting of the BOG held on 28th March 2013 were confirmed.

Minutes of 52nd Meeting

2.1 ACTION TAKEN REPORT ON THE DECISIONS/RESOLUTIONS TAKEN IN THE 51ST BOG MEETING HELD ON MARCH 28, 2013

The BOG noted the Action Taken Report of the 51st meeting of BOG held on March 28, 2013 and approved the following:

Sub No.4.2 of 51 — CONSIDERATION OF PERSPECTIVE & STRATEGIC PLAN FOR THE COLLEGE FOR THE NEXT 10 YEARS.

The Principal presented the strategic plan of BMSCE (2013-2020) and road map for its implementation. After detailed deliberations, the Board approved the strategic plan of BMSCE (2013-2020) and road map for accomplishing the strategic plan (enclosed at Annexure-II). The BOG also took note of the approval accorded by the Council of Trustees, BMSET on the matter in the meeting held on O4.04.2013.

Sub No. 4.3 of 51 – ENERGY AUDIT (REVISED BUDGET FOR THE FINANCIAL YEAR 2013-14)

Dr.Ravishankar Deekshit presented a brief report on the comprehensive energy audit. He informed that the work pertaining to energy audit has been entrusted to M/s Electrical Engineers Consortium, Bangalore at an estimated cost of Rs.2.25 lakhs. The work is expected to complete within a month. While on the subject, the BOG also felt the need for implementing green initiatives like plastic free & paper less and environmental friendly campus. It was also suggested to send agenda items through email and conduct the meeting by way of PPT. However, a few hard copies shall be maintained for documentation purpose.

Sub No. 5.2 of 51 – DECLARATION OF PROBATIONARY PERIOD OF FACULTY WHO HAVE COMPLETED TWO YEARS OF SATISFACTORY SERVICE.

The BOG noted that the declaration of probationary period in respect of 238 faculty members (enclosed at Annexure-III).

There are no deferred items.

4.1 DRAFT GUIDELINES FOR EVALUATING THE ANNUAL ACADEMIC PERFORMANCE OF THE FACULTY

The BOG perused the guidelines/duties and responsibilities for performance measurement of the faculty proposed by the Performance Monitoring Committee (APMC). After detailed deliberations, the BOG approved the guidelines proposed by APMC (enclosed at Annexure-IV). The BOG informed the Member-Secretary to bring the approved guidelines for the notice of faculty members. The BOG requested the Academic Performance Monitoring Committee (APMC) to propose similar guidelines in respect of Principal, Vice Principal & HODs.

4.2 CONSIDERATION OF FORMING A POLICY FOR NOMINATION OF HEADS OF THE DEPARTMENT

After detailed deliberations, the Board approved the following academic requirements for the nomination of a faculty as HOD:

- PhD Degree in the respective discipline
- Faculty at the level of Professor (either regular or through CAS)
- Should have maintained good teaching record (baseline: student feedback)
- Should have published at least three journal papers and executed one research or consultancy project or both in the past three years

While on the subject, the Board felt that HOD is not a designated post and also there are no explicit rules/guidelines.

July 15, 2013

The BOG also approved nomination of HODs on rotation basis subject to availability of faculty in the department satisfying the above requirements. In the event of more than one faculty satisfying the requirements, the faculty with more experience in this Institution may be considered for the position (Number of years of service at BMSCE in the respective department).

4.3 PROPOSAL TO INTRODUCE PERFORMANCE BASED INCENTIVE SCHEME FOR RESEARCH

The BOG welcomed the proposal to introduce an incentive scheme to enthuse faculty to take up research endeavors. After detailed deliberations, the following benefits were approved in this regard;

- 1. Annual book allowance of Rs.2000/- Per faculty member.
- 2. 100% Annual Membership Fee in respect of any Indian Professional Body in the respective domain of the faculty member.
- 3. 75% of the Annual Membership Fee in respect of any Foreign Professional Body in their respective domain of the faculty member.

This benefit shall be extended to all those faculties who have satisfactorily completed their two year probationary period.

This benefit shall not to be extended to those faculties whose feedback is less than the threshold rating during the academic year.

The BOG resolved that the annual expenditure in lieu of extending all the above benefits shall not exceed Rs.15,000/- per faculty. The claims in this regard shall be on reimbursable basis.

4.4 CONSIDERATION FOR UPLOADING THE MINUTES OF THE BOARD OF GOVERNORS ON COLLEGE WEBSITE AS PER GOOD GOVERNANCE

Considering the suggestion made by the expert team of the World Bank (TEQIP) who visited the campus on 14.02.2013, the BOG approved to henceforth upload the minutes of the BOG on College website as a measure of transparency.

4.5 INCLUSION OF STUDENT NOMINEE IN THE BOARD OF GOVERNORS CONSTITUTED FOR IMPLEMENTATION OF TEQIP PROJECT

The BOG took note of the recommendation of the State Steering Committee of Technical Education Quality Improvement Programme (TEQIP) in its meeting held on 8th April 2013 to include four meritorious students to the BOG. The BOG approved the following guidelines in this regard:

- 1. One girl and one boy student from both UG & PG level.
- 2. They must be highest scorer in 6th semester (Aggregate up to 6th) of UG and 2nd semester of PG.
- 3. They will be 'members on invitation' only
- 4. Their participation is only for redressal of student's grievances and student developmental activities.
- 5. The Principal is authorized to nominate the student representatives.

The BOG informed the Principal that the student representatives be invited while student related matters/items are taken up for discussion.

4.6 CONSIDERATION OF THE POLICY FRAMED WITH REGARD TO POOR PERFORMANCE RATED THROUGH STUDENT FEEDBACK.

The BOG felt that need for assessment and evaluation of the faculty performance is necessary to ensure that quality education is being imparted to the students. The BOG felt that to supplement the feedback process, there is a need to instill a policy and monitoring guideline. The BOG perused the list of faculty who are having 3 or more low feedbacks (as Listed in Annexure-V).

Accordingly, the following policy was approved with regard to faculty rated below the threshold (60%) through student feedback:

- 1. To issue a warning in respect of the faculty who has been rated low in three feedback processes;
- 2. To withhold one increment (without cumulative effect) in respect of the faculty who has been rated low in six feedbacks;
- 3. To withhold one increment (with cumulative effect) in respect of the faculty who has been rated low in nine feedbacks;
- 4. The faculty with twelve below threshold feedbacks to be provided an opportunity to opt for VRS failing which, the Management shall initiate process to compulsory retire such faculty in the academic interest of the students.

The BOG resolved to effect the above decision to the current faculty members who have low feedbacks derived out of various feedback processes carried out so far.

It was also decided that the faculty with low feedback (below threshold) shall not be eligible for any special benefits / deputation for seminars, workshops, conferences etc; deputation to higher studies etc. However, they may be deputed to appropriate Development Programmes to improve their skills and teaching abilities. The Principal was authorized to approve such requests from faculty members with due recommendation of the concerned HOD.

5.1 GRANT OF TIME BOUND PROMOTIONS TO NON-TEACHING STAFF WORKING UNDER GRANT-IN-AID

The BOG ratified the proposal of Time Bound Promotions to the Non-Teaching Staff working under Grant-in-Aid positions sent to DTE (as listed in Annexure-VI) for its approval.

5.2 REPRESENTATION FROM DR.N.CHOWDAPPA, LIBRARIAN

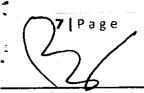

The BOG ratified the decision to forward the requisition of Dr.N.Chowdappa, Librarian working under Grant-in-Aid for sanction of higher grade pay to DTE.

5.3 MINUTES OF THE SIXTH MEETING OF THE ACADEMIC COUNCIL HELD ON 24.05.2013.

The minutes of the sixth Meeting of the Academic Council held on 24.05.2013 were ratified by the BOG (The minutes is enclosed at Annexure-VII).

5.4 BRIEF REPORT ON THE TEQIP ACTIVITIES

Dr. G. N. Sekhar, Project Coordinator, TEQIP & Vice Principal briefed the BOG about the activities of TEQIP-II for the period from 29.03.2013 to 10.07.2013. He brought to the notice of the BOG that out of three proposals submitted towards establishing of Center of Excellence (CoE) under TEQIP-II, one proposal in "Advanced Materials Research" has been sanctioned in lieu of which, an additional fund of Rs.5.00 crore has been granted to the Institution. The BOG expressed its pleasure on the outcomes of TEQIP-II Project so far (The report is enclosed at Annexure-VIII).

Minutes of 52nd Meeting

July 15, 2013

6.1 FACULTY NOMINATION IN BOARD OF GOVERNORS.

The Member-Secretary apprised the BOG that Prof. G.N.Sekhar, Vice Principal & Prof. Ravishankar Deekshit, HOD of Electrical Engineering, in the capacity of senior faculty members have been inducted as members for the BOG as per UGC guidelines and the same has been approved by the Government of Karnataka vide letter No.ED 18 TEC 2011 dated 03.02.2011. After detailed deliberations, the BOG resolved to invite two faculty members for the meeting of the BOG on rotation basis.

Section 7: ANY OTHER ITEMS

7.1 The BOG took note of the Graduation Day Address by Padmashree Dr.H.C.Visvesvaraya at the First Graduation Day held on 09.06.2013.

- 7.2 The BOG was appreciative of the report on important Academic/Other Activities for the period from April 2013 to July 2013 presented by the Member-Secretary.
- 7.3 The Member-Secretary presented the important milestones reached by the Institution during the five years i.e. 2008-09 to 2012-13 and also the target set for the next five years. The BOG placed on record its appreciation to the Principal and all stakeholders for their efforts in reaching the milestones.

The meeting concluded with vote of thanks to the Chair.

MINUTES | ACADEMIC COUNCIL MEETING # 06 | 24.05.2013

1. CONFIRMATION OF THE MINUTES OF FIFTH AC MEETING HELD ON 21.06.2012

The minutes of the Fifth Academic Council Meeting held on 21.06.2012 were confirmed.

2. ACTION TAKEN REPORT ON THE DECISIONS IN FIFTH AC MEETING HELD ON 21.06.2012

The Committee noted the action taken report on the decisions in the Fifth AC meeting held on 21.06.2012. While on the subject, the DEAN-Academics informed the members that the institution is contemplating to introduce restructured curriculum from the Academic year 2014-15 owing to the uniform syllabus, education pattern, exams and other aspects in PU Syllabus [CBSE, ISCE, State etc].

The Board of Studies (BOS) of various academic departments are seeking permission to introduce the Self-Study component from the academic year 2014-15 onwards. This would sink with the idea of Institution's proposal to introduce modified curriculum from the academic year 2014-15. The Council considered the same and approved.

3. A BRIEF REPORT ON THE ACADEMIC ACTIVITIES FOR THE PERIOD FROM JULY 2012 TO TILL DATE

A brief report on the Important Academic Activities of the Institution for the Period from July 2012 presented by the DEAN-Academics was well received & appreciated by the Council (Annexure—I).

While on the subject, the following opinions were shared:

- a) The Council opined that the accreditation of the Institution by National Assessment & Accreditation Council (NAAC) was a creditable accomplishment. This, they felt was due to the judicious efforts of all stake holders.
- b) The Council conveyed their best wishes to all the faculty members who have acquired their Doctoral Degree.

MINUTES | ACADEMIC COUNCIL MEETING # 06 | 24.05.2013

- c) The move to have an Institutional Strategic Plan with long-term and short-term perspectives was welcomed by the Council.
- d) The Council opined that the Institution should continue to have stronger and lasting relationship with the alumni and employers. Apart from research projects and placement related matters, the alumni can provide feedback on the curriculum and play a pivotal role in meeting the desired specification and requirements of the outcome based NBA accreditation criterion.

While on the subject, the Principal brought to the notice of the Council that during July 2011, the BMSCE Alumni Association (BMSCEAA) was formed with an aim to connect BMSCE with its alumni. Since then, BMSCEAA has been very active in reaching out the alumni. A dedicated team of officials are working for the cause. BMSCEAAA has seen improvement in the enrollment rate of the alumni. The BMSCEAA is planning to establish local chapter in USA, Singapore and also in prominent cities in India.

e) Sri.Aravind Srinivas suggested that BMSCE should consider applying for the CII Excellence Award in Education. He volunteered to extend all necessary guidance and advice in this regard.

4. DETAILS OF THE BOS MEETINGS HELD AS ON DATE

The details of BOS meeting held as on date were noted (Annexure-II). While on the subject, the Council stressed the need & importance of participation of students in the BOS meetings. The students (one or two) may be given an opportunity to present to the BOS about the curriculum requirements, if any. This, the council hoped would also add on to the Good Governance Programme of TEQIP. While on the subject, the Principal informed the council that the same practice will also be adopted for the Academic Council meetings.

5. DETAILS OF BOE MEETINGS HELD AS ON DATE

The date(s) of the BOE Meeting held as on date were noted (Annexure-III).

MINUTES | ACADEMIC COUNCIL MEETING # 06 | 24.05.2013

6. GRADUATION CEREMONY OF THE FIRST BATCH OF AUTONOMOUS SCHEME (2008-09)

The DEAN-Academic informed the Members that the Graduation Ceremony of the First Batch of Autonomous Scheme (2008-09) has been scheduled for 09.06.2013. A total of 883 students who have completed the prescribed academic requirement are being awarded the degrees. He also extended invitation to all the AC members to grace this auspicious occasion – the First annual convocation of the institute. The Members of the Council extended their best wishes to the graduating students and organizers for the successful conduction of the event.

7. CONDUCT OF FAST TRACK SEMESTER

The Dean (Academic) briefed about the proposal for modification of fast track semester as follows:

- Presently, the Institution is conducting two main semesters (Odd and Even) and Fast Track Semester (as per the guidelines of Visvesvaraya Technological University Belgaum) for slow learning students (with ineligible grades). They are allowed to register for a maximum of 4 courses (16 credits) in fast track semester.
- > The students are taught in a fast track mode i.e., double the teaching hours than in a normal semester and again subjected to Continuous Internal Evaluation (CIE).
- > The Faculty members and to some extent the students are stressed with this tight academic schedule i.e. having two main semester and a fast track semester.
- > The departments are also finding it extremely difficult to float many courses to meet the requirement of the students in fast track semester since the faculties have to teach in all three semesters.

BMS COLLEGE OF ENGINEERING, BANGALORE-19

(Autonomous College under VTU)

MINUTES | ACADEMIC COUNCIL MEETING # 06 | 24.05.2013

- It was proposed to conduct fast track semester in the present form only to First and Final year students having 'W' and/or 'F' grade (obtained due to ineligibility to attend SEE for shortage of attendance).
- ◆ All other students with 'F' grade in any course (from both odd and even semester) can appear for make-up examinations to be conducted during August every year. The students who are eligible for make-up examinations (X grade) in the present system shall appear for the examination directly. However, students with 'F' grade will have to attend a scheduled "Make-up Term" during June/July where faculty members will be available for teaching/discussions and then appear for make-up examination.
- ◆ This method/approach creates an opportunity for the faculty members to enhance their academics proficiency though research activities, pursing higher studies etc., and the students will also get an opportunity to spend time for academic activities and to think creatively/innovatively.

The Proposal for modification of Fast Track Semester with a view to avoid repetitive exam schedules and to help in gaining quality time for other academic activities was welcomed by the Council.

However, the Council felt it is important for the college to stay within academic guidelines of the University. The Council suggested that the Institution may pursue the matter at appropriate forums and try to evolve a consensus amongst Autonomous Institutes and impress upon the University for suitable modification.

While on the subject, it is noted that as per the guidelines of VTU, autonomous colleges can conduct makeup examination at any other time in the semester with the permission of its academic council. The Council suggested to conduct makeup examination of even semester along with fast track semester if it helps to gain valuable time for other academic activities starting from the academic year 2013-14.

8. CIE - INCLUSION OF ALTERNATIVE ASSESSMENT TOOLS

The members noted that, presently the assessment methods practiced by the Institute for Continuous Internal Evaluation include tests (40%) and quizzes (10%).

To make assessment more effective, it was being proposed to include other relevant assessment tools such as term papers, assignments, problem solving and other means in place of quizzes.

MINUTES | ACADEMIC COUNCIL MEETING # 06 | 24.05.2013

The Council was of the view that, academic freedom needs to be encouraged to impart quality education. Such kinds of measures are also important in the perspective of Accreditation. The Council approved the proposal. The Council also felt that, it is necessary for the course co-coordinators to define the alternative assessment methods well in advance. The present direct assessment by Tests will continue for 40 marks. Only quizzes can be replaced by alternative assessment tools for a maximum of 10 marks with the approval of BOS from respective departments/clusters.

9. RESULT ANALYSIS

The Controller of Examination (COE) made a brief PPT presentation on the Result Analysis of First Batch (2008-09) under the Autonomous Scheme (Annexure-IV). The Council noted that an average of 90% pass out is a good performance by the students.

The Council felt the need to have a team of subject experts to take up academic auditing to establish the standard of questions in various clusters.

10. ACADEMIC CALENDER FOR THE YEAR 2013-14

The proposed academic calendar for the year 2013-14 were approved by the Council. The approved Calendar of Events for the Academic Year 2013-14 is provided in **Annexure (V).** The Council authorized the Principal to make necessary changes in the calendar if need be.

While on the subject, the Principal informed the Council that from the academic year 2013-14, the Institution is proposing to have a one week induction programme for the fresh students entering the portals of the College. During induction programme the students (fresher's) shall be given training on improving skills & personality. The students profile will be prepared which depicts their interests in various curricular & co-curricular activities and how to build a professional career while on the campus. Based on which the institution provide the necessary support systems. It is planned to develop profile of the students and enthuse them to pursue endeavors of their preference.

MINUTES | ACADEMIC COUNCIL MEETING # 06 | 24.05.2013

The Principal also stated that financial support (up to Rs.10,000/- per project) will be extended to the first year students who desire to pursue collaborative research activities.

The Council approved the proposal to conduct the next meeting of the Academic Council on 25.07.2013. The DEAN-Academic was requested to provide the Agenda & Notes one week before the meeting.

The meeting concluded with vote of thanks to the chair.

MINUTES OF THE MEETING OF THE BOS HELD ON 07.05.2013 AT 11.30 AM IN MECHANICAL ENGINEERING SEMINAR HALL, BMSCE.

Members Present:

- 1) Dr.K.Guruprasad
- 2) Dr.M.Ramachandra
- 3) Dr.G.Giridhara
- 4) Sri.R.N.Ravikumar
- 5) Sri.B.Sudarshan
- 6) Dr.T.N.Sreenivasa
- 7) Sri.K.Venkat Rao
- 8) Sri.V.C.Aralimatti

At the outset, Chairman, BOS extended a cordial welcome to all the members of BOS.

AGENDA.: - 1) Ratification of Scheme & Syllabus from III - VIII Semester for 2011-12 Batch:

- III Semester Splitting of Laboratories
- 1) Strength of Materials + SOM Laboratory
- 2) Manufacturing Process-2 + MP1 Laboratory

For laboratories separate SEE has to be conducted along with external examiners.

- 3)Computer Aided Machine Drawing
 - Modification in Scheme and conduction of examination
 - Examination hours changed from 3 hrs to 4 hrs.

From IV Semester onwards syllabus revised and committee suggested to have subject code starts from 12 for all semester for 2011-2012 batch

AGENDA: - 2) Ratification of Scheme for V-VIII Semester 2010-11 Batch:

- 1) Modification in Applied Thermodynamics and ECE Laboratory.
- 2) Revised Syllabus for Fluid Mechanics and Turbo Machines Laboratory.
- 3) Instead of Group A, B, C, D, E electives names as Group 1, 2, 3, 4 and 5
- 4) Inter change of CAMA Lab and Design Lab from 7th & 6th Semester as students are learning FEA theory subject in 6th Semester. Hence CAMA Lab shifted to 6th Semester and Design Lab shifted to 7th Semester respectively.

AGENDA: - 3) Discussions regarding allocation of credits towards Self Study from III Semester & onwards for 2012-13 Batch

BOS suggested have 2 credits in each semester.

Out of Total 8 credits will distributed as stream wise i.e for III Semester Design / Manufacturing subjects given as self study.

Self study can be given as group wise, presentation and assessment will be done individual.

- Committee suggested to have a team faculty to frame syllabus for self-study in their respective subjects.
- Committee suggested the following subjects have self study components.

III Semester:

- Materials Science & Metallurgy
- Strength of Materials

IV Semester:

- Applied Thermodynamics
- Manufacturing Process-II

V Semester:

- Management and Enterprenurship
- **Dynamics of Machines**

<u>VI Semester</u>:

- Heat and Mass Transfer
- Mechanical Vibrations

AGENDA: - 4) Curriculum & Discussions regarding credits for Self Study from I Semester & onwards for 2013-14 Batch:

Modification of EME Syllabus and workshop The Workshop practice syllabus has to be modified as per EME Syllabus (Theory). So that students will get benefit of theory and Laboratory practice and able to understand theory easily.

- Committee suggested to have a Demonstration of Electrical machines in Workshop Practice.
- Introduction of Lathes for I/II semester Workshop Practice
- Committee suggested to visit the University in abroad and find out their curriculum, so that up gradation and modification of syllabus can be done.

The BOS Meeting concluded with a vote of thanks.

B.M.S. COLLEGE OF ENGINEERING

DEPARTMENT OF ARCHITECTURE

MINUTES OF THE BOARD OFSTUDIES MEETING HELD ON 22.08.12

 Committee decided to offer three (3) credit courses to be taken up by the two students during Professional Training period in order to complete 250 credits required for B. Arch degree.

Course: Building Materials and its Application.

No. of credits: 3

Period: During Professional Training semester.

Mode of SEE: Viva Voce

 Committee approved the suggestion of awarding the ranks to the students based on their academic performance from 5th to 8th semester B. Arch program.

3. Committee decided to integrate Self-Study component in the B. Arch syllabus as follows.

a. In 3rd to 7th semester, Architectural Design course consisting of 7 credits is to be split as 6+1:

Six credits - Studio component

One credit- Self-study component

Self-study to be conducted as follows- "Architectural Design related issues to be reviewed from the books journals and other sources based on its content and merit. Book review outcome can be presented in the form of essay explanatory model / or digital presentation. Prior approval of the selected content for self-study to be sought from course faculty".

 b. In 8th semester Architectural Design Project consisting of 18 credits is to be split as 15+3:

Fifteen (15) credits - Studio component

Three (3) credits- Self-study component

Self-study component to have two parts:

Part A: Self-study to be conducted as "Architectural Design related issues to be reviewed from the books journals and other relevant sources, based on the content and merit. . Book review outcome can be presented in the form of essay explanatory model / or digital presentation. Prior approval of the selected content for self-study to be sought from course faculty". And

Madde de 2

Part B: "Submission of detailed report on the dominant feature/issue/aspect which has a major role in the Architectural Design Project topic chosen by the student".

- 4. Regarding registration during Fast Track/ Supplementary Semester Committee approved the following:
 - Students registering during the supplementary semester can opt either only one Architectural Design course (I to VII semester) or any other courses (Excluding Architectural Design).
 - b. Architectural Design Project (at VIII semester) not to be offered during supplementary semester.

From K R Madhu Chand Chairman, BOS Architecture, BMS College of Engineering, Bangalore

To Member, BOS Architecture BMS College of Engineering, Bangalore

Sir / Madam,

Sub: 7th Meeting of Board of Studies, Architecture, BMSCE

The seventh meeting of the Board of Studies, Architecture, BMS College of Engineering (Autonomous Institution), Bangalore is being convened on 30.08.2012 in Department of Architecture, BMSCE at 10.30 AM. I request all the Members of BOS Architecture to attend and

1. Students transferred from VTU to AUTS Scheme – Fulfillment of number of credits

B.Architecture programme is for 5 years (10 semesters) and is deemed completed when the student has completed 250 credits as specified in the syllabus of the autonomous

At present, there are two students (in the final year) who have got transferred from VTU a. Kamlesh Saparia (joined AUTS at 4th Semester)

b. Shahab (joined AUTS at 7th Semester)

As per VTU norms, for students transferred from VTU to AUTS Scheme, to calculate credits completed by the student, the number of credits per semester (in VTU) is to be

Semester	Number of	Number	Number of Credits			
	Credits in AUTS Scheme	Kamlesh	Shahab			
1	25	25				
2	26	25	25			
_ 3	27		25			
4		25	25			
5	25	25	25			
	26 [.]	26				
6	24	24	25			
7	26		25			
8	23	26	26			
9		23	23			
	24	24	24			
†0	24	24				
TOTAL	250	247	24			
		241	247			

Hence the above mentioned students from VTU to AUTS have a deficit of 3 credits for which a 3-credit course needs to be offered by the Department for completion of the B.Arch programme of 250 credits.

2. Ranking criteria for B.Arch students:

As approved earlier, the ranking is based on the marks of last four semesters (7 to 10 Semester). Now since the structure of the syllabus for 2009 onwards is changed from 9 academic +1 practical training semesters to 8 academic +2 practical training semesters, it is suggested that ranking be based on the last four academic semesters (4 to 8 Semesters).

- Addition of Self-study components in the new syllabus for 2012 batch onwards: Currently, all the credits for the courses in the syllabus are categorized into - Studio / Theory / Practical components. As per the university norms, from this year onwards, a new credit component called "Self-study" needs to be introduced. It is suggested that such a component can be introduced in
 - a. Architectural Design Project 18 credits (15 Studio + 3 Self-study) b. Architectural Design-III to VII - 9 credits (8 Studio + 1 Self-study)

Courses to be registered during Supplementary Semester:

as per university norms, all autonomous institutions work three (3) semesters in a yearodd Semester & Even Semester for 16 weeks and Supplementary Semester for 8 reeks. The Supplementary/Fast Track semester provides an opportunity to the yeak/failed/slow learning students to re-register for failed subjects if offered by the llege. In this context it is suggested that;

a. Students registering during the Supplementary Semester can opt either only one Architectural Design course (I to VII Sem) or any other courses (excluding

Architectural Design). Architectural Design Project (at VIII Semester) not to be offered during Supplementary Semester.

Proceedings of BOE question paper scrutiny meeting held on 12.12.2012

The meeting of BOE-Physics was held at CoE's office on 12.12.2012 at 3.30 PM. Four question papers were scrutinized. The BOE accepted three question papers with modification and one question paper was rejected. It was also decided to discuss the scheme and solution in detail again at the time of evaluator's meeting.

DEPARTMENT OF CHEMISTRY

Proceedings of the meeting of Board of Examination

A meeting of BOE was conducted on 13.12.2012 (Thursday) at 10.00am.

Members present:

Sl.No	Name of the Faculty	Position
	Dr. Y Chandrasekhar Reddy	
1.	Department of Chemistry	Chair person
	Professor and Head .BMSCE, Bangalore	
	Dr. A Ramachandran	
2.	Department of Chemistry	Member
1	Professor ,BMSCE, Bangalore	
	Dr. M S Dharmaprakash	
3.	Department of Chemistry	Member
	Professor ,BMSCE, Bangalore	
	Dr. Nagabhushan B M	
4.	Professor- Department of Chemistry	Member(External)
	M S Ramaiah Institute of Technology,Bangalore	

The following conclusions were made:

- 1) Eight question papers were scrutinized, four for I Semester Engineering Chemistry and four for III Semester Technical Chemistry for Chemical Engineering, and all were accepted.
- 2) This time from question paper setters, CDs were asked along with hand written manuscripts This requires lot of time. In some cases CDs were not opening and in some other cases paper setters did not send CDs. Corrections were done both in the hand written manuscript as well as printouts taken from CDs. This is a cumbersome process. Hence BOE members felt that it is better to do away with CDs practice.
- 3) BOE members suggested that it is better to conduct BOE-scrutiny meetings well in advance rather than having at the last moment.
- 4) BOE members also suggested not to get scheme of valuation along with the question papers, as there will be many changes in the question papers during scrutiny accordingly changes have to be made in the scheme. Instead scheme may be prepared at the time of valuation.

|BOARD OF GOVERNORS (BOG) | MEETING # 52 | 15.07.2013 |

The BOG in its meeting held on 28.3.13 has approved the procurement of MAT LAB software bundle as central facility of the college. In this regard, after receiving proposals from various branches of engineering, as per the request of the program coordinator, Dr. Ravishankar Deekshit, HoD-EEE has conducted a meeting of the HoDs and finalized the optimum number of base licenses and tool boxes required for the college. Subsequently, a meeting was conducted on 06.06.2013 in the presence of Sri. Krishnaswamy, Member-BOG with the representatives of M/s MATHWORKS India Pvt. Ltd., and M/s Corel Technologies the sole authorized reseller of the product for the state of Karnataka to finalize the specification for the procurement of MATLAB. M/s Corel Technologies has submitted a quote for Rs.74, 29,354/- plus the applicable sales tax of 5.5% amounting to a total cost of 78, 37,969/- against the quotation called on 21.06.13. A proposal for seeking approval of the said procurement was sent to SPFU on 25.06.2013 through PMSS. After receiving justification for the said procurement on 28.06.2013, the SPFU expressed its satisfaction and posted the details to NPIU on 03.07.2013 for approval. The NPIU sent the same to the World Bank for its consent. The NPIU forwarded the communication received from the World Bank and asked the college to revise and resubmit the proposal by providing justification for the selection of MATLAB product and receiving a single quote from M/s Corel Technologies, for which the college responded to both NPIU and SPFU through a mail on 12.07.13 and is awaiting approval from NPIU.

Actions initiated for the procurement of MATLB software bundle as central facility till date [Annexure - A] are placed before the BOG for its approval and ratification.

The BOG in its 47th meeting held on 18.11.2011 approved a procurement plan for Rs.485 lakhs against the permitted allocation of Rs.500 lakhs. In response to the request of the college seeking permission to transfer the allocation of Rs.37.5 lakhs meant for infrastructure expenses (Civil Works) towards procurement of equipment, the SPFU permitted the re-appropriation in the allocations with the approval of the BOG.

Approval of BOG is sought for re-appropriation of the allocations made under the head of procurement to a tune of Rs.537.5 lakhs.

6. CONDUCTION OF IN-HOUSE TRAINING/WORKSHOP/CONFERENCE

With due approval from the sub-committee of BOG, the representations of faculty members seeking permission to conduct in-house programs are forwarded to SPFU for their approval and are permitted for conducting the same under TEQIP-II activities.

|BOARD OF GOVERNORS (BOG) | MEETING # 52 | 15.07.2013 |

So far, 8 programs for faculty members and 1 program for non-teaching staff have been conducted in the college. A list of such proposals is herewith attached for kind approval and ratification of BOG [Annexure - B].

7. DEPUTATION OF FACULTY & STAFF TO TRAINING/WORKSHOP/CONFERENCE TO OUTSIDE INSTITUTIONS & AGENCIES.

The representations submitted by individual faculty/staff member seeking deputation to participate in the programs outside the college are also forwarded to SPFU for their approval with the consent of the sub-committee of BOG and are permitted to participate under TEQIP-II activities. A list of such proposals is herewith attached for kind approval and ratification of BOG. [Annexure- C].

Around 50 faculty members have attended various training/conference etc., and 9 non-teaching staff have availed training conducted by other institutions.

8. ENTRY OF INSTITUTIONAL DATA IN THE MANAGEMENT INFORMATION SYSTEM [MIS]

As per the NPIU norms, all the institutions are required to enter the institutional data in MIS specified by NPIU including Faculty and Students' profile for project monitoring. So far, the entries pertaining to 2010-11 has been completed and the entries regarding 2011-12 & 2012-13 are being entered in the MIS.

9. REIMBURSEMENT OF COURSE FEE PAID TOWARDS PhD & EXPENDITURE TOWARDS PhD THESIS WRITING BY FACULTY MEMBERS

Twelve faculty members have availed reimbursement of course fee paid towards their PhD and four faculty members have availed reimbursement of expenditure incurred towards their PhD thesis writing [Annexure- D].

10. PERFORMANCE AUDIT AND DATA AUDIT OF TEQIP-II ACTIVITIES:

The first performance audit of TEQIP activities at BMSCE was conducted by the performance auditor Dr. A. Subhash Babu, Professor, Department of Mechanical Engineering, IIT-Bombay and the MIS data audit was conduct by the data auditor Sri. Rudresh B.M., Associate Professor, Government Engineering College, K. R. Pet during June 18-20, 2013.

It is placed before the BOG for kind information.

|BOARD OF GOVERNORS (BOG) | MEETING # 52 | 15.07.2013 |

11. AUDIT OF ACCOUNTS:

The account of TEQIP-II till 31.03.2013 has been completed by the internal auditor, Sri. B. N. Jayaram and certification on financial statement is awaited. The account till 31.03.2013 is also audited by M/s GRSM & Associates, auditors appointed by the SPFU-Karnataka and they expressed satisfaction over the maintenance of account.

It is placed before BOG for kind information.

12. EXPENDITURE INCURRED AND TARGETS LAID DOWN BY THE SPFU:

Following is the statement of expenditure incurred till 30.06.2013 and the target laid down by the SPFU till 31.07.2013 in the meeting of the principals and coordinators of all TEQIP institutions held at the office of the DTE on 25.06. 2013. In the said meeting the SPFU officials have informed the institutions that the second installment of funds will be released to the institutions in the first week of August 2013.

Dear Sir,

Kind Attn: The Principal, TRQIP-II

Ref # TEQIP-II/2013/KA2G04/Direct Contract/40, Dated:21st Jun;2013

Sub: Proposal for Matlab Tools

Thanks for your interest in Mathworks Range of Products(Matlab & Tools).

We would like to introduce ourselves as CoreEL Technologies (I) P. Ltd., based in Bangalore, one of India's leading technology solution providers. CoreEL provides FPGA and ASIC Design Services to clients in India and overseas and develops and markets Intellectual Property products to be integrated into FPGAs and ASICs worldwide. CoreEL is a representative company for Kilinx in the Indian market and also distributes the complete range of EDA products from Mentor Graphics and TransEDA among others.

CoreEL follows the company's longstanding association as Xilinx's Sales Representative for India. Xilinx, the world's leading programmable logic supplier, has also announced the appointment of CoreEL as its Authorized Training Provider (ATP) in India. The latter involves CoreEL providing local sales and technical support to new and existing sustainers. The company provides high end FPGA and ASIC Design Training to customers through Sandeepani," its training division.

CoreEL has sentened into an association with Mathworks. A name synonymous with world class Engineering Simulation. To support the partnership, an exclusive team has been set up, our mandate is to extend the best advantages to the Indian colleges by providing the much needed Technical Support and Quality Training coupled with billing in Indian National Rupees (INR) Currency.

Please find the followings enclosed:

1. Quotation # UPT/JUNE2013/024 for the subject items.

2. The Terms and Conditions of the contract.

3. Authorization Certificate from Mathworks
