COLLEGE OF ENGINEERING
Autonomous Institute, Affiliated to VTU

THE INSTITUTE

B.M.S. College of Engineering (BMSCE) Bangalore has the unique distinction of being the first private engineering college established in the country. Started in the year 1946, the institution owes its existence to the vision of its beloved founders, Late Sri. B. M. Sreenivasaiah and his illustrious son Late Sri. B. S. Narayan. Over the past 75 years, BMSCE has produced more than 40,000 graduates who have enriched the world through their immense contributions as engineers or leaders for mankind. The Institution is approved by All India Council of Technical Education (AICTE) and permanently affiliated to Visvesvaraya Technological University (VTU), Belagavi.

BMSCE is approved as QIP Centre in Engineering & Technology by AICTE. The College is accredited by National Assessment and Accreditation Council (NAAC) with the highest grade of A++ in the Second Cycle and a CGPA of 3.83 on a scale of four which is one of the highest in the Country. This re-accreditation status is valid from 28.03.2019 to 28.03.2024. Currently all the UG Programmes offered by the institution hold the status of Accreditation from NBA, New Delhi in tier I format. The College became autonomous, UGC approved, in 2008 and has been effectively practicing Outcomes-based Education.

Among very few colleges in the entire country, BMSCE became proud beneficiary of TEQIP Phase III owing to its excellent performance rating in previous two phases. The institution is selected as mentor institute of Mahatma Jyothiba Phule Rohilkhand University. BMSCE is the only Partner institution in the country of the Melton Foundation, USA which promotes cross cultural learning for the selected students along with peers from five other countries. The College offers 14 Undergraduate & 15 Postgraduate courses both in conventional and emerging areas. BMSCE is one of the most preferred higher educational destinations for the students all across the country and also attracts students from South Asian, Middle East & African countries. The College has one of the largest student populations amongst engineering colleges in the state of Karnataka. Currently more than 6000 students (India and abroad) are pursuing their higher studies in BMSCE. More than 300 research scholars are pursuing their PhD Degree in the 14 research centres of the college. 182 PhDs and 22 M.Sc. (by research) have been produced so far through these research centres.

The academic performance of the students has been exceptional. The Institution has an excellent Placement and Recruitment Cell. More than 350 reputed companies visit the campus every year. 90% of the eligible students get placed. The Institution has MOUs with various renowned academic and research organizations. It has developed many Centres of Excellence, cutting edge laboratories and incubation centres in collaboration with industries. The learning experiences and quality educational practices created at the institute supplemented with academic ambience, state of the art infrastructure, pedagogy, academic innovations, research, incubation, training opportunities and entrepreneurship provided to diverse student population is enabling the institute to produce graduates who are industry ready. The academic processes are developed with due weightage to provide skills through project-based learning model.

The college has well qualified, experienced and highly dedicated faculty team. Several faculty have the distinction of being NBA and NAAC Evaluators, Members of BOS, BOE, LIC, AICTE, governing bodies of VTU, Autonomous Institutions and Affiliated Colleges. The institution has adopted best practices and key principles of good governance in all its administrative procedures. The Institution has received many Distinctions/Awards in recognition of its contribution in the field of Technical Education.

Dr. Pai has visited all the 7 continents of the world including Antarctica and visited more than 75 countries of the world and gained rich experience.

Dr. Pai is a recipient of several Awards and to name a few, Arya Bhata Award in the year 2014 and was conferred Karnataka Rajyothsava Award in 2010 and also Mangalore University has conferred Honorary Doctorate for his social and philanthropic works in the year 2009.

Sri. Ravi Venkatesam

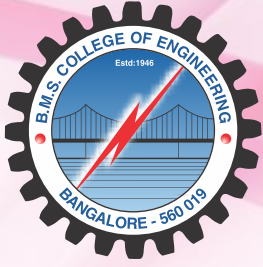

Trustee - BMS Educational Trust,
Chairman - BMSSA & BMSCA

Sri. Ravi Venkatesam is a graduate of IIT Kharagpur, where he earned a B.Arch degree in 1992. He subsequently did an MBA at IIM Bangalore between 1995 and 1997.

Ravi Venkatesam started his career in the field of software development. He worked with Tata Steel in the first year of his career, on IBM Mainframe computers. He subsequently joined Infosys and worked with them on various projects for a major Swiss client.

Ravi Venkatesam's interest in education started in 2004, when he founded a corporate training company called OnTrac. The company is a leader in Operations Management Training for the BPO industry, and its award-winning programs have been used in over 15 countries. Subsequently, he and his wife (also an Architect from IIT Kharagpur) set up three schools called "The Foundation School", in Bangalore. The Foundation Schools are unique from the perspective that they truly bring hands-on learning to life at all grades through unique methodologies. The schools together have over 1300 students.

Ravi Venkatesam is a guitarist and has played in many bands. He is also an avid sports person, has run many marathons, and stays awake nights to watch football matches. He is also a computer programmer and retains a keen interest in fields such as AI and IOT.

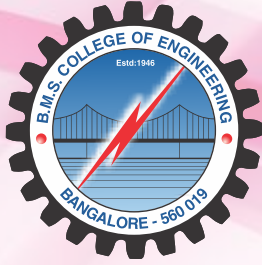

Sri. Aviram Sharma

Trustee
B.M.S. Educational Trust

Sri. Aviram Sharma, Trustee, B.M.S. Educational Trust is an MBA graduate and has a wide range of experience in the banking sector and the IT Industry. He has played a significant role in implementing new technologies in leading and mentoring successful project teams. He has also been instrumental in developing complex business functions in his previous assignments with global clientele.

Sri. Aviram Sharma has conducted training and has coordinated with legal teams in gap analysis and project implementation. He has contributed to his organization in the fields of implementation and project upgradation which have been appreciated by his clients worldwide. Sri. Aviram Sharma firmly believes that the knowledge acquired by youth drives their employability, productivity, health and well-being and will enable the nation to thrive in the path of progress and sustainability.

Prof. Govindan Rangarajan

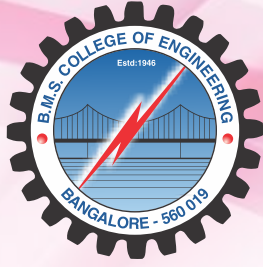

Director, IISc., Bengaluru
Chief Guest

Prof. Govindan Rangarajan obtained an Integrated MSc (Hons) degree from the Birla Institute of Technology and Science, Pilani, and a PhD from the University of Maryland, College Park, USA. He then worked at the Lawrence Berkeley Lab, University of California, Berkeley, before returning to India in 1992. He has been a faculty member of the Department of Mathematics, Indian Institute of Science (IISc), since 1992. He is currently the Director of IISc.

Prof. Rangarajan's research interests include nonlinear dynamics and chaos and time series analysis. He is a JC Bose National Fellow. He is also a Fellow of the Indian Academy of Sciences and the National Academy of Sciences, India. He was awarded the Chevalier dans l'Ordre des Palmes Academiques (Knight of the Order of Academic Palms) by the Government of France. He was also a Homi Bhabha Fellow.

As co-PI of the Indo-French Cyber University Project, he helped establish the first inter-continental satellite-based courses. These courses were taught live to Indian and French students in various subject areas. He also headed the National Mathematics Initiative, which ran instructional schools and workshops in cutting-edge areas at the interface between mathematics and other fields. He was instrumental in setting up and running the interdisciplinary PhD programme in mathematical sciences. He also headed the Indo-US Virtual Institute for Mathematics and Statistical Sciences, which was jointly set up by the National Science Foundation, USA and the Indo-US Science and Technology Forum, India. He is currently the Director of the Indo-French Centre for Applied Mathematics (IFCAM), the first Unités Mixtes Internationales of CNRS, France in India. This is a joint venture between the Department of Science and Technology (DST), India, and a consortium of French institutions. IFCAM supports joint research projects between India and France in the broad area of applied mathematics.

Prof. Rangarajan has also served as the Chair, Department of Mathematics and Convener, Digital Information Services Centre from 2002 to 2008. He was the Chair, International Relations Cell (now called the Office of International Relations) from 2008 to 2014. Most recently, he was the Chair of the Division of Interdisciplinary Research (comprising 10 departments and centres) from 2014-2020. He also headed IISc's fundraising and alumni outreach efforts in his role as the Chair, Office of Development and Alumni Affairs from 2015-2020.

Dr. S. Muralidhara

Principal
B.M.S. College of Engineering

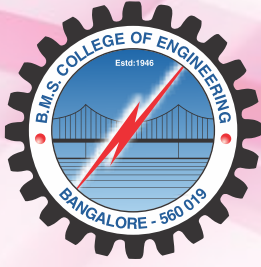

Dr. S. Muralidhara assumed the charge of Principal of B.M.S. College of Engineering during December 2021. Dr. S. Muralidhara graduated in Civil Engineering from NIE, Mysore and obtained M.Tech degree from SJCE, Mysore. Subsequently, he obtained his Ph.D from Indian Institute of Science, Bangalore.

Dr. S. Muralidhara joined the Department of Civil Engineering of the college as a faculty during 1988. He has served in various capacities such as Professor, HOD-Civil Engineering, Dean (First Year BE) & Vice Principal of the college.

Dr. Muralidhara has guided a good number of undergraduate, post-graduate students and Ph.D scholars in allied domains of Civil Engineering. One of his research scholars has been awarded PhD degree. His research interests are in the area of Fracture properties of concrete; Acoustic emission techniques in the evaluation of Fracture process in concrete; Health monitoring using acoustic emission technique. He has many paper & journal publications to his credit. He had the privilege of being a reviewer of paper for international journal, Concrete and Building Materials (Elsevier Publishers). He was instrumental in the conduction of many seminars, workshops and conferences in the college.

Dr. Muralidhara has been nominated as NBA evaluator for various technical institutions in the country. He is also serving as a member of various committees of VTU and is a fellow member for various professional bodies.

Under the leadership of Dr. S. Muralidhara, the college has achieved many significant milestones and accolades. Extension of Autonomous status to the college for a period of ten years from the session 2022-2023 to 2031-2032; introduction of new Under Graduate courses in emerging technologies are the recent additions to the glory of BMSCE.

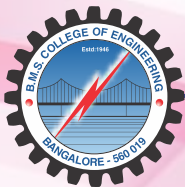

About

Visvesvaraya Technological University (VTU)
Belagavi

Visvesvaraya Technological University (VTU) is one of the largest Technological Universities in India with 24 years of tradition of excellence in Engineering & Technical Education, Research and Innovation. It came into existence in the year 1998 to cater the needs of Indian industries for trained technical manpower with practical experience and sound theoretical knowledge. The university has very successfully achieved a tremendous task of bringing various colleges affiliated earlier to different universities, with different syllabi, different procedures and different traditions under one umbrella. The university is comprised of 182 affiliated colleges, 1 constituent college and 25 autonomous colleges with undergraduate courses in 37 disciplines, Post Graduate in 96 disciplines and Ph.D & M.Sc. (Engg.) with research programmes with 7 faculty over three lakhs engineering students studying in the various institutes affiliated to the university. The university has 13 Quality Improvement Programme (QIP) centers in various affiliated colleges and 16 extension centers for offering Post Graduate programs. It has four regional centers across the state of Karnataka in Belagavi, Bengaluru, Kalaburagi and Mysuru respectively. The university is comprised of a multi-disciplinary and multi-level institutions offering wide ranging programmes in Engineering, Technology and Management. The university is making steady progress in developing and providing best technical environment for education and will continue to serve the nation in the coming years.

Equipped with extremely rich resources comprising of an outstanding student body and faculty, strong partnerships with business, industry, and government and support from alumni and friends, VTU is designing a future of global preeminence, leadership and service.
