B.M.S.
COLLEGE OF ENGINEERING
Autonomous college under VTU

THE INSTITUTE

B.M.S. College of Engineering (BMSCE) Bengaluru has the unique distinction of being the first private Engineering college established in the country. Started in the year 1946, the institution owes its existence to the vision of its beloved founders, Late Sri. B. M. Sreenivasaiah and his illustrious son Late Sri. B. S. Narayan. Over the past 78 years of its illustrious existence, BMSCE has produced more than 46,000 graduates who have enriched the world through their immense contributions as engineers or leaders for mankind. Currently 29000 alumni are currently registered in BMSCE Alumni Association [BMSCEAA]. The Institution is approved by All India Council of Technical Education (AICTE) and permanently affiliated to Visvesvaraya Technological University (VTU), Belagavi. The college is aided by Government of Karnataka. BMSCE is approved as QIP Centre in Engineering & Technology by AICTE. The College became autonomous, UGC approved, in 2008 and has been effectively practicing Outcomes-based Education. The College has the distinction of being awarded best performance rating in all three Phases of TEQIP. The institution is also a Beneficiary of Global Initiative Academic Network (GIAN). BMSCE is the only Partner institution in the country, with the Melton Foundation, USA, which promotes cross cultural learning for the selected students along with peers from five other countries. The College is accredited by National Assessment and Accreditation Council (NAAC) with the highest grade of A++ in the Second Cycle and a CGPA of 3.83 on a scale of four. Currently all the Undergraduate Programmes and post-Graduate Programmes hold the status of Accreditation from National Board of Accreditation (NBA), New Delhi in tier I Format. AICTE has recognized the college under AICTE Doctoral Fellowship Scheme (ADF) since 2018-19. BMSCE is listed as a lead innovator for the year 2020 and 2021 by Clarivate Analytics (Web of Science) based on the Derwent World Patent Index. BMSCE is one of the 100 colleges in the country awarded 5G use case laboratory. The College currently offers 14 Undergraduate and 12 Postgraduate courses both in conventional and emerging areas. More than 344 research scholars are pursuing their Ph.D Degree in the 14 research centres of the college. 244 Ph.Ds and 22 M.Sc. (by research) have been produced so far through these research centres. BMSCE has recently achieved the prestigious ISO 14001:2015 certification for its Environmental Management System through qualified external ISO 14001 auditors.

The Institution has MOUs with various organizations across the globe. It has developed many Centres of Excellence, cutting edge laboratories and incubation centres in collaboration with industries with an aim to enrich the learning experiences of the graduating students and to comply with the programme outcomes. The learning experiences and quality educational practices created at the institute supplemented with academic ambience, state of the art infrastructure, pedagogy, academic innovations, research, incubation, training opportunities and entrepreneurship provided to diverse student population is enabling the institute to produce graduates who are industry ready. BMSCE is one of the most preferred higher educational destination for the students all across the country and also attracts students from other countries.

The institution has played significant role in developing human resource capital to meet the requirement of society in India and abroad. The College has one of the largest student populations amongst engineering colleges in the state of Karnataka. The academic performance of the students has been exceptional. The Institution has an excellent Training and Placement Cell. More than 350 reputed companies visit the campus every year. The College results and placement bear testimony to the high standard of education provided by the institution. The academic processes are developed with due weightage to provide skills through project-based learning model. Curriculum design & development, Pedagogy and Assessment are given highest priority. The institution has consciously put efforts in encouraging innovation and has adopted best practices/processes in Teaching Learning Processes.

In order to enhance the learnability of the students and to make them industry ready by bringing down the gap, technology tools, self-learning, social learning, MOOCs, internships/industry training are introduced as a part of the curriculum. The faculties are well qualified, experienced and highly dedicated. Many of whom have the distinction of being NBA, NAAC Evaluators, Members of BOS, BOE, LIC, AICTE, governing bodies of VTU etc. Faculty members have received numerous awards for their teaching, research, and public service also for their contribution in finding suitable solutions to environmental challenges. The institution has adopted best practices and key principles of good governance in all its administrative procedures. The Institution has received many Distinctions/Awards in recognition of its contribution in the field of Technical Education.

About

Visvesvaraya Technological University (VTU)
Belagavi

Visvesvaraya Technological University (VTU) is one of the largest Technological Universities in India with 24 years of tradition of excellence in Engineering & Technical Education, Research and Innovation. It came into existence in the year 1998 to cater the needs of Indian industries for trained technical manpower with practical experience and sound theoretical knowledge. The university has very successfully achieved a tremendous task of bringing various colleges affiliated earlier to different universities, with different syllabi, different procedures and different traditions under one umbrella. The university is comprised of 182 affiliated colleges, 1 constituent college and 25 autonomous colleges with undergraduate courses in 37 disciplines, Post Graduate in 96 disciplines and Ph.D & M.Sc. (Engg.) with research programmes with 7 faculty over three lakhs engineering students studying in the various institutes affiliated to the university. The university has 13 Quality Improvement Programme (QIP) centers in various affiliated colleges and 16 extension centers for offering Post Graduate programs. It has four regional centers across the state of Karnataka in Belagavi, Bengaluru, Kalaburagi and Mysuru respectively. The university is comprised of a multi-disciplinary and multi-level institutions offering wide ranging programmes in Engineering, Technology and Management. The university is making steady progress in developing and providing best technical environment for education and will continue to serve the nation in the coming years.

Equipped with extremely rich resources comprising of an outstanding student body and faculty, strong partnerships with business, industry and government and support from alumni and friends, VTU is designing a future of global preeminence, leadership and service.
