Event Description:

IIC BMSCE for the first time took part in UTSAV – ENVISAGE 2022, BMSCE cultural fest and organized Placement Fevrrr where it brings a mock placement scenario to the students participating in the fest. The judges of the event were –

1. Anjana Kamath: Founder – Healthy Fibers- 2017 IEM Alumnus
2. Archith Sanjay: Network Engineer- Telstra- 2021 ECE Alumnus

Objective of the Event:

Placement Fevrrr brought the mock placement scenario to students where they can participate and get ready for the placements and internships during their college time. Three rounds were organized where first round tests the student's ability in aptitude through online platform – Unstop. Participants filtered from the First round were made to participate in the second round which is a group discussion round with our first judge. Seven students were selected for the third round for interview with our second judge. This gives students the opportunity to impart the skills and test their abilities to attend an interview or a placement.

Benefits in terms of Learning and Skill-set acquired:

- Problem solving
- Presentation
- Communication
- Aptitude
- Time management
- Body Language
- Clarity on Knowledge
