DETAILS OF THE EVENT: The webinar was organized by BMSCE IIC in collaboration with CIIE BMSCE. The speaker of the session was Mr. Sanjeev Kumar who is an alumnus of BMSCE and is currently CEO at Skience, The Athene Group.

OBJECTIVE: The session was about his valuable experiences in startups and business. This provided a glimpse of the challenges faced in the entrepreneurship world.

OVERVIEW: The talk started by Jayanth with an introduction of the speaker. The talk was very well explained by giving his real-life examples and scenarios. Mr. Sanjeev Kumar was a normal middle class guy during his college days. He joined as GET to industry as mechanical graduate. He went to the USA as a job offer from Deutsche Software Pvt Ltd. Later, He was able to explore a lot of areas in different industries and started Athene Group in 2002. Started with few of his contacts from industry till growing the start up organically to multi-million dollar company with branches in North America, United Kingdom, India, Singapore. He and his colleagues in Athene Group tested their product Skience based on their thesis based on Wealth & Finance Management, Relationship with clients, partners & investors which is something people want to understand and use to grow their Business exponentially. He suggests looking at the issues and ideas in current scenarios by being curious and enthusiastic. This doesn't restrict to Education and its material. By being conscious and observing their surroundings and environment. As it was an interactive session, there were a couple of questions proposed to the speaker. The pros and cons of having a startup were discussed.

KEY POINTS FROM SPEAKER :

1. Follow your Passion.
2. Discipline & coming out of comfort zone
3. Consistent & improve yourself bits by bits every single day
4. Confident Mindset
5. Curiosity & taking Risk

CONCLUSION: The event concluded with the speaker sharing his fun-loving experiences in BMSCE and how he got his current position. There was a Q and A session where the students cleared their doubts. The event was a successful one where the participants learned a lot about startups in general and life after it.
