Event Description:

BMSCE IIC with collaboration with Protocol, BMSCE conducted an online webinar about interest rates, bonds and share valuation with Mr. Surya Mallampally as our speaker.

Mr. Surya Mallampally is a Practicing Chartered Accountant at MS Rao & Co.

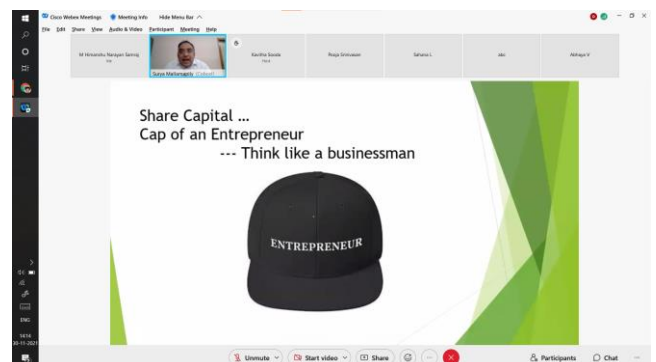

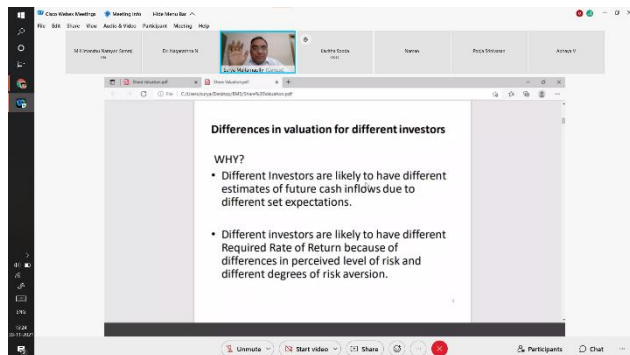

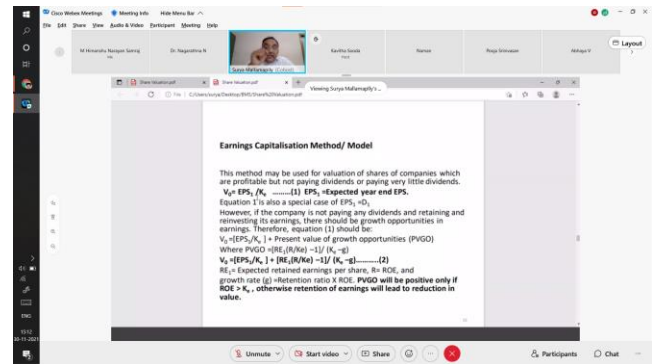

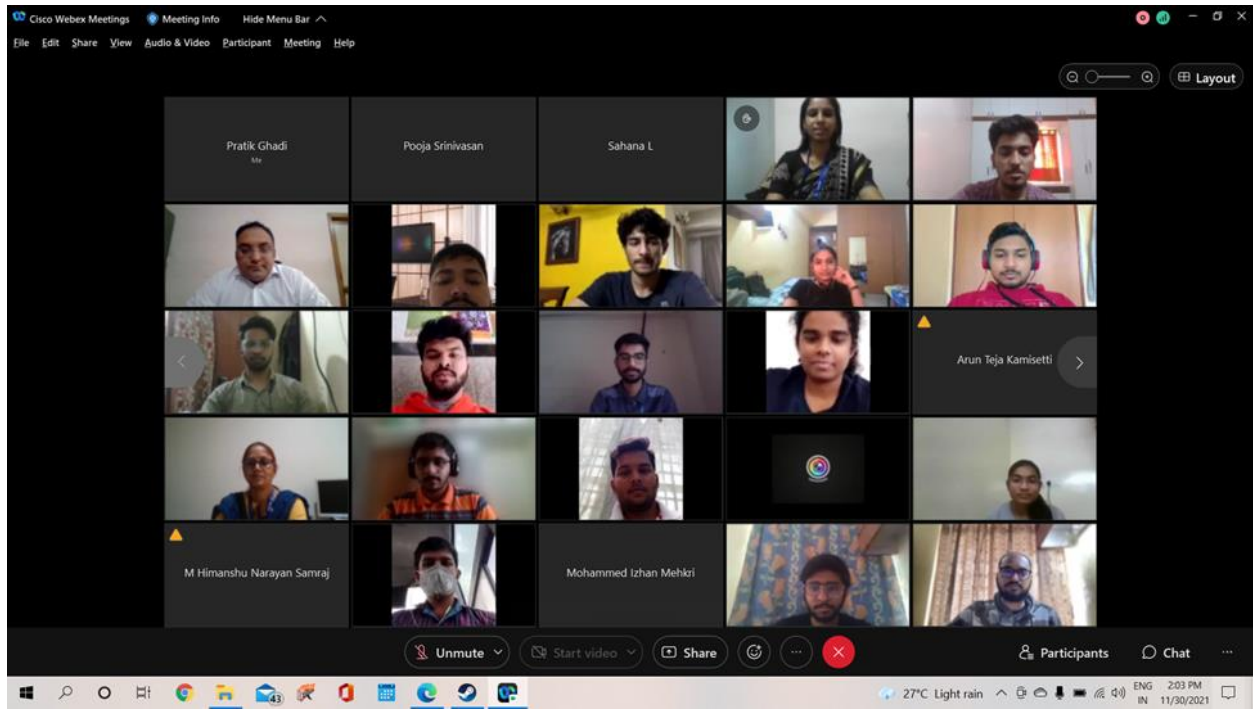

Objective of the Event:

The event was held exclusively for 4th year students in order to educate them about financial management in the real world, this event provided with a very good opportunity to learn about how to control our finances from the speaker.

Benefits in terms of Learning and Skill-set acquired:

- Personal Financial management as well as startup financial management
- Investments into bank fixed deposits and understanding interest rates, Government Bonds and investment into share market by understanding the share valuations
- Awareness before Investing
- Long- and short-term investments
