ISO 14001 – Environmental Management System Policy

BMS College of Engineering, Bangalore imparts Quality Undergraduate, Postgraduate - Technical Education & Training. The institute is environmentally conscious. It has implemented numerous environmental and green campus measures and strives for pollution free campus. The faculty, staff, students and all stake holders are educated with its importance to develop and contribute collectively in achieving an eco-friendly sustainable campus.

To achieve this BMS College of Engineering, Bangalore is committed to:

1. Make campus pollution free
2. Protection of biodiversity, conservation of resources, promoting sustainable initiatives, by adopting the principles of Reduce, Reuse, and Recycle.
3. Comply with applicable compliance obligations, statutory and regulatory requirements.
4. Continually improve the environmental management systems of the institution and enhance its environmental performance.
