

B.M.S. COLLEGE OF ENGINEERING, BENGALURU

Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – FEBRUARY 2025

February 1st, 2025

✚ Dr.B.Kanmani, Professor in the department of Electronics & Communication Engg., was invited to handle the session on 'Simplified Methods for Computation of CO-PO Attainments leading to relevant corrective measures' during the National Symposium on 'Empowering Faculty: Advancing Excellence for NextGen Education', organized by the Teaching Learning Center, Sharda University, Noida.

✚ Dr. Shivakumar R, Associate Professor in the Department of Chemical Engineering has been awarded certificate for completing the *IUCEE International Engineering Educator Certification Program* (Fall 2024). The course lasted six months and mainly focused on enabling the participants to understand the principles of learner-centered teaching. The participants were also required to design or redesign a course and its elements, emphasizing learning

outcomes, develop different teaching and active learning strategies for implementing these elements.

✚ Dr. Sanjay Kumar, Assistant Professor in the department of Chemical Engineering participated & completed AICTE Training and Learning (ATAL) Academy Online Elementary FDP on '*Theoretical and Experimental Approaches on Materials*' organised by Anna University, Regional Campus, Tirunelveli during 27th Jan. 2025 to 1st Feb.2025.

✚ Mr.Chaitanya Umashankar, first Semester MBA student represented Karnataka in the Water Polo National Games 2025 organised at Uttarakhand during 29th January 2025 to 4th February 2025 and secured Fifth Place.

✚ Dr. Manjunatha S.O, Assistant Professor, Dept. of Physics, co-authored and published a research paper titled, "Fe-doped NiO nanopowders for advanced photochemical applications: Synthesis, characterization, photo-assisted dye

B.M.S. COLLEGE OF ENGINEERING, BENGALURU

REPORT ON COLLEGE ACTIVITIES – FEBRUARY 2025

degradation and latent fingerprint visualization", in Physica B 701 (2025) 416991 with impact factor 2.8, SJR: Q2, 0921-4526 (print) 1873-2135 (Electronic) Print ISSN: 0921-4526, Online ISSN: 1873-2135

DOI: <https://doi.org/10.1016/j.physb.2025.416991>

February 2nd, 2025

- Dr. Sharanappa Chapi, Assistant Professor, Department of Physics, co-authored & published a research paper titled, "Poly (vinyl alcohol) Nanocomposites Reinforced with CuO Nanoparticles Extracted by Ocimum sanctum: Evaluation of Wound-Healing Applications" in Online ISSN: 1873-2291, ISSN: 2073-4360
<https://doi.org/10.3390/polym17030400>

February 3rd, 2025

- Dr. B.L. Suresha, HOD, Dr. Latha Kumari, Dr. Karthik Kumara, Dr. Sumantha H S, faculty members of Department of Physics and research scholars, Ms. Sahana B.V, Ms. Meghashree V S, Ms. Anitha J, Mr. Arya Vishwanath & Dr. Sanjay Kumar, Assistant Professor in the department of Chemical Engineering attended six days ATAL Faculty Development Programme on "Nanomaterial and Energy Storage-

Sustainable Future" in online mode organized by K. S, School of Engineering and Management, Bengaluru during Feb. 3rd – 8th, Feb. 2025.

- Dr. Sumantha H S, Assistant Professor, Department of Physics attended six days Faculty Development Program (in online mode) on "Elevating Research Excellence: Methods, Tools, and Ethics" organized by Nagarjuna College of Management Studies, Bengaluru during Feb. 3rd – 8th, Feb. 2025.

February 4th, 2025

- Dr. Tamal Jana, Assistant Professor, Department of Aerospace Engineering co-authored and published a research article titled, "Impact of rectangular, half-elliptical, trapezoidal, and triangular tabs on the mixing behavior of circular sonic jets" in the Journal, Physica D: Nonlinear Phenomena.
<https://doi.org/10.1016/j.physd.2025.134557>

February 5th, 2025

- Dr. B Kanmani, Professor, Department of Electronics & Telecommunication Engg., was invited to handle a session (online mode) on 'Outcome Based Education', during the one week FDP organized by the Department of Computer Science,

B.M.S. COLLEGE OF ENGINEERING, BENGALURU

Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – FEBRUARY 2025

Pondicherry University (Mentor Institution) for faculty members from Rajiv Gandhi College of Engineering and Technology, Puducherry (Mentee Institution) under the AICTE Margdharshan Scheme.

February 6th, 2025

- Dr. Tamal Jana, Assistant Professor, Department of Aerospace Engineering delivered a lecture in the Faculty Development Programme, 'Mastering Jet Dynamics and High Speed Aerodynamics' organised at Global Academy of Technology, Bengaluru.

- The Placement club of the department of Computer Applications conducted an engaging placement activity for MCA first semester students aimed at enhancing students' aptitude, coding skills and interview preparation. The session included an online quiz, fun debate & HackerRank.

- A few faculty members and students of department of Mechanical Engineering attended Live Webinar organized by DASSAULT SYSTEMES on Empower Education and Industry with Generative Design.

B.M.S. COLLEGE OF ENGINEERING, BENGALURU

Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – FEBRUARY 2025

✚ Dr. Surendra H H and Dr. Archana H R, Assistant Professors, Department of Electronics and Communication Engineering were invited to deliver a session on 'OBE Policy and CO-PO Mapping' in one day workshop organised by Maharaja Institute of Technology, Thandavapura, Mysore.

February 7th, 2025

✚ Sri.Suresh Erannagari, Assistant Professor, Department of Mechanical Engineering attended the Industrial Training at Centre of Excellence, GTTC, Bengaluru during February 7th – 28th, 2025

February 8th, 2025

✚ Dr. Arun Kumar N, Assistant Professor, Department of Machine Learning was awarded Ph.D. degree from Visvesvaraya Technological University (VTU) during the 24th Part-II Convocation held on 8th February, 2025.

✚ MCA students participated in the Technical Fest, APRAMEYA organized by the department of MCA, NITTE MEENAKSHI INSTITUTE OF TECHNOLOGY, Bengaluru during Feb.7th – 8th, 2025 and won prizes as cited below.

- (i) Mr.Hruthik Chavan, Mr.Bhaskar S, Mr.Dhanush Gajula, Mr.Munesh Saga, Mr.Manohar T H of third semester MCA won first place in the event,Vishwakarma Hackforge (24 hrs Hackathon)

- (ii) Mr.Shridhar Gajanan Hegde and Mr.Siddesh C of first semester MCA, secured second place in the event, Mayarahasya.

B.M.S. COLLEGE OF ENGINEERING, BENGALURU

Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – FEBRUARY 2025

- Ms. Deshna M Vanshika, second semester student, Department of Machine Learning represented Karnataka in the National Games Table Tennis for the year 2025 organised at Dehradun during February 8th to 14th February, 2025. She made it to Quarter Finals in the team events and women's doubles categories.

- A research paper titled, "Microbially induced stabilized rammed earth: Compressive strength-capillary water absorption Co-relationship" co-authored by Ms.Neha vivek, Prof. Prasanna Kumar, Professor, Civil Engineering and Dr.Divijendranatha Reddy, Professor, Department of Biotechnology has been published in the journal HELIYON(Wos indexed, Q1 journal with IF 3.4), 11(2025)e42680(Feb 2025).

- Dr.Hari Prasad Uppara, Dr.Sanjay Kumar, and Dr.C T Puttaswamy, Faculty members in the department of Chemical Engineering along with final year UG students (2019-2023 batch) co-authored

& published an article titled, 'Fabrication of MOF-derived Ce-Cu nanofibers for ameliorating photo-catalytic properties' in Journal of Porous Materials, 1-8, (2025), WOS indexed, Q2. <https://doi.org/10.1007/s10934-025-01763-4>

February 10th, 2025

- Dr. Rajeshwari Hegde, Professor, ETE and Dean(Student Affairs) along with 8th semester students, Mr.Prajwal, Mr.Harsha and Mr.Tejus attended online project work progress review meeting with Nokia Experts as part of Nokia-BMSCE university collaboration program.

- Smt.Nirupama Mohan, Assistant Professor in the department of Mechanical Engg., defended her Ph.D thesis titled, 'Wear and corrosion studies on boronized martenstite stainless steels' at Metallurgical and materials Engineering, IIT- Roorkee.

- Dr. Shivashankar R Srivatsa, Assistant Professor, Department of Mechanical Engineering attended one week ATAL FDP (in online-mode) on 'Design Thinking for Innovation and Entrepreneur' Sponsored by AICTE Training and Learning (ATAL) Academy conducted by National Institute of Technical Teachers' Training and

B.M.S. COLLEGE OF ENGINEERING, BENGALURU

Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – FEBRUARY 2025

Research, Bhopal during Feb.10th-15th, 2025.

February 11th, 2025

- The report on the project, 'Solid Waste Management in Hassan City' carried out by M.Tech (Environmental Engineering) student, Mr. Prajwal under the guidance of Dr. C R Ramakrishnaiah was submitted to Hassan MLA for implementation.

February 12th, 2025

- Dr. B Kanmani, Professor, Department of ETE was invited to conduct one day Workshop on, 'Outcome Based Education', organized by Centre for Engineering Education Development (CEED) & IEEE Education Society of K G Reddy College of Engineering and Technology, Hyderabad.

- Dr. Ravishankar T N, Assistant Professor in the Department of Chemistry co-authored and published a research article titled, 'Eco-friendly synthesis of NiO and Ag/NiO nanoparticles: applications in photocatalytic and antibacterial activities' in the Journal of 'Royal Society Open Science' (R. Soc. Open Sci.), published by Royal Society, with Q1 Ranking, indexed in Web of Science and Scopus and impact factor 2.9.

<https://royalsocietypublishing.org/doi/10.1098/rsos.241733>, ISSN: 2054-5703

- Dr. Rajeshwari Hegde, Professor, Department of ETE organized a meeting with Dr. Rahul Shrestha, Associate Professor, IIT Mandi to discuss about project for 8th semester students.

February 13th, 2025

- Dr. Rajeshwari Hegde, Professor, Department of ETE organized a meeting with Dr. Shashikant Nayak, Director, Vensol Ventures Pvt. Ltd., Dr. Harish, Professor, Department of ISE, GIT,

B.M.S. COLLEGE OF ENGINEERING, BENGALURU

Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – FEBRUARY 2025

Belagavi to discuss about probable collaboration.

International speaker, Dr. Thanongsak Imjai, Associate Professor, Walailak University, Thailand, on the topic, 'Recycled Aggregate Concrete in Structural Applications: A Research at Walailak University' for PG students.

- The Placement club of the department of Computer Applications conducted a structured placement activity for first semester MCA students, focusing on technical and soft skill assessment. The process included a HackerRank coding test to evaluate programming and problem-solving skills, one-on-one interviews covering technical and behavioral aspects and a resume review with constructive feedback on formatting, key skills and professional presentation.

February 14th, 2025

- Department of Civil Engineering organised a guest lecture by

February 15th, 2025

- The department of EEE organized an insightful talk on 'Electromagnetic Compatibility (EMC)'. Sri. Deepesh Rao, Associate Technical Director - V&V Hardware, Sri. Lohith Kumar, Technical Director and Dr. Bibhu Prasad Nayak, EMC Simulation Expert, Bosch Global Software Technologies Private Limited, Bangalore provided valuable insights into EMC principles, challenges, and real-world applications. The students (UG & PG) and faculty members in the department participated in the program. The event was coordinated by the faculty members, Dr.Venkatesh Boddapatti, Dr. Prakash DB and Dr.Nindra Sekhar.

B.M.S. COLLEGE OF ENGINEERING, BENGALURU

Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – FEBRUARY 2025

✚ Department of Electronics and Instrumentation organized an introductory talk on 5G Radio network planning and its applications using ALTAIR WINPROP. Sri. Shashi Kumar R, global electronic application engineer gave an introduction to the 5G simulations tool-WINPROP, its uses and the scope of opportunity towards research in 5G. Faculty members from Electrical and Computer Science cluster departments attended the event.

February 17th, 2025

✚ One week Faculty Development Programme (FDP) on 'Empowering Educators: Leadership, Research and Pedagogical Excellence' was organised by the college during Feb.17th-22nd,2025. The topics included OBE, leadership skills, KCSR rules etc., and experts in the

field were the resource persons.

Around 250 faculty members of the college participated in the event. During the FDP, various activities on Skill fit were conducted and the winners were felicitated.

B.M.S. COLLEGE OF ENGINEERING, BENGALURU

Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – FEBRUARY 2025

- The department of EEE organised the presentation of 'Sai Karthik Academic Achievement Award' for the year 2024-2025. Ms. Ananya G, student in the department of EEE received the award for being the topper in Power Electronics Course.

- Dr. Ravi Shankar P N, Assistant Professor in the Department of Chemistry co-authored and published a research article titled, 'Ferroelectricity and a 1/3-Magnetization plateau in the Polar Magnet LiFeV_2O_7 with Fe^{3+} Ions in a Twisted Diamond Chain' in the Journal of "Chemistry of Materials" published by ACS Publications, with Q1 Ranking, indexed in Web of Science and Scopus and impact factor 7.2.
<https://doi.org/10.1021/acs.chemmater.4c02715> 18, February, 2025.

- Dr.S.B. Bhanu Prashanth, Professor in Medical Electronics and Dean(first year BE) was invited as a resource person to deliver a talk on 'Wearable Sensors and Medical IoT in Healthcare Systems' in the ATAL-FDP, organized by the department

of ECE, AMC College of Engineering, Bengaluru.

- VTU LIC visited the institution to verify the documents towards grant of Affiliation to UG, PG programs and Research Centres for the AY 2025-26.

- Dr.B Kanmani, Professor in the department of ETE was invited to handle the sessions on 'Curriculum Design and OBE Components', during the Faculty Development program on 'Empowering Educators, Reimagine, Reinvent, Redefine Teaching', organized by AMC Engineering College of Engineering, Bengaluru during Feb.17th -18th, 2025.

- Department of ETE and Spruha Build-in Solutions jointly organized five day Hands-on Skill Development Program on 'The Versatility and Extensibility of Moku Technology' for technical staff in the college during Feb.17th-21st, 2025. Smt.Archana K and Dr.Ambika K, faculty members in the department of ETE along with Sri.Mahaveer R Savanur, Senior Technical Engineer, Spruha Build-in

B.M.S. COLLEGE OF ENGINEERING, BENGALURU

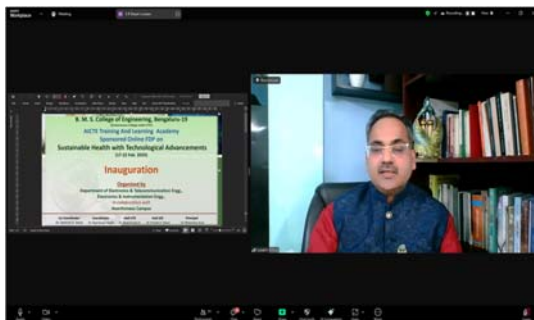

Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – FEBRUARY 2025

Solutions designed and delivered the course.

Department of ETE and EIE in collaboration with Heartful Campus organized an online FDP on 'Sustainable Health with Technological Advancements' sponsored by AICTE-ATAL during Feb.17th-22nd, 2025. The program attracted 170 registered participants and featured twelve resource persons, including two international speakers. Dr.Rajeshwari Hegde, Dean(Student Affairs), Dr. Preethi K Mane, Head, Department of EIE, Dr.Santosh R. Desai, Professor Department of EIE coordinated the event.

February 18th, 2025

Department of Computer Applications organized a session on 'How to be Corporate Ready: Career Planning, Leadership and Stress Management', by Sri. Sandeep Gokhale, CEO of TechVito. The event was coordinated by Smt.T.Sunitha and Sri. Girish K., Assistant Professors in the department.

February 19th, 2025

Ms.Sandhya M S, first semester MCA student, represented Karnataka as the team captain in the 49th Senior National Yoga Sports Championship 2024-25 organized by the Yoga Federation of India during February 13th -19th, 2025

B.M.S. COLLEGE OF ENGINEERING, BENGALURU

Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – FEBRUARY 2025

at Trivandrum, Kerala. She won a bronze medal in the Traditional event and secured fourth place in Artistic Solo event.

✚ The ED Cell and Alumni wing of the Department of Computer Applications in association with BMSCE WiE SB, hosted a Panel Discussion on 'Idea to Execution: The Entrepreneurial Journey'. The panel featured department alumni from the 1985-88 and 1986-89 batches and was organized as an interactive session for third semester students. The event was coordinated by Dr. D. N. Sujatha, Professor and Dr. V. Padmapriya,

Assistant Professor in the department.

✚ Ms.Sampati Anvekar, third semester MCA student secured first place in the IT Manager event at TECHNIX 6.0, organized by the Department of MCA, BMS Institute of Technology & Management, Yelahanka, during February 18th-19th,2025. The leadership, problem-solving and strategic decision-making skills of the participants were evaluated.

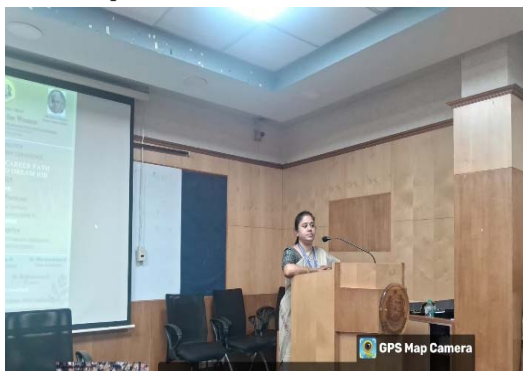

B.M.S. COLLEGE OF ENGINEERING, BENGALURU

Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – FEBRUARY 2025

- Dr.V. Padmapriya, Assistant Professor in the department of Computer Applications delivered a talk titled, 'Charting Your Career Path: From Degree to Dream Job' for 2nd and 3rd year students of BCA and BSc (Computer Science) at BMS Womens College, Basavanagudi. This talk was to give future directions to the degree students to pursue their dream job, choose an appropriate PG course, or take the path of Entrepreneur.

- Dr.Rajeshwari Hegde, Dean(Student Affairs) was invited as chief guest for the Lumiere 2025 - Manah Mahotsav, an Inter-collegiate Psychology Cultural Fest at Jain School of Sciences, Bangalore.

February 20th, 2025

- Patent has been granted for the research titled, 'ML based Device for Medical Image Security' by Dr. Lakith S and Dr.Madhusudhan K S, Assistant Professors, Department of Electronics and Communication Engineering et.al.
- Smt.Soniya Agrawal, Assistant Professor, Department of Electrical & Electronics Engg., co-authored and published a paper titled, 'A Five-Level Switched Capacitor-Based Common-Ground Inverter for Photovoltaic Applications' in the International Journal of Circuit Theory and Applications (Q2).
- Dr.B Kanmani, Professor, Dept. of Electronics & Telecom. Engg., was invited to conduct one day workshop (online mode) on 'Program Articulation Matrix for a Curriculum', organized by the Department of Computer Science, Pondicherry University (Mentor Institution) for faculty members of Rajiv Gandhi College of Engineering and Technology, Puducherry (Mentee Institution) under the AICTE Margdharshan Scheme.

B.M.S. COLLEGE OF ENGINEERING, BENGALURU

Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – FEBRUARY 2025

February 21st, 2025

✚ Dr. Jayanthi K Murthy, Associate Professor, Department of Electronics and Communication Engineering along with research scholar, Mrs. Sreelakshmi Tadigotla presented the paper titled, 'Enhancing Coverage and Connectivity with Hybrid Harris Hawk and Arithmetic Optimization in Clustering and Routing' in 3rd International Conference on Integrated Circuits and Communication Systems(ICICACS-2025) conference organised at Sir M Visvesvaraya College of Engineering, Raichur during Feb.21st-22nd, 2025.

✚ The Placement club of department of Computer Applications conducted a hands-on training session on Git and GitHub for first semester MCA students to enhance students' skills in collaborative coding and repository management. This interactive session equipped students with valuable industry-relevant skills for their placement preparation.

The Placement club of department of Computer Applications also conducted a placement activity session featuring two key exercises: a Company-wise Aptitude Quiz and a Pick and Speak session.

✚ Training in office procedure & KCSR norms was organised in the college for the benefit of non-teaching staff of the college. Around 100 staff members attended the training.

✚ Department of Computer Applications organized a Skill Enhancement Training on Robotics during Feb. 20th – 21st, 2025. The event saw participation from 30

B.M.S. COLLEGE OF ENGINEERING, BENGALURU

Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – FEBRUARY 2025

teams, each tasked with building line following robots capable of tracking a black line on a given surface. The competition added a time-based challenge, where robots had to navigate with precision and control, particularly around narrow curves, to achieve the fastest completion time and secure victory.

- Department of Civil Engineering organized a technical visit to BWSSB water treatment plant at Thorekadanahalli for first semester M.Tech(Environmental Engg) students. The faculty members, Dr. Manjunath S V and Dr. Prathima B accompanied the students.

- Dr. Murugendrappa M.V, Associate Professor, Department of Physics chaired a session in the 2nd International Conference on Applied Research in Engineering Sciences (ICARES-2025) and was also invited as jury member for assessing the best presentation at the 2nd “International Conference on Applied Research in Engineering Sciences (ICARES-2025)” organized by M S Ramaiah Institute of Technology (MSRIT), Bengaluru.

- Dr. Sudarshan and Dr. Santhosh D, Assistant Professors, Department of Mechanical Engineering visited the 'Space Pulse Technologies Pvt. Ltd. company at Basaveshwaranagar to discuss about the 'Ship Borne Very Small Aperture Terminal (VSAT) applications' and related projects that they are carrying out.

- Dr.S.B. Bhanu Prashanth, Professor in Medical Electronics, and Dean(first year BE) was invited as an external auditor for the departmental academic and administrative audit at NMIT, Bangalore.

February 22nd , 2025

- IEEE PELS BMSCE Student Branch chapter received Highest Membership Award from IEEE PELS

B.M.S. COLLEGE OF ENGINEERING, BENGALURU

Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – FEBRUARY 2025

Bangalore chapter.

- Dr. Prema V, Associate Professor, Department of Electrical & Electronics Engg., received best faculty award for the year 2024 from IEEE PELS Bangalore chapter.

- Smt. Chaitanya L, Assistant Professor, Department of Electrical & Electronics Engg., received outstanding ex-officio award for the year 2024 from IEEE PELS Bangalore chapter.

- Dr.UMAVATHI M., Assistant Professor in the department of EEE was invited as a member for Department Advisory Board (DAB) Meeting for the academic year 2024-2025 convened at BNM Institute of Technology, Bengaluru.

- Dr.R.Suresh Kumar, Associate Professor, Department of Mechanical Engineering was invited to conduct Academic audit at Department of Mechanical Engg., RNSIT, Bangalore.

February 25th, 2025

- Dr. D. N. Sujatha, Professor in the Department of Computer Applications, was invited to attend DAB meeting at Ramaiah Institute of Technology.

B.M.S. COLLEGE OF ENGINEERING, BENGALURU

Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – FEBRUARY 2025

- Dr. B Kanmani, Professor, Dept. of ETE was invited to conduct one day Workshop for faculty on, 'Outcome Based Education', organized by the Tamil Nadu State Council for Higher Education (TANSCH), in association with IEEE India Council Educational Activities Committee at PSG Institute of Technology and Applied Research, Coimbatore .

February 26th, 2025

- Dr. Rajeshwari Hegde, Professor, Department of ETE made a presentation of the paper titled, 'Cultured Speech: Integrating Vedic Wisdom with Heartful Communication through Heartfulness Practice for Holistic Development' in the 4th World Congress of Vedic Sciences held at Sastra University, Thanjavur.
- Prof. Spoorthi G S, Assistant Professor, Department of Machine Learning co-authored and published textbook titled, "Data structure using C" First edition in Scientific International Publishing House ISSN NO: 978-93-6674-157-4

Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – FEBRUARY 2025

Her Auro community of Google Women Tech maker organized three days Entrepreneurial Bootcamp for Women as a part of International Women's week celebration from - 27th February 2025 to 1st March 2025. This immersive program was designed to inspire, educate and empower young women by equipping them with the essential skills, knowledge and confidence to embark on their entrepreneurial journeys.

- ✚ The Placement club of department of Computer Applications organized a placement activity focusing on "LeetCode problem-solving, time complexity analysis".

- ✚ Dr.S.B. Bhanu Prashanth, Professor in Medical Electronics and Dean(First Year BE)was invited as a subject expert for the BoS meeting of the Department of ECE, RRCE, Bengaluru.

February 28th, 2025

- ✚ NBA expert team visited the college for the evaluation of the following programs.

- Computer Science & Engineering
- Information Science & Engineering
- Electrical & Electronics Engineering
- Electronics & Instrumentation Engineering
- Medical Electronics

- ✚ Dr. B Kanmani, Professor, department of Electronics & Telecommunication Engg., was invited to conduct one day Workshop for faculty on 'Outcome Based Education', organized by the Tamil Nadu State Council for Higher Education (TANSCH), for selected Faculty members of Government Engineering Colleges in Tamil Nadu.
