

B.M.S. COLLEGE OF ENGINEERING, BENGALURU
Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – JANUARY 2022

January 1st, 2022

Dr.Umavathi M., Assistant Professor in the Dept. of Electrical & Electronics Engineering published a paper titled “Analysis of Single-Phase Inverter for Avionics System” in Springer Journal. Lecture Notes in Networks and Systems, vol 336. Springer, Singapore
https://doi.org/10.1007/978-981-16-6723-7_49.

Sri.Prasanna Kumar MK, Assistant Professor in the Dept. of Electronics & Telecommunication Engineering published a paper titled, ‘Role of Speech Separation in Verifying the Speaker Under Degraded Conditions Using EMD and Hilbert Transform’ in Proceedings of the International Conference on Paradigms of Communication, Computing & Data Sciences. Algorithms for Intelligent Systems. Springer
https://doi.org/10.1007/978-981-16-5747-4_27

Dr Geetishree Mishra, Assistant Professor in the Department of Electronics and Communication Engineering completed Post Graduate program in “Artificial Intelligence and Machine Learning” from The University of Texas at Austin, USA.

January 2nd, 2022

Dr Venkatesh Boddapati,Assistant Professor in the department of Electrical & Electronics Engineering has published a paper on “Experimental Setup of Smart E-Vehicle Charging Station using IOT Technology” in 2021 IEEE International Conference on Mobile Networks and Wireless Communications (ICMNWC).

The students from NSS Unit of the college were a part of the Green Sunday Plantation drive organized by Adama Chetana. Sapplings were planted around a local neighborhood at Banashankari.

The students from NSS Unit of the college visited the Adama Chetana kitchen, that supplies free food to around 260 schools in need.

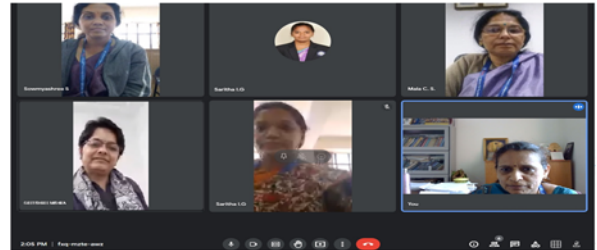

B.M.S. COLLEGE OF ENGINEERING, BENGALURU
Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – JANUARY 2022

Department of Electronics & Telecommunication Engineering organized open seminar-1 of Ms.Saritha I G, research scholar under the guidance of Dr.Rajeshwari Hegde, Professor, Dept. of ETE

January 03rd, 2022

Dr. Kaliprasad C.S, Asst. Professor in the Department of Physics published a research paper titled “Estimation of indoor ^{222}Rn and ^{220}Rn concentration and annual inhalation dose in the indoor environment around Kolar district of Karnataka state, India” in Radiation Protection and Environment Journal, Volume 44 / Issue 3 & 4 / July-September & October-December 2021, pages 146-51

[DOI: 10.4103/rpe.rpe.33.21](https://doi.org/10.4103/rpe.rpe.33.21)

Department of Computer Applications organized a talk on “A closer look at Cybersecurity as a Full-Time Career” delivered by Mr. Chaitanya Bailey, Business Strategy Consultant, Federate Consulting as part of “Cyber Jaagrookta Diwas” programme initiated by UGC and VTU. Students of UG & PG programs attended this cyber awareness and cyber hygiene programme. The event was coordinated by Sri.Girish K and Smt.V.Padmapriya, Faculty, Department of MCA.

January 5th, 2022

Dr. Prema V., Associate Professor in the Dept. of Electrical & Electronics Engineering published an article titled "Critical Review of Data, Models and Performance Metrics for Wind and Solar Power Forecast," in IEEE Access (Q2 Journal), vol. 10, pp. 667-688, 2022, doi: 10.1109/ACCESS.2021.3137419

B.M.S. COLLEGE OF ENGINEERING, BENGALURU
Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – JANUARY 2022

Dr. Kaliprasad C.S, Asst. Professor in the Department of Physics published a research paper titled “Assessment of Effective Dose and Radiological Risk from Natural Radioactivity in Rock Samples of Davanagere District, Karnataka, India” in International Journal of Environmental Analytical Chemistry. (Impact factor: 2.86, Web of sciences, Q2) <https://doi.org/10.1080/03067319.2021.2020764>

Mr.Halesh N, Ms.Harshitha S & Mr.S. Kiwin Vignesh, students of department of Aerospace Engineering were awarded Certification of Completion of an Online Course on ‘Basics of RS, GIS & GNSS’ conducted by Indian Institute of Remote Sensing, Dehradun.

January 6th, 2022

Mr.Ajay Patel, Mr.Kshitij Sharma and Mr.Prasansa Bhagat, 5th semester students of Electronics and Telecommunication Engineering & their faculty guide, Dr.Rajeshwari Hegde, Professor in dept. of ETE got recognition from IUCEE foundation for securing Grade A in the project, ‘Waste Management of Perishable Fruits & Vegetables (Project Oriented Problem based Learning)’ a program conducted by IUCEE foundation during August-December 2021. Dr. Rajeshwari

Hegde, Professor in the Department of ETE received a Certificate of Appreciation in recognition of her guidance and mentoring to the students of the department working on the aforesaid project.

Students of third semester MCA participated in clean-up drive and plantation drive at Nandi Hills which was coordinated by an NGO, “Vande foundation”.

The Principal & Vice Principal visited the departments of Mechanical Engg and Electrical & Electronics Engg., interacted with the faculty & staff in the department.

B.M.S. COLLEGE OF ENGINEERING, BENGALURU
Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – JANUARY 2022

January 7th, 2022

Sri. Naresh Dixit P S, Assistant Professor in the department of Civil Engineering published a technical paper on the topic “Linear and Nonlinear Site Response Study of Soil-tire Crumb Mixture” in SPRINGER Earthquake Geotechnics, Lecture notes in Civil Engineering 187, doi.org/10.1007/978-981-16-5669-9_7

Dr.Venkata Madhava Ram Tatabhatla, Assistant Professor in the department of Electrical & Electronics Engg., delivered a technical talk on “IoT in Energy Sector” at Faculty Development Program on Cloud Computing and Big Data Analytics organized by Infinity Management and Engineering College, Sagar, MP.

The Vice-Principal visited the Department of EIE and interacted with teaching and non-teaching staff in the department. Dr.Veena N.Hegde, HOD-EIE presented the SWOT analysis of the department.

Dr. B. Sudarshan, Assistant Professor, Department of Mechanical Engineering attended 9th International Conference on Transformation in Engineering Education (ICTIEE-22) organized by Indo Universal Collaboration for Engineering Education (IUCEE) as delegate and reviewer.

The Vice-Principal visited the Department of IEM and interacted with teaching and non-teaching staff in the department.

Smt.H.M.Anitha, Assistant Professor in the Department of ISE attended 9th International Conference on Transformations in Engineering Education (ICTIEE-2022) from 7th January-2022 to 9th January-2022, organised by Indo Universal Collaboration for Engineering Education(IUCEE).

January 8th, 2022

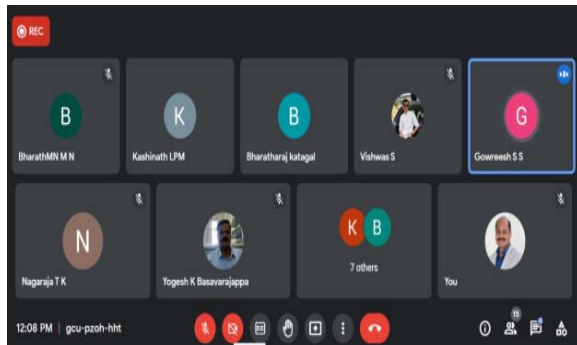

Dr. Rammohan Y S, Prof & HOD-Aerospace Engineering attended the meeting

B.M.S. COLLEGE OF ENGINEERING, BENGALURU
Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – JANUARY 2022

of the Mechanical department Advisory Board of JSSATE, Bengaluru

Dr. Prema V., Associate Professor in the Dept. of Electrical & Electronics Engineering published a book chapter titled ‘User Interactive GUI for Integrated Design of PV Systems’, Chapter 9, Intelligent Renewable Energy Systems, Wiley-Scrivener Publishing LLC, Print ISBN:9781119786276 |Online ISBN:9781119786306

Dr. Veena M B, Associate Professor in the Department of Electronics and Communication Engineering was invited to deliver a talk (through online mode) on “Quantum Dot Cellular Automata” in the five days Faculty Development Program on “Trends and opportunities in VLSI Technology” organized by HKBK College of Engineering, Bangalore in association with ENTUPLE Technologies

The following student projects qualified to be in the top 20 projects received by IUCEE (Indo-Universal Collaboration for Engineering Education) were presented at the IUCEE Annual Student Forum during the International Conference on Transformations in Engineering Education (ICTIEE 2022):

- **“Virtual Studo-Bot”** presented by students of department of ECE, Mr. Aliasgar A V, Mr. Ankit Kumar, Mr. Ashish S B and Mr. Mohammad Rehab Sait, under the guidance of Dr.K.N.Rajanikanth, Associate Professor, Department of ECE.
- **“Scalable Vital Monitoring”** presented by students of department of ECE, Mr. Rahul Kamath, Mr.Rakshith P and Mr. Rohan Sathish, under the guidance of Smt.H.T.Bhavana, Assistant Professor, Department of ECE.
- **“Smart Water Audit System”** presented by students of department of ECE, Mr. Manu Saraogi, Ms.Ritika Siyal, Ms. Vishnupriya B and Mr. Yasho Mangal N., under the guidance of Dr. Rajath Vasudevamurthy, Assistant Professor, Department of ECE.

B.M.S. COLLEGE OF ENGINEERING, BENGALURU
Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – JANUARY 2022

Dr. B Kanmani, Prof., & HOD-ETE presented the paper titled, ‘Implementing the NEP within the AICTE Model: An initial Step’, during 9th International Conference on Transformations in Engineering Education (ICTIEE 2022 Virtual), organized by Indo Universal Collaboration for Engineering Education (IUCEE) Foundation.

January 09th, 2022

Dr. Chetan A Nayak, Assistant Professor in the Department of Chemical Engineering, attended the 9th International conference on Transformations in Engineering Education (ICTIEE-2022) organized by Indo Universal collaboration for Engineering Education (IUCEE).

Dr. Rajeshwari Hegde, Professor in the Department of Electronics & Telecommunication Engineering was awarded with IEEE Bangalore Section Outstanding Large Student Branch Counselor award.

Dr. Vijayakumar K, Associate Professor, Dept. of Computer Applications was invited

as Session chair for International Springer Conference on “Computational Intelligence and Data Analytics (ICCIDA-2022)”, organized by Information Technology department of Vasavi Engineering college, Hyderabad.

Dr. D N Sujatha, Professor in the department of Computer Applications was awarded “Outstanding Volunteer” in recognition of her outstanding contribution to the IEEE Bangalore Section (in the year 2021).

January 10th, 2022

Dr. S.B. Bhanu Prashanth, Professor in the department of Medical Electronics was invited as a Session Chair during the 4th IEEE Conference, ICAECC-2022, organized by Reva University, Bangalore.

Sri.Sreenivasa Murthy A, Assistant Professor in the department of Civil Engineering was invited as subject Expert for the Committee of Trilingual Glossary of Engineering (English-Hindi-Kannada) organised by CSST (MHRD).

HODs meeting was convened to discuss about the mode of conduction of classes & CIE in view of higher rate of COVID 19 infections prevailing in the state and in particular, B’lore

B.M.S. COLLEGE OF ENGINEERING, BENGALURU
Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – JANUARY 2022

January 11th, 2022

Dr.S.Supriya and Dr.G.S.Ananthnag, Assistant Professors in the department of Chemistry published an article titled "Kitchen Waste Derived Porous Nanocarbon Spheres for Metal Free Degradation of Azo Dyes: An Environmental Friendly, Cost Effective Method" in Journal of Cluster Science. Page 1-12; <https://doi.org/10.1007/s10876-021-02208-z>. Impact factor 3.061.

The Principal participated in the meeting(online) of Principals organized by the DTE.

January 12th, 2022

Dr. B.Kanmani, Prof. & HOD-ETE signed an MOU with ISTE (Indian Society for Technical Education), under its Working

Professionals Learning Project (WPLP), an AICTE Project towards writing the book on, 'Digital Signal Processing concepts using Python', a project to be completed within two years.

Dr.D.N.Sujatha, Professor in the department of Computer Applications department was invited to evaluate the performance of IEEE Mangalore Sub Section Student branches during January 11-12, 2022.

January 13th, 2022

Sri.Sreenivasa Murthy A., Assistant Professor and Dr. Maya Naik, Professor from the department of Civil Engineering published a conference paper on the topic, "Comparative study on geo-polymer concrete using natural sand and M-sand" in ELSEVIER – Materials today Proceedings.

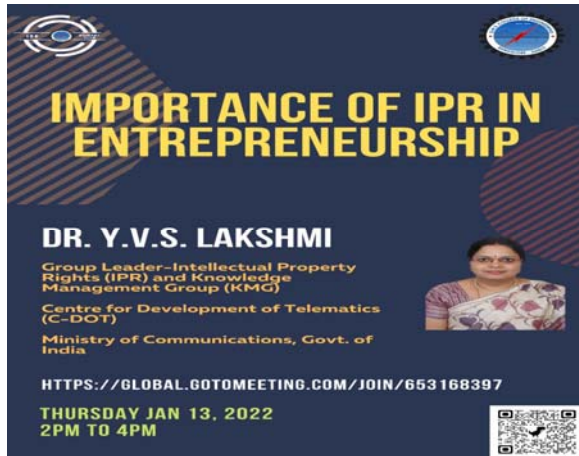

The department of Information Sc., & Engineering organized a guest lecture (online mode) on "Importance of IPR in Entrepreneurship" by Dr. Y.V.S. Lakshmi, Group Leader-IPR and KMG, C-DOT, Ministry of Communications, Govt. of India for the benefit of faculty members and pre-final year students of ISE department. The objective of the talk was to create awareness

B.M.S. COLLEGE OF ENGINEERING, BENGALURU
Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – JANUARY 2022

on Intellectual Property Rights (IPR) and educate innovative entrepreneurs to protect their inventions. Sri.H.S.Gururaj, Assistant Professor in the department coordinated the event.

Sri.H.R.Sridhar, Assistant Professor in the department of MBA was invited to host the Management Quiz program organized by the MBA Department of Nitte Meenakshi Institute of Technology in association with Federation of Karnataka Chambers of Commerce and Industry (FKCCI) and National Institute of Personnel Management (NIPM) .

January 14th, 2022

Dr. Saisha Vinjamuri was granted a patent for the invention titled "A NOVEL PHOTOBIOREACTOR FOR PHOTOTROPHIC MICROORGANISMS CULTIVATION".

Dr. Mangala Keshava & Dr. S Raghunath, Professors in the department of Civil Engineering and Ms.Nalina M.M., Research Scholar presented paper, “Stress Reduction Factors For Brick Masonry Using The Classical Secant Formula” in the 4th International Conference on Innovations in Civil Engineering (online).

January 15th, 2022

Dr. Chandasree Das published a paper titled “Electrical, Raman, and Morphological Studies on Si₂₀ Te₇₄Sn₆ Chalcogenide Glass” in Materials today: Proceedings.

Mr. Sahaj C. Shetty, NSS volunteer of the college was one among the 80 volunteers who participated across the state of Karnataka in State Republic Day Camp-2022 conducted at R.V.College of Engineering during Jan.15th to 26th,2022.

B.M.S. COLLEGE OF ENGINEERING, BENGALURU
Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – JANUARY 2022

January 16th, 2022

Sri. K Arjun, Assistant Professor in the department of Civil Engineering was invited as a distinguished Speaker to present on "Applications of Software and coding in Civil Engineering Domain" as a part of the program, ‘Anveshana 2.0’ conducted by Rotaract Club of Swarna Bengaluru.

January 17th, 2022

Dr. Kaliprasad C.S, Assistant Professor in the Department of Physics published a research paper titled “Radiation level, radionuclide distribution and mineralogy of

soils in Belagavi region of Karnataka, India” in International Journal of Environmental Analytical Chemistry. (Impact factor: 2.86, Web of sciences, Q2)

<https://doi.org/10.1080/03067319.2022.2027932>

Dr. Poornima G, Associate Professor in the Department of Electronics and Communication Engineering was invited to conduct a session on “Preparing for Your Career” in the mentorship program organised by Freedom Employability Academy, New Delhi.

Dr.P.Jayarekha, Professor and Ms Anitha H.M, Assistant Professor in the department of Information Sc., & Engineering attended VGST sponsored four days Online Faculty Development Programme on ‘Recent Trends in Computational Intelligence and Analytics’ organized by Department of MCA, RV College of Engineering during January 17th-20th, 2022.

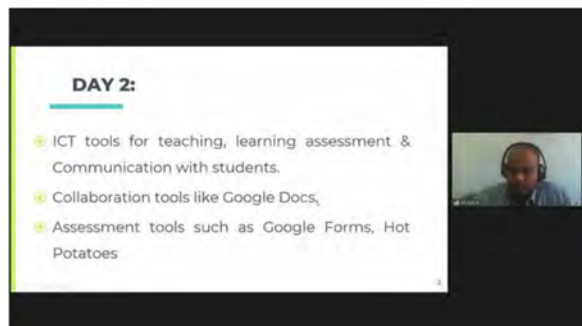

B.M.S. COLLEGE OF ENGINEERING, BENGALURU
Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – JANUARY 2022

Dr. N. Sandeep Varma, Asst. Professor in the department of ISE and Principal Investigator of the project received a fund of 9,65,000/- (Nine Lakhs & Sixty Five thousand) from Dassault Systemes Foundation towards the execution of R & D project under multidisciplinary category.

January 18th, 2022

Sri.K.Arjun, Assistant Professor in the department of Civil Engineering was invited as resource person for training Programme(online) on ‘ICT Skills for Teachers’ in the state of Telangana organised by Commonwealth Educational Media Centre for Asia (CEMCA),New Delhi in association with GMR Varalakshmi Foundation during Jan.18th to 22nd, 2022.

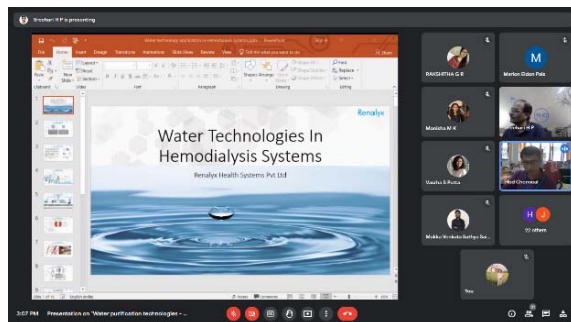

January 19th, 2022

Dr. Rajeshwari Hegde, Professor in the Department of Electronics & Telecommunication Engineering received a

Certificate of Appreciation from IEEE Bangalore Section in recognition and appreciation of valued contributions as IEEE Student Branch Counselor of BMS College of Engineering for the year 2021.

The department of Chemical Engineering organized a talk on “Water Technologies in Hemodialysis Systems” by Dr. Shyam Vasu Rao, and Dr.H.P.Sreehari of Renalyx Health Systems Pvt. Ltd., for the benefit of 7th semester students and faculty of the department.

January 20th, 2022

Dr. Sainath K, Assistant Professor, in the department of Chemical Engineering presented a paper titled “Green Synthesis of ZIF-8 Nanoparticles” authored by Dr.Sainath K., Sri.Raghunathan Suganesh & Ms.Aishwarya Shankar at national conference on Materials for Energy and Sustainability, organized by SRMIST, Chennai.

B.M.S. COLLEGE OF ENGINEERING, BENGALURU
Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – JANUARY 2022

Dr. Kalyan Raj, Professor in the department of Chemistry published research paper titled “Thunbergia mysorensis mediated nano silver oxide for enhanced antibacterial, antioxidant, anticancer potential and in vitro hemolysis evaluation” in Journal of Molecular Structure, <https://doi.org/10.1016/j.molstruc.2022.132455>

Dr. R.S. Geetha, Professor in the department of Electrical & Electronics Engineering delivered a technical talk on ‘VSC based transmission systems: Overview and research opportunities’, during FDP on “AI applications to Power systems’ at SIT, Tumakuru.

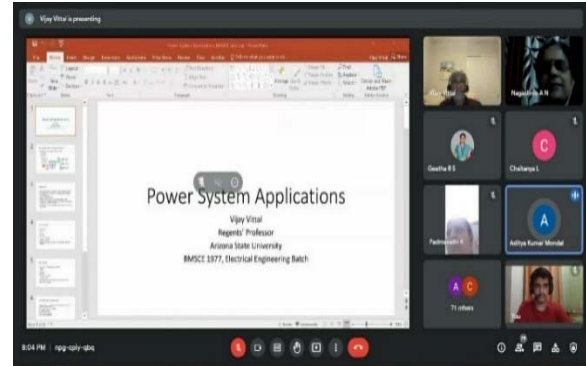

January 21st, 2022

Dr. Prema V., Associate Professor in the Dept. of Electrical & Electronics Engineering delivered a technical talk on “Applications of Machine Learning in Solar PV systems”, at Siddaganga Institute of Technology, Tumakuru during FDP on “AI applications to Power systems’

January 22nd, 2022

Department of Electrical & Electronics Engg along with EEE Association organized a talk

on ‘Power system Applications and Industrial Opportunities’ by Prof.Vijay Vital, Regents Professor, Arizona state university.

Dr. G. N. Rameshaiah, Professor in the department of Chemical Engineering attended Turnip Innovation Festival 2022 (approx. 8 hour sessions) conducted by Turnip Innovations.

Dr Savithri Bhat, Professor in the department of Biotechnology delivered a talk titled "Plagiarism: An ethical component of Scientific Publications" in Short Term Course on "The Art and Science of Scientific communication" organised by Radiant Research and mLAC .

Dr. Bandaru Mallikarjuna, Assistant Professor in the Department of Mathematics delivered a lecture on " DIFFERENTIAL EQUATIONS APPROACH IN MATHEMATICAL MODELING" in the

B.M.S. COLLEGE OF ENGINEERING, BENGALURU
Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – JANUARY 2022

National Webinar organized by the Department of Mathematics, SJCT, Chikballapur.

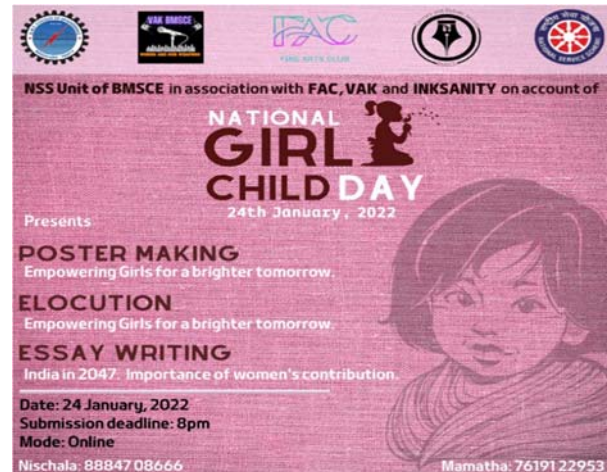

January 23rd, 2022

Dr. Sainath K, Assistant Professor in the department of Chemical Engineering, has been bestowed *Best Poster Presentation Award*, for the poster presentation titled “Synthesis of Zeolitic Imidazolate Frameworks-67 Nanoparticles” (authored by Dr.Sainath K., Ms.Smruti Venkatesh & Ms.Sakina Lokhandwala) at 74th Annual Session of Indian Institute of Chemical Engineers (CHEMCON 2021), organized at CSIR-Institute of Minerals & Materials Technology, Bhubaneswar, Odisha, India.

January 24th, 2022

On the occasion of the National Girl Child Day, the college NSS Unit in collaboration with Fine Arts Club, VAK and Inksanity

conducted a series of online competitions like Poster Making, Elocution and Essay Writing.

On this occasion, the NSS Unit of the college also organised an interactive talk (online) on the topic “Stereotypes and answers to it” by Mandara Battalahalli, an alumna of BMSCE.

January 25th, 2022

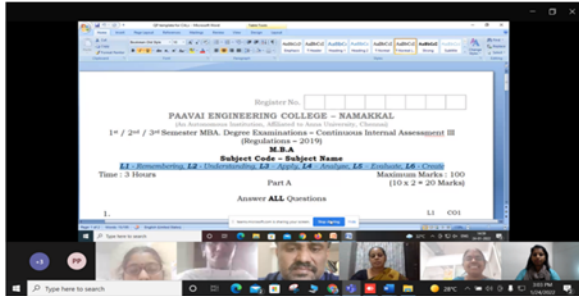

Dr. Kavitha Sooda, Associate Professor in the Department of Computer Science was

B.M.S. COLLEGE OF ENGINEERING, BENGALURU
Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – JANUARY 2022

invited as resource person for UKIERI Leadership & Management workshop organized by Sona College of Technology, Tamil Nadu

Dr.Shambhavi, Associate Professor and Dr.Jayarekha, Professor of Dept. of ISE were awarded Certificate of Excellence by Samsung Research Institute Bangalore for the research project titled ‘Named Entity Popularity Determination (NEPD)’. The student team included Mr.Vikram K, Mr.Amogh Hegde, Mr.Shrikara Varna and Mr.Govind Satwani.

Dr.Shambhavi, Associate Professor of ISE along with the student team consisting of Mr.Pradeep Bhat, Mr.Aditya VSM and Mr.Shrikara Varna were awarded Certificate of Excellence by Samsung Research Institute Bangalore for the research project titled ‘AL ML Translate Helper’.

Dr. Venkatesh T. Lamani, Assistant Professor in the Department of Mechanical

Engineering delivered an invited talk on ‘Introduction to Computational Fluid Dynamics (CFD): Fun through learn’ in Six-days Online FDP on Finite Element Methods & Analysis(AICTE-ISTE sponsored Induction/ Refresher Programme) organized by Department of Mechanical Engineering, Adi Chunchanagiri University-BGS Institute of Technology.

The Physics department Astronomy club known as Alternate universe BMSCE hosted 'Aphelion', an introductory online event. The event was designed to assess the participants’ knowledge of space and how well they can present their views on space-related theories. 150 Students attended the event.

January 26th, 2022

The department of Physical Education & Sports Sciences and NSS unit of the college facilitated the conduction of 73rd Republic Day at the college premises. The college

B.M.S. COLLEGE OF ENGINEERING, BENGALURU
Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – JANUARY 2022

wore a festive look. Sri.Aviram Sharma, Trustee, BMSET, Chairman BMSCL & BMSCCM was the Chief Guest for the function. The winners of inter sports competition for staff of BMSCE were felicitated. The students from NSS, NCC & Cultural unit presented various programs.

On the occasion of 73rd Republic Day, our NSS volunteer, Mr. Sahaj C. Shetty participated in the State Republic Day Parade conducted at RVCE, B'lore, which was followed by a meeting with the Hon'ble Governor of Karnataka, Shri Thawar Chand Gehlot at Rajbhavan.

Dr. Abhishek Appaji, Associate Professor in the Department of Medical Electronics Engineering was invited as speaker at IEEE

B.M.S. COLLEGE OF ENGINEERING, BENGALURU
Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – JANUARY 2022

SPS Forum on Biomedical Signal and Image Processing.

January 27th, 2022

Sri.R.V.Raghavendra Rao, Assistant Professor in the department of MCA presented a paper titled ‘Predictive Modelling for Risk Identification in Share Market Trading – A Multiphase Approach’ (paper authored by Sri.R.V.Raghavendra Rao, Dr. Ch Ram Mohan Reddy, Professor, MCA & MCA students, Ms. Sharmila T and Ms.H.M.Ankitha) in the third International Conference on Mobile Computing and Sustainable Informatics (ICMCSI 2022) held at Nepal.

Dr. A.Usha, Professor in the Dept. of Electrical & Electronics Engineering along with Ms.Vinutha, M.Tech student published a paper on “Design and Development of Smart Charger for Automotive Application” in Springer.

<https://link.springer.com/book/9789811667244>.

January 28th, 2022

Dr. Abhishek Appaji, Associate Professor in the Department of Medical Electronics received funding of Rs. 60 Lakhs for R&D project in Medical Technology from Turtle Shell Technologies Private Limited, Bengaluru

Dr. Supriya published an article, titled "A Palladium Complex Dispersed in Ionic Liquid as an Efficient Catalytic Combination for the Synthesis of Benzazoles" in Topics in Catalysis journal. Page 1-11; <https://doi.org/10.1007/s11244-021-01554-6>. Impact factor 2.910.

Dr.D.N.Sujatha, Professor in the department of Computer Applications was invited to give a talk on “IEEE Benefits & Opportunities" at IEEE SJBIT Student Branch.

January 29th, 2022

NSS Orientation (online) was conducted in which the students were apprised about the various activities initiated under NSS unit of the college

B.M.S. COLLEGE OF ENGINEERING, BENGALURU
Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – JANUARY 2022

January 31st, 2022

Dr. Manjunath R, Asst. Professor in the department of Civil Engineering has been nominated as one of the members for the Programme Advisory Committee (PAC) by the Department of Civil Engg., Government Women's Polytechnic, Bengaluru.

Dr. Maligi Anantha Sunil and Smt. Bhavana H T, Assistant Professors in the Department of Electronics and Communication Engineering published a research article titled "Roadmap of Effect of Biowaste-Synthesized Carbon Nanomaterials on Carbon Nano-Reinforced Composites" in Catalysts 2021 (WoS Q2 Journal), Volume 11, Issue 12, 1485.

Annual General Body meeting of IEEE Computer Society was conducted in the college. Dr. N. Sandeep Varma, Assistant Professor in the department of Information Sc., & Engg and Branch Advisor, IEEE Computer Society presented the activities carried out during the year 2021 and Road Map of activities for the year 2022-23. The IEEE nominated a new student team & Ms. Supriya, student from the Dept. of Biotechnology of the college was nominated as its chairperson.
