

## B.M.S. COLLEGE OF ENGINEERING, BENGALURU

Autonomous Institute, Affiliated to VTU

### REPORT ON COLLEGE ACTIVITIES – JANUARY 2025

January 2<sup>nd</sup>, 2025

- ✚ Memorandum of Understanding (MOU) to establish a collaborative partnership between BMSCE and CMTI organization for Placements, industry connect interactions, projects and internships was signed. Sri.Aviram Sharma, Trustee, BMSET, Dr.Bheemsha, Principal, Er. S G Ashok Kumar, Founder & CEO, Construction Management Training Institute (CMTI), Dr. Sureka Naagesh, HOD-Civil Engineering, Dr.K.Asha, Assistant Professor, Civil Engineering graced the occasion.

- ✚ The Placement Club of the department of Computer Applications organized a 'Group Discussion' for first semester students in the department. The discussion covered a range of topics, viz., Social Media: Boon or Bane, Academics vs. Co-Curricular Activities, the influence of technology on jobs, the relationship

between mental health and creativity etc.

January 3<sup>rd</sup>, 2025

- ✚ Dr.Murugendrappa M.V., Associate Professor, Department of Physics co-authored and published a research paper titled, 'Exploring the charge transport mechanism, electrical conductivity and dielectric properties of polyaniline/tin sulfide nanocomposites' in the International Q1 Journal, 'Polymer composites' published on January 3<sup>rd</sup> 2025 with impact factor 4.8.  
Online ISSN: 0272-83979412  
<https://doi.org/10.1002/pc.29478>

## B.M.S. COLLEGE OF ENGINEERING, BENGALURU

Autonomous Institute, Affiliated to VTU

### REPORT ON COLLEGE ACTIVITIES – JANUARY 2025

January 4<sup>th</sup>, 2025

Department of Electronics and Instrumentation Engineering organised PROCTOR-PARENT meeting. The parents interacted with the proctors and faculty members regarding academic progress of their children and also discussed about Internship opportunities and strategies that could help the students to pursue their academic goals.

January 5<sup>th</sup>, 2025

5G Use Case lab, Department of Electronics and Instrumentation Engineering organized Sanchar Mitra Club's Awareness drive at Shree Dodda Ganapathi Temple, Bull temple road from 10 am to 12.30pm to educate the community about critical telecom issues. The primary focus was on addressing topics such as avoiding online scams, understanding telecom policies and promoting secured communication practices. The bustling atmosphere around the temple provided the perfect setting to reach out to locals and visitors alike, creating a dynamic platform for

meaningful interactions. During the event, they interacted with around 70 individuals and their families, answering queries and sharing tips to enhance their digital safety.

January 6<sup>th</sup>, 2025

Department of Biotechnology organised a lecture titled, 'Altering stem cell states for Cellular Engineering' by Dr. Mohan Malleshaiah, Associate Research Professor, Systems Biology, Faculty of Medicine, University of Montreal, Canada, with an aim of enlightening the students in the department about the current trends in Cellular engineering and allied domain.

## B.M.S. COLLEGE OF ENGINEERING, BENGALURU

Autonomous Institute, Affiliated to VTU

### REPORT ON COLLEGE ACTIVITIES – JANUARY 2025

✚ Dr. Sangamesh C Godi, Assistant Professor, Department of Mechanical Engineering attended International Workshop on 'Multiphase flows and Applications to Heat Transfer' organised at Indian Institute of Technology-Madras, Chennai during January 6<sup>th</sup> -7<sup>th</sup>, 2025.

January 7<sup>th</sup>, 2025

✚ Dr.Kalyan Raj, Professor of Chemistry delivered a talk on 'Role of Science in Technology: past, present and future' at K.S.Institute of Technology, Bengaluru.

✚ Dr. D. N. Sujatha, Professor in the Department of Computer Applications attended a meeting with Ms.Jyothika Athavale, IEEE CS President (2024) convened at Leela Palace, Bengaluru.

January 8<sup>th</sup>, 2025

✚ Dr. B Kanmani, Professor and Smt.Anushalalitha, Assistant Professor, Department of Electronics &

Telecommunication received the plaque from IUCEE recognizing B.M.S. College of Engineering as one of the consortium members during the 12<sup>th</sup> International Conference on Transformations in Engineering Education (ICTIEE 2025) organised at VNR Vignana Jyothi Institute of Engineering & Technology, Hyderabad, Telangana and the same was handed over to the Principal.

✚ Dr. Vandana M., Assistant Professor, Department of Physics co-authored and published a research paper titled, 'Porosity Tunable Metal-Organic Framework (MOF)-Based Composites for Energy Storage Applications: Recent Progress' in Journal of Polymers, Q1 journal with impact factor 4.9, Vol. 17, Page NO: 130, ISSN: 2073-4360.

DOI: <https://doi.org/10.3390/polym17020130>

✚ Dr.D. N. Sujatha, Professor in the Department of Computer Applications attended the WiE Track, as one of the WiE Co-Chairs at COMSNETS 2025,

## B.M.S. COLLEGE OF ENGINEERING, BENGALURU

Autonomous Institute, Affiliated to VTU

### REPORT ON COLLEGE ACTIVITIES – JANUARY 2025

held at Chancery Pavilion, Bengaluru.

January 9<sup>th</sup>, 2025

- Department of Civil Engineering organised a Guest Lecture on the topic, 'Environmental and Geospatial Aspects of Landfill Reclamation: A case study of an Old Municipal Solid Waste Landfill in India' by Dr. Naveen P, Professor, National Institute of Technical Teachers Training & Research, Kolkata for the benefit of Post-Graduate students in the department.

- The Placement Club of the department of Computer Applications organized a Panel Discussion for first semester students in the department, where the students were divided into groups of five; each group was assigned a theme which covered topics such as Artificial Intelligence and related technologies, social media and teamwork. Further, session aimed at refining their self-presentation, time management and interview skill through a series of interactive activities.

January 10<sup>th</sup>, 2025

- Dr. B Kanmani, Professor, Department of Electronics & Telecommunication Engineering was recognized as an IGIP

## B.M.S. COLLEGE OF ENGINEERING, BENGALURU

Autonomous Institute, Affiliated to VTU

### REPORT ON COLLEGE ACTIVITIES – JANUARY 2025

International Engineering Educator during the 12<sup>th</sup> International Conference on Transformations in Engineering Education (ICTIEE 2025) held at VNR Vignana Jyothi Institute of Engineering & Technology, Hyderabad, Telangana for successfully completing six months IUCEE International Engineering Educator Certification Program (IIEECP) during Fall 2023.

Dr. Prathima B., Assistant Professor, department of Civil Engineering attended one day workshop on 'Issues and Challenges in implementation of Extended Producer Responsibility (EPR) for Sustainable Waste Management' organised at Indian Institute of Science, Bengaluru.

Dr. B Kanmani, Professor, Department of Electronics & Telecommunication Engineering conducted workshop for faculty members on 'Implementation of Outcome Based Education', during the 12<sup>th</sup> International Conference on Transformations in Engineering Education (ICTIEE 2025) organised at VNR Vignana Jyothi Institute of Engineering & Technology, Hyderabad, Telangana.

January 11<sup>th</sup>, 2025

Dr. Rajeshwari Hegde, Professor, Department of ETE and Dean (Student Affairs) co-authored a paper titled, 'Architecture and Collaborative creativity: Integrating Emotional Intelligence and Meditation Practice', which was published in Lucknow Architecture Associate festival Magazine.

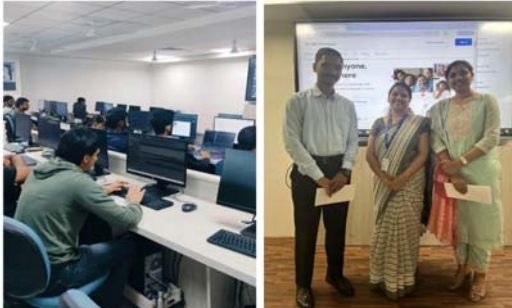

## B.M.S. COLLEGE OF ENGINEERING, BENGALURU

Autonomous Institute, Affiliated to VTU

### REPORT ON COLLEGE ACTIVITIES – JANUARY 2025

✚ The Department of Machine Learning (AI & ML) organised a workshop on 'AI for Cybersecurity: Credit Card Fraud Detection' by Ms.Shubhashree P., Speaker, Distinguished Observer for the seventh semester students in the department as a part of activity-based learning. The event was coordinated by Smt. Lavanya B. Koppal, Assistant Professor in the department.

DU, Deralakatte, Mangalore during Jan.11<sup>th</sup> - 12<sup>th</sup>,2025 and presented their innovative business startup idea and also won prize in the hackathon.

- Ms.Varshini B. R., Mymuna and Ms.Sameeksha Hanshika presented their idea of establishing a color therapy business.
- Ms.Vandana B. Gowda, Ms.Chithrashree N., Mr.Nishanth B., Ms.Motamari Venkata Gangadhara Lakshmi, Ms.Anthony Pavithra, Ms.Arpitha and Ms.Shama N. Rao presented their idea of a mood-adaptive smart home system that enhances comfort, wellness and productivity through emotion-sensitive technology.

January 12<sup>th</sup>, 2025

✚ The following students in the department of Computer Applications of the college participated in the National Youth Conference 2025, centered around the theme, 'Youth For Tomorrow: Driving Change Through Entrepreneurship', organised at NITTE

## B.M.S. COLLEGE OF ENGINEERING, BENGALURU

Autonomous Institute, Affiliated to VTU

### REPORT ON COLLEGE ACTIVITIES – JANUARY 2025

January 13<sup>th</sup>, 2025

- Department of Physics organized a lecture on the topic, 'The Power of Positive thinking and its role in shaping the personality of Modern youth' by Srimat Swami Nityastanandaji Maharaj, President, Ramakrishna Math, Basavanagudi, Bengaluru on the occasion of National Youth Day.

- Dr. Prema V., Associate Professor, EEE delivered a technical session on 'Advancements in Power Electronics with Wide Band Gap Devices' during a two-week Faculty Development Program

organised at New Horizon College of Engineering, Bengaluru.

- The Department of Mathematics arranged for the distribution of Dr.PGV Award to the student toppers in each department who secured highest marks in Semester End Examinations in Mathematics & allied courses of II Semester BE program during the academic year 2023-24.

January 14<sup>th</sup>, 2025

- Dr. Vandana M., Assistant Professor, Department of Physics published a research paper titled, 'Acid functionalized *Arachis hypogaea* skin based carbon nanosphere as efficacious material for enhanced energy storage' in Journal of Energy Storage, Q1 journal with impact factor 8.9, Vol. 111, Page NO: 115373, ISSN: 2352-1538 DOI: <https://doi.org/10.1016/j.est.2025.115373>

January 15<sup>th</sup>, 2025

- Dr.Ramya R., Assistant Professor in the department of chemistry co-authored and published a paper titled, 'The effectiveness of TRIS and Ammonium Buffers in Glass Dissolution Studies: A Comparative Analysis' in Q1 Journal with the impact factor for npj Materials Degradation 6.6.

## B.M.S. COLLEGE OF ENGINEERING, BENGALURU

Autonomous Institute, Affiliated to VTU

### REPORT ON COLLEGE ACTIVITIES – JANUARY 2025

Dr. Asha K., Assistant Professor in the department of Civil Engineering attended the meeting of Board of Studies (BOS) convened at RR institute of Technology, Bengaluru as a member nominated by VTU.

All India Council for Technical Education(AICTE) selected B.M.S. College of Engineering as one of the host institutions for conduction of the prestigious event, *UDYAMOTSAV 2025* on the occasion of National Startup day. The event showcased innovative start-ups presenting cutting-edge ideas and solutions to address real world challenges.

January 16<sup>th</sup>, 2025

The Placement Club of the department of Computer Applications conducted a mock HR interview for first semester students in the department aiming at familiarizing them with HR interviews and providing advice on how to answer effectively to create a positive impression.

## B.M.S. COLLEGE OF ENGINEERING, BENGALURU

Autonomous Institute, Affiliated to VTU

### REPORT ON COLLEGE ACTIVITIES – JANUARY 2025

✚ The Placement Club of the department of Computer Applications organized activities focused towards enhancement of coding knowledge and general aptitude among the students. During the session, the students who participated in 'Ideathon' competition shared their experiences and ideas, which served as an inspiration to others. Further, a session was conducted featuring a curated set of questions focusing on general aptitude, simple algebraic problems, HTML and Python.

✚ Dr. Nethravathi S., Assistant Professor in the department of EEE chaired a session in the IEEE International Conference on

'Intelligent and Innovative Techniques on Computing, Electrical and Electronics' organised at BNM Institute of Technology, Bengaluru.

January 17<sup>th</sup>, 2025

✚ Dr. Gururaja H S, Assistant Professor in the department of Computer Science & Business Systems was invited as resource person for three day workshop on OBE and TLP at KSRM College of Engineering, Kadapa, AP during Jan.17-18, 2025.

✚ Department of Electrical & Electronics Engineering signed Memorandum of Understanding with Reliamotive labs to set up the training centre, CHARGE

### REPORT ON COLLEGE ACTIVITIES – JANUARY 2025

(Centre for Holistic Advancements in Renewable Grid and Electrification).

Workshop on 'OBE and Innovations in Teaching-Learning Methodologies' organised at KSRM College of Engineering, Kadapa, Andhra Pradesh during Jan.17-18,2025. He delivered lectures on 'Use of LMS tools & Technology in the classroom' and 'Modern teaching techniques' and conducted hands-on sessions.

- Department of Medical Electronics Engineering organized a visit to Brain Museum, NIMHANS, Bengaluru for the benefit of under-graduate students in the department.

- Dr. A. Satya Nandini, Professor in the department of Management Studies & Research Centre attended the video recording session at the VTU Centre for Distance and Online Education Studio, Mysore as the resource person for the Financial Services & Securities Market Course during January 17<sup>th</sup> - 18<sup>th</sup>, 2025.

- Sri.Narendra Babu N., Assistant Professor, Department of Mechanical Engineering defended Ph.D. thesis on the topic, 'Experimental and Numerical studies of Multiturn Multiplane Pulsating Heat Pipe' at department of Mechanical Engineering, Indian Institute of Science, Bengaluru.

- Sri. Devaraj K., Assistant Professor, Department of Mechanical Engineering was invited as resource person for a

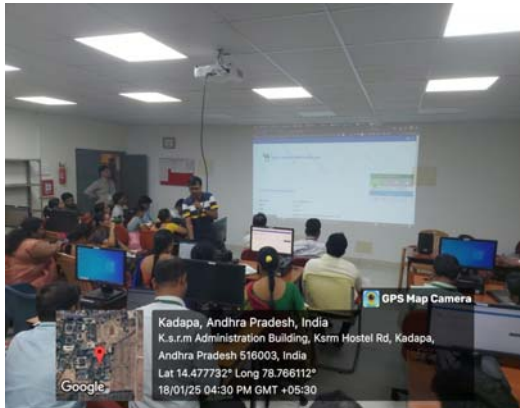

## B.M.S. COLLEGE OF ENGINEERING, BENGALURU

Autonomous Institute, Affiliated to VTU

### REPORT ON COLLEGE ACTIVITIES – JANUARY 2025

January 18<sup>th</sup>, 2025

- Dr. Sainath K., Assistant Professor in Department of Chemical Engineering served as a resource person for three day Faculty Development Program on OBE and Teaching & Learning Practices held during January 17<sup>th</sup> to 18<sup>th</sup> 2025, at KSRMCE, Kadapa, AP.

- Sri.Ramachandra Ballary, Research scholar working under the guidance of Dr.Rajeshwari Hegde, Professor, Department of Electronics and Telecommunication Engineering published a paper titled, 'An Advanced Energy Efficient Resource Allocation for Software-Defined WSN Using Hybrid Optimization Algorithm' in the International Journal of Communication Systems, Wiley Publications (WoS, Scopus Q3 journal).

- The Cultural Club of the department of Computer Applications organized an

interactive session for first semester students in the department, designed to promote fun, creativity and teamwork through pop-culture-based games such as Guess the Song (Starting Lyrics), Dumb Charades (Guess the Movie), The Ish Game (Shadow Boxing Finger Pointing) and shirt-buttoning challenge etc.

## B.M.S. COLLEGE OF ENGINEERING, BENGALURU

Autonomous Institute, Affiliated to VTU

### REPORT ON COLLEGE ACTIVITIES – JANUARY 2025

✚ The Department of Computer Applications organized release of the magazine, STRIDE-2024. The magazine was launched as a soft release (e-copy) and is now available on the college website. Department alumni also contributed in shaping the magazine.

✚ Dr.D. N. Sujatha, Professor in the Department of Computer Applications participated in the IEEE Computer Society AGM held at PESU, Bengaluru.

✚ The college cricket team & Badminton team consisting of faculty & Staff members participated in the 7<sup>th</sup> International Staff Tournament 2025, organized by PES University during Jan. 18<sup>th</sup> – 21<sup>st</sup>, 2025.

January 20<sup>th</sup>, 2025

✚ Dr. B Kanmani, Professor in the department of Electronics & Telecommunication Engineering was invited to handle the first day of the FDP for Faculty on, 'Understanding OBE and Curriculum Design through Problem Based Learning: Integra - 2025', organized by St. Joseph Engineering College, Mangaluru.

✚ The Department of Mechanical Engineering organized one week Faculty Development Program on 'Recent Trends in Composite Product Development', sponsored by La Foundation Dassault Systèmes and ISAMPE-Bangalore Chapter during January 20<sup>th</sup> – 24<sup>th</sup>, 2025. Eminent scientists and professional engineers

### REPORT ON COLLEGE ACTIVITIES – JANUARY 2025

from CSIR-NAL, ISRO, Dassault Systèmes, Indian Institute of Science, Composites Design Centre, Composites Technology Park, etc., were the resource persons. As part of FDP, an Industrial visit was arranged to Advanced Composite Division and Structural Integrity Division of National Aerospace Laboratories, Bengaluru on 23<sup>rd</sup> Jan.2025. Thirty members comprising of professionals, faculty members and Post-Graduate students in the department participated in the program. Dr. Anil Chandra A.R and Dr.Sangamesh C. Godi, Assistant Professors in the department coordinated the program.

January 21<sup>st</sup>, 2025

Academic Council Meeting was conducted and the members discussed about the various academic matters.

## B.M.S. COLLEGE OF ENGINEERING, BENGALURU

Autonomous Institute, Affiliated to VTU

### REPORT ON COLLEGE ACTIVITIES – JANUARY 2025

✚ Dr.Kalyan Raj, Professor of Chemistry, presented his research paper titled, 'Electrodeposition and Characterization of Fe-Ni thin films for functional Applications' in DAE-BRNS conference on Electrochemistry in Industry, Health & Environment (EIHE)-2025 organised at BARC, Mumbai during January 21<sup>st</sup> - 25<sup>th</sup>, 2025.

January 22<sup>nd</sup>, 2025

✚ Faculty Development Program on 'Outcome Based Education' was organized by the college. Experts in the domain handled the sessions.

✚ Faculty Development Program on 'Best Practices in Teaching' was organized by the college. Experts in the domain handled the sessions.

✚ Dr. Sanjay Kumar, Assistant Professor in the department of Chemical Engineering participated & completed successfully AICTE Training and Learning (ATAL) Academy Online Elementary FDP on 'AI-driven Innovations: Transforming Core Engineering Disciplines' organized by Sri Sivasubramaniya Nadar College of Engineering during Jan. 20<sup>th</sup> - 25<sup>th</sup>, 2025.

January 23<sup>rd</sup>, 2025

✚ Dr. Y K Suneetha, Professor in the Department of Chemical Engineering of the college participated in international machine tool and manufacturing technology exhibition, IMTEX 2025 and exhibited synthesized precision making media as one of the successful academia

### REPORT ON COLLEGE ACTIVITIES – JANUARY 2025

collaborator with CMTI organised during January 23<sup>rd</sup> -29<sup>th</sup>, 2025.

✚ Dr.Mohan Reddy, Assistant Professor in the department of Chemistry co-authored and published a research paper titled, 'Nonlinear Optical Susceptibility ( $\chi(3)$ ) and Limiting Properties of Ni Co-doped Al: CdO Nanostructures for Optoelectronic Applications' in Journal of Electronic Materials – Springer.  
<https://doi.org/10.1007/s11664-024-11730-5>

✚ Dr.K.Parthan, Assistant Professor in the department of Civil Engineering delivered a lecture on the topic, 'Trip Assignments Techniques for Urban Transportation Planning' for seventh semester students at RVCE, Bengaluru.

✚ Dr.Mangala Keshava, Associate Professor, Dr. Varsha B N, Assistant Professor, Mrs. Chaithra E, Research Scholar and Ms. Amrutha T A, Post-Graduate student in the department of

Civil Engineering co-authored a paper titled, 'Studies on Copper Slag as a sustainable alternative to fine aggregates in mortar mixes'.

The said paper was presented by Ms.Amrutha T A., in the three day International Conference on Innovation in sustainable and digital construction practices - 2025 (ISDCP-2025) organised at DSCE, Bengaluru.

✚ Dr.K.Asha, Assistant Professor in the Department of Civil Engineering chaired a session at International Conference on Innovation in Sustainable and Digital Construction Practices (ISDCP-2025) organised by Department of Civil Engineering, DSCE, Bengaluru.

January 24<sup>th</sup>, 2025

✚ Dr. Darshan C Sekhar, Assistant Professor in the department of Civil

### REPORT ON COLLEGE ACTIVITIES – JANUARY 2025

Engineering was invited as a resource person for training programme in Foundation Engineering organised at L&T C-TEA (Corporate Technology & Engineering Academy), Mysore during Jan.24-25, 2025.

#### January 25<sup>th</sup>, 2025

- Dr.Rajeshwari Hegde, Professor, Department of Electronics and Telecommunication Engineering organized a meeting with Dr.Rajalakshmi Bortharkur, Founder and CEO, Terrablue to discuss about the launch of Mental Wellness App, 'Here for.me'.

#### January 26<sup>th</sup>, 2025

- The Republic Day celebration was organised at BMS Campus and Lt.Gen Channira Bansi Ponnappa (Retd.) PVSM, AVSM, VSM, Ex-Adjutant General of the Indian Army was the Chief Guest for the function. Sri.Aviram Sharma, Trustee, BMSET presided over the function. The Principals, faculty, staff and students of

BMSCE, BMSCA & BMSCL, Trust Officials graced the function. The flag hoisting was followed by parade by NCC cadets & cultural performances by the students.

#### January 27<sup>th</sup>, 2025

- Department of Computer Science & Engineering in collaboration with Prajapita Brahma Kumaris Ishwariya Vishwa Vidyalaya, Bengaluru organised one week online Faculty Development Programme, 'An initiation to Meditation' during Jan.27-31,2025.
- Dr.Sagar K.S., Assistant Professor in the department of Chemistry co-authored and published a research paper titled, 'Biological evaluation of novel 5-((1H-indol-3-yl) methyl)-2-(4-chlorobenzyl)-6-phenyl-imidazo[2,1-b][13,4]thiadiazole derivatives as novel BCL-2 specific inhibitors' in European Journal of Medicinal Chemistry Reports Volume, Year and Pg. No.: 13 (2025) 100247

## B.M.S. COLLEGE OF ENGINEERING, BENGALURU

Autonomous Institute, Affiliated to VTU

### REPORT ON COLLEGE ACTIVITIES – JANUARY 2025

✚ Dr. Abhishek Appaji, Associate Professor in the department of Medical Electronics Engineering published an article titled, 'Accelerated and precise skin cancer detection through an enhanced machine learning pipeline for improved diagnostic accuracy' in Results in Engineering, Volume 25, 104168, 2025.

✚ Dr. B Kanmani, Professor, Department of Electronics & Telecommunication Engineering conducted second phase of the workshop on 'Outcomes Based Education' for faculty from Engineering Programs organized by Tamil Nadu State Council for Higher Education (TANSCH), at Lady Willingdon College Campus, Kamarajar Salai, Chennai.

✚ Ph.D. viva voce of Research Scholar, Mr. SAGAR Y KAMBLE in the department of Civil Engineering of the college under the guidance of Dr. H S Jagadeesh, Retired Professor was conducted. Topic: 'FLEXURAL FATIGUE ON CEMENT CONCRETE PAVEMENT FOR SINGLE AND MULTILAYER'.

January 28<sup>th</sup>, 2025

✚ Dr. B Kanmani, Professor, department of Electronics & Telecommunication Engineering conducted one day workshop on 'Outcomes Based Education' for faculty from Degree Programs. The workshop was organized at Lady Willingdon College Campus, Kamarajar Salai, Chennai by the Tamil Nadu State Council for Higher Education (TANSCH).

January 29<sup>th</sup>, 2025

✚ Dr. A. Satya Nandini, Professor, Department of Management Studies & Research Centre was invited as resource person to interact with the faculty of PSGIM, Coimbatore on 'Insights to the NBA Accreditation process' during Jan. 29<sup>th</sup>-30<sup>th</sup>, 2025.

## B.M.S. COLLEGE OF ENGINEERING, BENGALURU
