REPORT ON COLLEGE ACTIVITIES – SEPTEMBER 2023

September 1st, 2023

✚ The department of Civil Engineering organised a visit to Yelahanka Tertiary Treatment Plant(TTP) and K & C Valley sewage treatment plant(STP) for second semester M.Tech-Environmental Engineering students. Dr. C R Ramakrishnaiah, Professor and Dr. Manjunath S V, Assistant Professor in the department accompanied the students.

✚ Dr. Kavitha Sooda, Associate Professor, Department of Computer Science &

Engg., was a member of the Publication Chair for the IEEE NMITCON 2023 conference organised at Nitte Meenakshi Institute of Technology, Bengaluru during Sept.1-2, 2023. She also chaired a session during the conference.

✚ Dr. Rajanikanth K N, Associate Professor in the Department of Electronics and Communication Engineering in association with the students, Mr.Sanketh J, Mr. Sree Suryadatta M Vadhoolas, Mr. Vinay Kumar K V and Mr.Vinayak Rao H K presented a paper titled, 'Visual Kinetic SLAM Hardware Acceleration for Navigation' at IEEE 2023 International Conference on Network, Multimedia and Information Technology (NMITCON) organised at Nitte Meenakshi Institute of Technology Bangalore, India.

✚ Dr. Suma M N, Professor and Dr.Rajanikanth K N., Associate Professor in

REPORT ON COLLEGE ACTIVITIES – SEPTEMBER 2023

the Department of Electronics and Communication Engineering published a research paper titled, 'Mitigating the Spread of COVID-19 using Internet of Things: A Holistic Approach' in the book, Contemporary Applications of Data Fusion for Advanced Healthcare Informatics published by IGI Global. DOI: 10.4018/978-1-6684-8913-0.ch009

- Dr. Suresh Ramaswamyreddy, Vice Principal(Aca), Dr. Chandasree Das, Associate Professor, EEE & Dr. Latha Kumari, Associate Professor, Physics presented a proposal for funding for PG College under DST-FIST Program in the meeting of the Subject Expert Committee organised at IIT, Delhi

- Sri. Ajaykumar Devarapalli, Assistant Professor in the department of Electronics & Instrumentation Engg., published a paper titled, "Investigation into facial expression

recognition methods: a review," in Indonesian Journal of Electrical Engineering and Computer Science, vol. 31, no. 3., pp1754-1762

- Department of Electronics and Telecommunication Engineering organized an industrial visit to Robert Bosch and a meeting with industry experts for probable collaboration for curriculum design, expert lectures and MoU. The HOD, ETE, faculty members and students participated in the activity.

- Dr. Rajeshwari Hegde, Professor & Head, Department of Electronics and Telecommunication Engineering chaired a session in the IEEE International Conference on Networks, Multimedia and Information Technology organized at Nitte Meenakshi Institute of Technology, Bengaluru.

REPORT ON COLLEGE ACTIVITIES – SEPTEMBER 2023

✚ Sri.Archishman, alumnus of the Department of Electronics and Telecommunication Engineering under the guidance of Dr.Rajeshwari Hegde, HOD-EET presented two papers titled, “Crop Disease Detection using Deep Neural Network” and “Super Resolution in Medical Imaging” in the IEEE International conference on Networks, Multimedia and Information Technology organised at Nitte Meenakshi Institute of Technology, Bengaluru and received the Best Paper presenter Award for the paper titled, “Crop Disease Detection using Deep Neural Network”.

✚ Dr.G.Giridhara, Professor & Head, Department of Mechanical Engineering attended Board of Studies meeting in Mechanical Engineering at BNM Institute of Technology, Bengaluru, as an External Expert Member.

September 2nd, 2023

✚ Department of Electronics and Communication Engineering in association with BMSCE IEEE Signal Processing society Student Branch organized a lecture series on ‘Intuitive Control of Bionic Limbs’ for the students, faculty members and delegates from various institutions in Bengaluru. Dr. V John Matthews, Professor, School of Electrical Engineering and Computer Science at the Oregon State University was the resource person.

✚ Dr. C. Gururaj, Assistant Professor in the department of Electronics and Telecommunication Engineering chaired a session in the AICTE Sponsored IEEE International Conference on Networks, Multimedia and Information Technology, organized by NMIT, Bengaluru.

REPORT ON COLLEGE ACTIVITIES – SEPTEMBER 2023

✚ Dr. Rajeshwari Hegde, Professor & Head, Department of Electronics and Telecommunication Engineering and Dr. Geetishree Mishra, Assistant Professor, Department of Electronics and Communication Engineering published a paper titled, “Wireless Power Transfer for Smart Agriculture using AI Concepts” in the proceedings of Global Edu-Conclave 2023.

September 6th, 2023

✚ The Dept. of Computer Science & Engineering organized a talk on “Balancing Professional and Personal Life”. The speakers were Sister B.K. Chaya, Dr. Premalatha and Sister Nalini, from Brahma Kumaris Ishwariya Vishwa Vidyalaya, Bengaluru.

✚ Dr. G.S. Ananthnag, Assistant Professor in the Department of Chemistry published

an article titled, “CrownPhos: A Review of Crown Ether Derivatives Decorated with Phosphorus Donors” in “Comments on Inorganic Chemistry” in a web of science indexed Q1 journal with impact factor 5.4 published by Taylor & Francis Group. DOI: 10.1080/02603594.2023.2255528. "

✚ Dr. G. Giridhara, Prof. & Head, Department of Mechanical Engineering presented the following two papers in International Conference on Processing & Fabrication of Advanced Materials - PFAM29 organised at Indian Institute of Technology, Tirupathi.

- Slurry Erosive Wear Behavior of TiO₂-Inconel718 Composite coatings Plasma Sprayed on Mild Steel Substrate authored by Dr. R. Suresh Kumar and Dr. G. Giridhara
- Effect of Plasma sprayed TiO₂-15wt% Inconel 718 composite coatings on salt spray corrosion of on SS304 steel authored by Dr. R Suresh Kumar, Dr. G. Giridhara & Sri. E. Suresh

✚ Dr. Karthik Kumara, Assistant Professor, Department of Physics published a research paper titled, “Regioselective benzylation of imidazo[1,5-a]pyridines and indoles via iodine catalyzed reaction

September 7th, 2023

- Dr. Rajeshwari Hegde, Professor & Head, Department of Electronics and Telecommunication Engineering delivered a talk on “The Power of Thoughts” during the induction program at K S Institute of Technology, Bangalore.

- Dr. K. Asha, Assistant Professor, Department of Civil Engineering delivered a talk on the topic, “Sustainable approach towards utilization of Industrial waste in the construction

sector” at Founding Day Celebration of Indian Concrete Institute (ICI), Bengaluru center organised at DSCE, Bengaluru.

September 8th, 2023

- BMS College of Engineering in association with B.M.S College of Architecture and B.M.S. College of Law organised Teachers Day 2023 at the college to commemorate the Birth anniversary of Dr.Sarvepalli Radhakrishnan. Dr. Vinod Kumar, Director, Promotion Directorate, IN-SPACE, was the Chief Guest for the function Dr. Vinod Kumar addressed the gathering and shared insightful thoughts about teacher’s day. Shri Aviram Sharma, Trustee, BMSET spoke on the importance of teacher’s day and congratulated the faculty & staff members for their achievement during the year. The faculty & staff members who completed 25 years of service in BMS institutions were felicitated.
