

B.M.S. COLLEGE OF ENGINEERING, BENGALURU

Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – SEPTEMBER 2024

September 2nd, 2024

- The 88th meeting of Board of Governors was convened at the college.

September 5th, 2024

- The Department of CSE organized an expert talk on 'Graduate Attributes 4.0 & Proposed changes' by Dr.R.V.Ranganath, former Professor, Department of Civil Engineering of the college for the benefit of faculty members.

September 4th, 2024

- The department of Electronics & Communication Engineering convened stakeholders' meeting, which is an integral part of the curriculum design process. Experts from the industry and academia, alumni and current students participated in the discussion over the draft syllabus & scheme for PG courses.

- The department of Mechanical Engineering organised inauguration of BMSCE-VOLVO Group Centre for Flexible Materials Research at the department. The centre was inaugurated by Mrs. Maria Ebbesson, Vice President & Site Chairman, Volvo

Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – SEPTEMBER 2024

Group Truck Technology, Sri.Kishan Sreenath, Vice President, Powertrain Engineering, Volvo Group Trucks Technology and Sri. Aviram Sharma, Trustee, BMSET. The Principal, Vice Principals, Deans, HODs & faculty members graced the occasion.

Dr.D.N.Sujatha, Professor, Department of Computer Applications served as a General Co-Chair and participated in the inaugural session of 5th IEEE Public Key Infrastructure and its

Applications (PKIA 2024), a high quality conference organised by CDAC, Bangalore under the guidance of Controller of Certifying Authorities supported by IEEE Computer Society, Bangalore Chapter and IEEE IAS Bangalore Chapter.

Placement Club, Department of Computer Applications organised sessions on coding & programming skills, group discussion and mock interview sessions, which covered both technical and HR rounds for second semester MCA students.

B.M.S. COLLEGE OF ENGINEERING, BENGALURU

Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – SEPTEMBER 2024

✚ Dr. Kalyan Raj, Professor of Chemistry was invited as Chief Guest for Teachers day celebration at Sree Siddaganga Educational Institutions, Chandra Layout, Bengaluru.

September 9th, 2024

✚ The Department of Chemical Engineering in association with the Department of Information Science and Engineering organized a workshop titled, 'Essentials of MS Office and Google Apps for Office Staff and Lab Instructors' from September 9th to 13th, 2024. Around 50 staff members participated in the workshop.

✚ Dr. Ravishankar T N, Assistant Professor in the Department of Chemistry co-authored and published a research article titled, 'Impact of Ionic Liquids on the Crystal Growth and Surface Morphology of Ruthenium-Doped TiO₂ Nano Heterojunction Structures for Enhanced Photocatalytic Degradation of Evans Blue Dye and Associated Antibacterial Activities' in the Journal of Nano Biomedicine and Engineering (NBE) published by Tsinghua University Press China, with impact factor 1.549. <https://doi.org/10.26599/NBE.2024.9290093>, Online ISSN: 2097-3837, 9, September, 2024.

✚ Dr. Kalyan Raj, Professor, Dr. K.L. Nagashree and Dr. Madhuri P Rao, Assistant Professors in the Department of Chemistry co-authored and published an article titled, 'CuO/Co₃O₄ heterojunctions for catalytic nitroarenes reduction and oxygen evolution reaction' in the journal Inorganic Chemistry Communications, a Q1 journal Published by Elsevier with impact factor 4.4.

B.M.S. COLLEGE OF ENGINEERING, BENGALURU

Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – SEPTEMBER 2024

Dr. Harish K N, Assistant Professor, Department of Chemistry participated in Professional Development Programme on 'Advanced Pedagogy' conducted by National Institute of Technical Teachers' Training and Research (NITTTR), Chennai, Ministry of Education, Government of India during Sept.9-13, 2024 through online mode.

September 10th, 2024

Dr. C. T. Puttaswamy & Dr. Chetan A Nayak, Professors, Dr. Sreelakshmi Diddi and Dr. Shivakumar R., Associate Professors and Dr. Sainath K & Dr. Hariprasad Uppara, Assistant Professors in the Department of Chemical Engineering visited *HP Green R&D Centre* located in KIADB Industrial Area, Hoskote, Bengaluru to explore the possible collaboration for research and Internship opportunities for our students.

Smt. Rajeshwari Madli and Smt. Prameetha Pai, Assistant Professors, Department of Computer Science & Engineering co-authored and published a paper titled, 'An Improved EEG Signal Feature Selection Paradigm for Migraine Detection' in Journal of internet services and information security (Scopus-Q2 journal) DOI : 10.58346/JISIS.2024.I3.008.

'Singularity', Astronomy club of Department of Physics organised one day visit to ISRO, ISTRAC, IDSN campus. Dr. S O Manjunatha & Dr. Sharanappa R Chapi, Assistant Professors in the department accompanied the students.

Dr. Veena Jawali, Professor, Department of Mathematics co-authored and published a research

B.M.S. COLLEGE OF ENGINEERING, BENGALURU

Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – SEPTEMBER 2024

Article titled, 'The Analytical Study of double diffusive convection in a rectangular enclosure bounded by porous lining with thermal radiation' in the Scientific Reports (2024) 14:17095.

<https://doi.org/10.1038/s41598-024-67998-4>

September 12th, 2024

September 11th, 2024

- Department of Civil Engineering conducted Faculty Colloquium – Cycle-II. Dr. Geetha Kuntoji, Assistant Professor in the department spoke on 'Applications of AI in the Civil Engineering'.

- Dr.Mangala Keshava, Professor, Dr.Guru Prasad Y K, Associate Professor, Dr.K.Asha, Dr. Varsha B N, Dr.Srinivasa Murthy , Dr. Geetha Kuntoji, Dr. Nalina M M, Smt.T. Deepa and Sri.K. Arjun, Assistant Professors in the department of Civil Engineering along with M.Tech (Construction Technology) students attended two day International Conference on 'Smart and Sustainable Construction with Futuristic Technologies' organised by INSTRUCT, Bangalore at Prestige Srihari Khoday Centre, Bengaluru.

- Dr. B Kanmani, Professor, Department of ETE was invited to conduct workshop on 'Blended Teaching and Learning' at BMS Institute of Technology and Management, Yelahanka, Bengaluru for faculty members of BMSIT & M and SKSJTI

- Placement Club, Department of Computer Applications organised mock

B.M.S. COLLEGE OF ENGINEERING, BENGALURU

Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – SEPTEMBER 2024

interview sessions, which covered both technical and HR rounds for second semester MCA students. The technical and behavioral skills of the participants were assessed.

✚ Dr. Shivashankar R. Srivatsa, Assistant Professor, Department of Mechanical Engineering was invited by Mangalore Institute of Technology & Engineering (MITE), Moodabidri, as IQAC External Academician to audit the performance of their academic activities during Sept.13-14, 2024.

September 13th, 2024

✚ Dr. Santosh R. Desai, Professor, Department of Electronics and Instrumentation Engineering delivered a guest lecture on 'Industrial Automation' at K. H. K. Kabbur Institute of Engineering, Dharwad.

September 14th, 2024

✚ Mr. Anirudha Vasishta Sharma, Mr. Bhavye Bhasin, Mr. Rishabh K Rao, and Mr. Mukund N, students of Department of Electronics and Instrumentation Engineering under the guidance of Dr. Veena N. Hegde, Professor in the department presented their innovative final-year project, 'AQUAROVER', at Paryavaran-2024 organised at Ramaiah Institute of Technology, Bengaluru. The team secured second place in the oral

B.M.S. COLLEGE OF ENGINEERING, BENGALURU

Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – SEPTEMBER 2024

presentation category and won cash prize .

September 15th, 2024

- Dr. Rajeshwari Hegde, Professor & Head, Department of ETE presented a poster paper titled, 'Impact of Heartfulness Practice on the Social Wellbeing' in the 18th SIR (Spirituality in Researchers) Conference and Meditation Retreat on the theme, 'Value Based Research for Ecological & Social Harmony' organised at Mount Abu, Rajasthan.

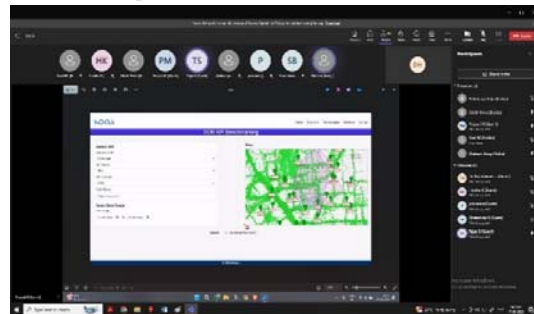

- Dr. Rajeshwari Hegde, Professor & Head, Department of ETE co-authored and presented a paper titled, 'Relevance of Bhagavad Gita and Heartfulness Principles in Achieving Moderation in Action', in the 18th SIR (Spirituality In

Researchers) Conference and Meditation Retreat on the theme, 'Value Based Research for Ecological & Social Harmony', organised at Mount Abu, Rajasthan.

September 17th, 2024

- The Department of Electronics and Telecommunication Engineering organized a meeting with experts from Nokia to update the progress of the students' project.

September 18th, 2024

- 'Singularity', Astronomical club, Department of Physics in collaboration with departments of EEE & Chemistry and few other student groups organised

B.M.S. COLLEGE OF ENGINEERING, BENGALURU

Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – SEPTEMBER 2024

a 'visit of students of Mayasandra Govt. High School to BMSCE Campus' under DST-FIST Project. Around 30 students with 2 teachers of Mayasandra Govt. High School visited the BMSCE Campus. Various activities were conducted for the students of Mayasandra High School, Anekal Taluk in the college.

- ✚ Dr. Manjunatha S, Assistant Professor, Department of Chemistry presented a research paper titled, 'Ag-ZrO₂ Nanocomposite - An Electrocatalyst for Oxygen Evolution Reaction', in 3rd International Conference on Electrochemical Science and Technology (ICONEST-2024) organised at CSIR-NPL, New Delhi during Sept. 18-20, 2024.
- ✚ Dr. Nagashree, Assistant Professor, Department of Chemistry presented a

research paper titled, 'Green Synthesis of CuO/Co₃O₄ Heterojunctions for Electrocatalytic Oxygen Evolution Reaction (OER)', in 3rd International Conference on Electrochemical Science and Technology (ICONEST-2024) organised at CSIR-NPL, New Delhi during Sept. 18-20, 2024.

- ✚ Dr. Madhuri P Rao, Assistant Professor, Department of Chemistry presented a research paper titled, 'Electrochemical Sensing of Nitrobenzene @ NiFe₂O₄/GO Platforms Synthesized by Solvent Deficient Method', in 3rd International Conference on Electrochemical Science and Technology (ICONEST-2024) organised at CSIR-NPL, New Delhi during Sept. 18-20, 2024.
- ✚ Dr. Kalyan Raj, Professor, Department of Chemistry delivered an oral presentation titled, 'Electrodeposition and Characterization of Ni-Cu corrosion resistant and thermal stability coatings for the efficient energy conversion' at 3rd International Conference on Electrochemical Science and Technology (ICONEST-2024) organised at CSIR-NPL, New Delhi during Sept. 18-20, 2024.
- ✚ Dr. Umesha V, Assistant Professor, Department of Mathematics presented paper titled, 'Establishing Quadrature rules for Numerical Integration by contrasting hybrid Functions & Haar

Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – SEPTEMBER 2024

wavelets' in the 2nd international conference on Emerging Trends in Engineering and Applied Sciences 2024 (ICETEA 2024) organised at SJC Institute of Technology, Chikkaballapur during September 18th -19th 2024 .

- Dr.Selva Kumar S., Associate Professor, Department of Computer Science and Engineering delivered an expert talk on 'Effective Implementation of OBE' in the event organized at Nagarjuna College of Engineering and Technology, Bengaluru.

Nagarjuna College of Engineering and Technology, Bengaluru.

September 19th, 2024

- The Department of Electronics and Telecommunication Engineering organized a meeting(online) with Vid. Dr.Mahadevan, Professor, IIMB (Retd), Ms.Priyadarshini G, Project Director, Gitopadesh, Heartfulness Education Trust to discuss about Gita Principles for holistic development.

- A Guest Lecture on 'AI for Environmental and Sustainability Challenges: Insights' by Ms Afreen Aman, Data Manager, EY, Bangalore was organised by the Department of Civil Engineering. Mrs.Prathima, Assistant Professor in the department coordinated the event.

- Dr. B Kanmani, Professor, Department of ETE was invited to conduct two day workshop on, 'Effective Implementation of OBE' for the faculty members of

- Department of Mechanical Engineering organised a presentation on 'How to blend Data Science, Machine Learning, Deep Learning and AI applications for Mechanical Engineers' in the Mechanical

Engineering syllabus by Sri. Marutish, Neuravision Labs Pvt. Ltd., Bengaluru.

- ✚ Dr.H R Prakash, Assistant Professor, Department of Mechanical Engineering attended an event, 'Technology Showcasing and Networking Meet of CSIR-CFTRI Technologies' organised by Unnat Bharat Abhiyan in collaboration with CSIR-NIScPR and CSIR-CFTRI Mysuru at CSIR-CFTRI Mysuru during Sept. 19-20,2024.

September 20th, 2024

- ✚ Dr.S.Malini, Assistant Professor, Department of Chemistry published an Indian patent titled, Sustainable recycling of waste Thermocol into Pyrolytic Fuel with a green catalyst.
- ✚ Ms.G Divyashree, Mr.Pranav Karanth MS and Ms.Seema N Poojary, seventh semester students of the department of Chemical Engineering under the guidance of Mrs.Shabnam Siddiqui, Assistant Professor in the department participated in the National level Inter-

college Hackathon - GreenHack'24 organised at SSN College of Engineering, Tamil Nadu. They were awarded 3rd place with a cash prize.

- ✚ Mr.Kuladeep D and Mr.Guru Sai Pavan, fifth semester students in the department Chemical Engineering under the guidance of Dr. G N Rameshaiah, Professor in the department presented a poster titled, '*Microplastics in aquatic systems: A review of occurrence, monitoring, potential risks, prevention and purification*' at the 20th edition of SCHEMCON - 2024 organised at Rajiv Gandhi Institute of Petroleum Technology (RGIPT), Jais, Uttar Pradesh.

- ✚ Ms.Gunashree B M, Ms.Keerthana Nagesh, Ms.Rakshitha K M and Ms.Reethya Giridhar, seventh semester students in the department of Chemical Engineering under the guidance of Dr.Sanjay Kumar and Dr. Sainath K, Assistant Professors in the department presented a poster titled, "*Simulation of Supercritical CO₂-Brayton Cycle at a Natural Gas Compression Station*" at the

B.M.S. COLLEGE OF ENGINEERING, BENGALURU

Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – SEPTEMBER 2024

20th edition of SCHEMCON - 2024 organised at Rajiv Gandhi Institute of Petroleum Technology (RGPT), Jais, Uttar Pradesh .

- ✚ Mr.Banupriya G N , fifth semester student of the Chemical Engineering Department, under the guidance of Dr.G N Rameshaiah, Professor in the department presented a poster titled, '*Fault Detection and Diagnosis in Batch Reactor Using Artificial Intelligence (ANN) and Algorithm*' at the 20th edition of SCHEMCON - 2024 organised at Rajiv Gandhi Institute of Petroleum Technology (RGPT), Jais, Uttar Pradesh.,

- ✚ Sri.Shrisha M R, Assistant Professor, Department of Electronics and Communication Engineering along with Mr. Sauransh Singh, Mr. Ruchir Kumar Kadwey, Mr. Shrey Srivatsava and Mr. Shikhar Singh, students of ECE department published a book chapter titled, '*Machine Learning based Parkinson's disease Detection using Voice and Handwriting Analysis*' in the

Book, Machine Learning for Real World Applications, Springer publications.

DOI: https://doi.org/10.1007/978-981-97-1900-6_9.

- ✚ Dr.Rajanikanth K N, Associate Professor, Department of Electronics and Communication Engineering conducted one-day workshop on 'Robotics' for the final year students of ECE Department at Government CPC Polytechnic Mysuru. Around 75 students attended the workshop.

- ✚ The Inaugural function of First Year UG Program was organised in the college. Dr.Amith Singhee, Director, IBM Research India, CTO, IBM India and South Asia was the Chief Guest. Sri.Aviram Sharma, Trustee, BMSET presided over the function. The Principal, Vice Principals, Deans, HODs, Faculty, staff,

B.M.S. COLLEGE OF ENGINEERING, BENGALURU

Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – SEPTEMBER 2024

newly admitted students along with their parents attended the function.

September 21st, 2024

Graduation Day for batch of 2024 was organised in the college. Padmabhushan Dr. B. N. Suresh, Hon'ble Chancellor, Indian Institute of Space Science & Technology, Thiruvananthapuram was the chief guest for the programme. Dr.P.Dayananda Pai, Chairman of the college presided over the function.

Department of Electrical & Electronics Engineering in association with IEEE PELS-IES SBC, BMSCE and Reliamotive Labs organized three-days Hands-on workshop on 'Magnetic design, Simulation and Development' during Sept. 20th - 22nd, 2024.

B.M.S. COLLEGE OF ENGINEERING, BENGALURU

Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – SEPTEMBER 2024

✚ Ms.Keerthana Nagesh and Ms.Gunashree B M, seventh semester students in the department of Chemical Engineering under the guidance of Dr.Chetan A. Nayak, Professor, Chemical Engineering and Dr.G S Ananthnag, Assistant Professor, Chemistry presented a paper titled, '*Acetate Ion Sensing by Hydrazones Derived from 2,4-dinitrophenylhydrazine*' at the 20th edition of SCHEMCON - 2024 organized by the Rajiv Gandhi Institute of Petroleum Technology (RGIPT), Jais, Uttar Pradesh during September 21st - 22nd, 2024.

✚ Ms.Rakshitha K M and Ms.Reethya Giridhar, seventh semester students in the department of Chemical Engineering under the guidance of Dr.Sainath K, Assistant Professor in the department presented a paper titled, '*Amine Modified ZIF-8 for Enhanced Chromium Removal from Wastewater*' at the 20th edition of SCHEMCON – 2024, organized by Rajiv Gandhi Institute of Petroleum Technology (RGIPT),Jais,

Uttar Pradesh during September 21st - 22nd, 2024.

✚ Department of Civil Engineering organized a Technical Site visit to Yelahanka Tertiary treatment and K & C Valley Wastewater Treatment for second semester M.Tech (Environmental Engineering) students. Dr.S.V.Manjunath, Assistant Professor in the department accompanied the students.

✚ Dr.D N Sujatha, Professor in the Department of Computer Applications and Executive Director of BITES participated in BITES Annual General

Ashrama, NGOs like Disha Bharat, Youth for Seva, Brahmakumaris enlightened students about Humanity and leading a balanced life. Experts from various Industries were invited to speak about the Current Technology in the industry and New age Learning. Various personality development and team building activities were organised at the department level. Various student clubs, library, sports, laboratories and other facilities available at the college were introduced to the newly joined students.

the Induction Program. The first year students enthusiastically participated in all the programs.

Activities related to service to the community and yoga were also a part of

B.M.S. COLLEGE OF ENGINEERING, BENGALURU

Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – SEPTEMBER 2024

Teachers Day Celebration was organised at the college. Prof.Gopalan Jagadeesh, Professor, Department of Aerospace Engineering, IISc, Bengaluru was the Chief Guest. The employees who completed 25 years of service at BMS institutions and the achievers were felicitated.

Dr. Poornima G, Associate Professor, Department of Electronics and Communication Engineering was invited as a 'Session Coordinator' for one-week FDP and workshop on the topic, 'Contemporary Research Practices: Innovations and Methodologies for Effective Outcomes' jointly organized by AMIEE and CMAOI Association at Guru Nanak Institutions, Telangana during September 23rd-27th, 2024.

Department of Machine Learning(AIML) under the BSN Center of Excellence conducted a 6 days Faculty Development Program on "Generative AI with large Language Models : Practical Insights and Future Directions" during Sept. 23rd to 28th 2024. The program aimed to equip faculty members with an understanding of generative AI technologies, focusing on large language models (LLMs) and to explore their practical applications in education and research. The FDP attracted a total of 60 participants from both industry and academia, emphasizing the collaborative interest in advancing skills in AI technologies.

Dr.Rafiq Mulla, Assistant Professor, Department of Physics co-authored and published a research paper titled, 'Progress in transparent Thermoelectrics' in Smart Materials and Structures (IOP), Volume 33, Page number: 103002, September 23rd, 2024, and WOS & Scopus Indexed, Quartile: Q2, Impact factor: 3.7

- Dr. Rajeshwari Hegde, Professor & Head, Department of ETE was invited to deliver a session for the first year students during induction program organised at KSIT, Bengaluru.

- Dr. S Srinivas, Professor, Department of Mechanical Engineering along with Ms. Prathiksha Salian, Mr. V Dillibabu, Mr. Muhammed Anaz Khan published a research article on 'Optimising abrasive water jet cutting parameters for direct metal laser sintered Inconel 718: a study of cutting efficiency and surface quality' in International Journal on Interactive Design and Manufacturing (IJIDeM) Springer
<https://doi.org/10.1007/s12008-024-02111-7>

- Dr. Prema V, Associate Professor in the Department of Electrical and Electronics Engineering co-authored a paper titled, 'A model for effect of partial shading on PV panels with experimental validation', in the journal Energy Reports, Elsevier (Q2 Journal).

September 25th, 2024

- Dr. Ramya Ravikumar, Assistant Professor, Department of Chemistry attended two-day online workshop on 'Qualitative and Quantitative X-ray Diffraction Data Analysis using Rietveld Refinement' organized by Sathyabama Institute of Science and Technology, Chennai during Sept. 25-26, 2024.

- The department of Civil Engineering organised a talk on 'Overview of Civil Engineering' by Dr. Manmohan Kalgil, Technical Advisor, Ultra Tech Cements, Structural Consultant, Bengaluru for the benefit of the students.

B.M.S. COLLEGE OF ENGINEERING, BENGALURU

Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – SEPTEMBER 2024

The Department of Electronics and Telecommunication Engineering organized an expert talk on 'Building Resilience' by Sri.Sulabh Mishra, Founding Chairman, Ram Chandra Institute of Paramedical & Management Sciences, Noida for the benefit of fifth semester students in the department.

September 26th, 2024

The department of Civil Engineering organised a talk on the topic, 'Government Job opportunities for Civil Engineers' by Er. B Pooja Yashashwini, Assistant Engineer, RDPR, Govt. of Karnataka for the benefit of students in the department.

Dr.H N Suma, Professor & Dean(Innovation) as a Mentor and Dr.Vijayalakshmi.K, Professor from the department of Medical Electronics Engineering were invited to the WITFLUENCE Annual Conference organised at Radisson Blu, Bengaluru. BMSCE Team comprising of Ms.Lakshmi and Ms.Varuni, final year students in the department of Medical Electronics stood at 3rd position among the Best Innovative Technology Model for their project of 'Yoga Pose Corrector at the live model showcase' and were felicitated.

Dr.Rajeshwari Hegde, Professor & Head, Department of ETE was invited to deliver a motivational talk and conduct

B.M.S. COLLEGE OF ENGINEERING, BENGALURU

Autonomous Institute, Affiliated to VTU
