

B.M.S. COLLEGE OF ENGINEERING, BENGALURU
Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – SEPTEMBER 2019

September 1, 2019: Dr.H.B.Nagaraj, Professor, Department of Civil Engineering presented research paper titled “A Review of factors affecting undrained strength of fine grained soils” in the 17th European Conference of soil mechanics and Geotechnical Engineering with the theme: “Geotechnical Engineering, foundation of the future” held at Reyjavik, Iceland from September 1-6, 2019

September 1, 2019: Departments of Computer Science & Engineering and Department of Information Science & Engineering jointly organized 50 programs on Codeathon for the students of 1st semester from September 1-2, 2019

September 3, 2019: Department of Electronics & Instrumentation organized a hands-on, one day workshop on RC Car

September 4, 2019: Dr.H.K.Rangavittal, Sri.K.Devaraj, Sri.Narahari and Smt.Tripti Pachori, Faculty, Department of Mechanical Engineering were invited as resource persons for conducting training programme for students on “MATLAB and its applications” by University Visvesvaraya College of Engineering, Bengaluru from September 4-18, 2019

September 5, 2019: Dr.Venkatesh T Lamani, Faculty, Department of Mechanical Engineering presented research paper titled “State of the art technologies in agriculture and recommendations to improve farmer’s economy through solar tree concept” in National Conference on Biotechnology and Sustainable Agriculture in Doubling of Farmer’s Income by 2022 held at A.K.S. University, Satna from September 5-7, 2019

September 5, 2019: Department of Electrical & Electronics Engineering inaugurated the Dielectrics Lab

B.M.S. COLLEGE OF ENGINEERING, BENGALURU
Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – SEPTEMBER 2019

September 5, 2019: Department of Industrial Engineering & Management organized Extension Lecture on “Job Opportunities for Industrial Engineers”. The lecture was delivered by Mr. Bharath Kumar, VST Tillers & Tractors

September 6, 2019: Department of Computer Science & Engineering in association with </CodeIO> organized Teaching and Hands-On Training Session for development on “Angular and Node.js” for the CSE n& ISE students of 3rd year

September 6, 2019: BMSCE Judo Team participated in the VTU Judo Competition held at SJBIT, Chickballapur from September 6-7, 2019 and were placed as Champions with 4 Gold, 1 Silver and 10 Bronze

September 7, 2019: Department of Electronics & Communication Engineering organized Screening of “The Landing of Chandrayaan II”

September 7, 2019: Department of Computer Science & Engineering in association with </CodeIO> conducted Hands-On Training Session for development on “Introduction to Web Development and Software Testing” for the students of Medical Electronics from September 7-9, 2019

September 7, 2019: Department of Computer Science & Engineering in association with </CodeIO> conducted Teaching and Hands-On Coding Training/Practice Session for “Competitive coding” for the students of 3rd year CSE

B.M.S. COLLEGE OF ENGINEERING, BENGALURU
Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – SEPTEMBER 2019

September 7, 2019: Department of Computer Science & Engineering organized Technical Talk on “Smart Simple and Secure Enterprise 2020” for the students of 3rd semester. The talk was delivered by Mr.N.N.Yash, Technical Marketing Engineer, ARUBA, HPE, Bengaluru

September 7, 2019: Department of Information Science & Engineering under ISE student’s club conducted Coding competition

September 7, 2019: Department of Computer Science & Engineering organized Evaluation of final year Under-Graduate Project work at the Institutional Level for the Award of Three Best Project for the year 2018-2019 from September 7-9, 2019. The project titled “Retinopathy of Prematurity (ROP) training Simulation” carried out by Mr.Akshay Srivatsava, Mr.Dhruv Mehta and Mr.Gauthamand Harshit Rajput under the guidance of Dr.Jyothi S Nayak was selected as one of the best project

September 7, 2019: Dr.Veena Hegde, Dr.K.Narsimha Rao and Smt.S.Kumuda, Faculty, Department of Electronics & Instrumentation Engineering along with final year students were invited to participate in the Faculty Advisors Meet of ISA Bangalore, a professional body activity at Hotel Chancery. More than 8 colleges including NIT, Trichy and VIT, Vellore participated in the meeting

September 7, 2019: Department of Information Science & Engineering organized Ph.D defence in respect of Research Scholar Mr.Balaji Prabhu

September 7, 2019: Department of Medical Electronics in association with the Department of Computer Science & Engineering organized a workshop on “Web development and software testing from September 7-9, 2019. Resource Persons were from CODEIO

B.M.S. COLLEGE OF ENGINEERING, BENGALURU
Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – SEPTEMBER 2019

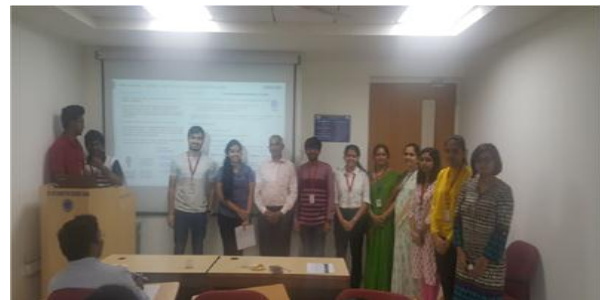

September 7, 2019: Department of Computer Applications organized a special lecture on “Research Methodology and Latex”. The lecture was delivered by Prof.N.Sundararajan, Nanyang Technological University, Singapore. The lecture was live transmitted at FDC through VTU e-Shikshana

September 9, 2019: Department of Information Science & Engineering in collaboration with Samsung Research organized Mid-review of the research projects carried out by Samsung mentors

September 7, 2019: Department of Computer Applications organized Industrial visit to Lekha Wireless Solutions for the student of 3rd semester

September 9, 2019: Department of Electronics & Telecommunication Engineering organized Mid-Evaluation of the SAMSUNG PRISM program project work titled “Age prediction using speech” carried out by the students of 7th semester by the experts from SAMSUNG

September 8, 2019: Sri.Abhishek Appaji, Faculty, Department of Medical Electronics was invited to deliver a lecture on “Data Science and AI” by University Visvesvaraya College of Engineering, Bengaluru

B.M.S. COLLEGE OF ENGINEERING, BENGALURU
Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – SEPTEMBER 2019

September 9, 2019: Department of Medical Electronics, organized one day workshop on “Neuroimaging and Brain Computer interface” for the students of Post-Graduate. Resource persons were Mr.Vittal Koran and Mr.Anantha Padmanabhan from NIMHANS, Bengaluru

September 9, 2019: Dr.Gurumurthy Hegde, Associate Professor & Prof.CNR Rao Chair, B.S.N. Centre for Nanomaterials and Displays was invited to deliver a lecture on “Emerging Areas in Nanomaterials and its Application” by Christ Academy Institute for Advanced Studies (CAIAS)

September 10, 2019: BMSCE Kho Kho team participated and were placed runner-up in the KHOKHO competition against GFGC Vijayanagara, Bengaluru held at Christ college

September 9, 2019: Department of Medical Electronics organized Lecture on “Biosensors for Point-of-care Diagnostics and Personalised Medicine”. The lecture was delivered by Dr.Sridhar Govindarajan, Emerging technologies Research Centre,

September 9, 2019: Department of Mathematics organized Ph.D defence in respect of Research Scholar Mr.B.V.Rangaraju under the guidance of Dr.M.S.Gayathri

September 11, 2019: The College organized Walkathon “Green Commute” for creating awareness in people about the importance of saving greens for better future of the nation

B.M.S. COLLEGE OF ENGINEERING, BENGALURU
Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – SEPTEMBER 2019

September 11, 2019: Dr.B.Ravishankar, Professor, Department of Industrial Engineering & Management was invited as resource person for discussion related to Industrial Engineering issues in the current scenario in IIT Guwahati

September 11, 2019: Sri.Abhishek Appaji, Faculty, Department of Medical Electronics was invited to deliver a talk on “Phoenix 1.0” by K.J.Somaiya Institute of Technology, Mumbai

September 11, 2019: Dr.C.S.Kaliprasad, Faculty, Department of Physics published book on “Radioactivity in Rivers”. The book was published by Lambert Academic Publishing, Mauritius ISBN 978-620-0-27769-5

September 12, 2019: Dr.R.V.Ranganath, Professor, Department of Civil Engineering was nominated as Member, NBA Expert Committee to visit the College at Chennai for evaluation from September 12-14, 2019

September 12, 2019: Dr.L.Ravikumar, Professor, Department of Mechanical Engineering was nominated as Member, NBA Expert Committee for evaluation from September 12-14, 2019

September 12, 2019: Department of Computer Science & Engineering organized Industrial visit to Honeywell, Aerospace, Bengaluru for the students of 3rd year

September 12 2019: Sri.Abhishek Appaji, Faculty, Department of Medical Electronics was awarded with IEEE Region 10 Young Professionals Outstanding Volunteer in Academic Award in recognition for outstanding contributions & services to YP Academic program & to the IEEE Bangalore Section

September 12 2019: Mr.R.Shiva Kumar, Faculty, Department of Chemical Engineering presented research paper titled “A comparative study on porosity development and area distribution in prepared porous biomass char during

B.M.S. COLLEGE OF ENGINEERING, BENGALURU
Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – SEPTEMBER 2019

pyrolysis in an inert gas environment” in the International Conference on Biomass, Fuels & Chemicals held at Annamalai University, Chennai from September 12-13, 2019

September 12, 2019: Department of Physics along with the Astronomy club organized Guest Lecture on “Dark Matter”. The lecture was delivered by Mr.S.Sandeep Kumar, Research scholar, University of Padova.

September 13, 2019: Department of Industrial Engineering & Management organized lecture on “Wellness and Weight Management”. The lecture was delivered by Mr.Suma S Rajashekar, Consultant, Wellness and Weight Management

September 13, 2019: Department of Civil Engineering organized visit to Sumadhura Eden Garden, Whitefield, Bengaluru and Prism Jhonson Limited, Chikkajala for the students of 3rd (A section) semester

September 13, 2019: Dr.G.Giridhara, Professor, Department of Mechanical Engineering was nominated as Member, NBA Expert Committee for evaluation from September 13-14, 2019

B.M.S. COLLEGE OF ENGINEERING, BENGALURU
Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – SEPTEMBER 2019

September 13, 2019: Sri.Abhishek Appaji, Faculty, Department of Medical Electronics was invited to deliver a talk at Inspiro 2.0 by AD Patel Institute of Technology, Gujarat

September 13, 2019: BMSCE Yoga (Women) Team participated in the VTU Yoga (W) Championship – Single Zone held at H.I.T, Nidashoshi from September 13-4, 2019 and were place Runners

September 14, 2019: Department of Information Science & Engineering organized colloquium presentation of the research scholar Mrs.B.Rajeshwari under the guidance of Dr.M.Dakshayini, Professor & Head

September 14, 2019: Sri.Abhishek Appaji, Faculty, Department of Medical Electronics was invited to deliver a talk on “student to entrepreneur” by Dayananda Sagar University, Bengaluru

September 14, 2019: Department of Information Science & Engineering conducted DAB meeting with regard to academic development of the department

B.M.S. COLLEGE OF ENGINEERING, BENGALURU
Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – SEPTEMBER 2019

PHASE SHIFT 2019:

September 14, 2019: Two Day Annual Tech Symposium – Phase Shift 2019 on “Energy and Sustainability” (an inter-collegiate technical event) was organized from September 14-15, 2019 under TEQIP III. This event is a collaborative effort of all the departments of the institution to enhance the level of technical knowledge among the student community, and ultimately strive to bridge the gap between technical corporates and students at the institutional level

Inauguration of Phase Shift 2019 by the Chief Guest Dr.Tejaswini Anantha Kumar, Former Scientist and Social Activist

Phase Shift 2019 activities from various departments:

Department of Civil Engineering:

- The Stall was placed in 3rd position

Department of Mechanical Engineering:

- Organized technical events and workshops

SITUATION 2.0

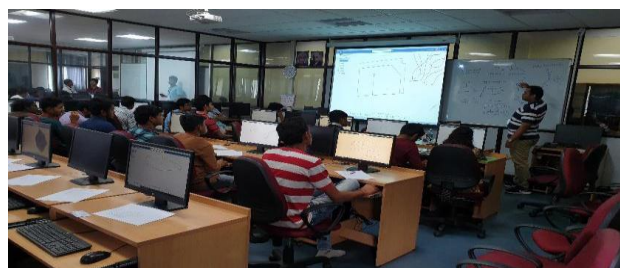

CRUISE 2.0

BUILD IT

Workshop on RFLP (Requirements, Functional, Logical and Physical View)

Workshop on Solar PV and Design Technology from RenXSol Ecotech Pvt. Ltd.

B.M.S. COLLEGE OF ENGINEERING, BENGALURU
Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – SEPTEMBER 2019

- Awarded Runners up for excellent stall and project exhibition

Department of Electrical & Electronics Engineering:

Events:

1. Are you an Arduino Ninja?
2. Plan P
3. PSYCHIC'S SURVIVAL
4. Workshop on design of PV panels
5. Tech Junk
6. EV TECH TALK
7. Make-a-thon
8. A Week To Peak

Department of Electronics & Communication Engineering:

- Conducted five competitive events,
- Organized two workshops,
- Managed to get three companies to set up their stalls

- The department itself set up a stall to display the best projects carried out in the past year, and got sponsorship from nine companies.

1. Fury Road V5
2. AI Challenge
3. Circuit Sculpture: The Battle of Bidding
4. The Decryptor
5. Make-a-mark

Workshop on IoT and its Applications and Solar power harvesting

Department Of Computer Science & Engineering:

- i. Coder's League
- ii. Code In the Dark
- iii. Eco Quest (The Matrix)
- iv. R3verse Coding
- v. Turing's Race
- vi. DataScience Workshop & Its Application in Energy and Sustainability
- vii. UI/UX for Sustainability

B.M.S. COLLEGE OF ENGINEERING, BENGALURU
Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – SEPTEMBER 2019

Department of Electronics & Telecommunication Engg.:

- MEGAMIND
- IEEE TEAMS Student Chapter conducted one day workshop on “Deep Learning for Computer Vision”

- Workshop on “Building energy efficient smart homes using network analysis”

- Secured first place for the project exhibition stall

- Organized workshop on “Raspberry Pi”

- An event electronics circuit content-Digitronics, based on ARUDINO

B.M.S. COLLEGE OF ENGINEERING, BENGALURU
Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – SEPTEMBER 2019

- An event called E waste for sustainability

- An event 'CIRCUIT HUNT'

Department of Electronics & Instrumentation Engineering:

Organized Events like Internet of Things Workshop, Innoview, Sensor Sources And Dashboard, Jam, Smart Rooms With Alexa, Fast & Furious, Dexter in collaboration with different industries

Department of Medical Electronics:

1. Techno talk
2. Workshop on Image processing using Python
3. Farrago's

Department of Biotechnology:

Hand on workshop on testing contaminants in Samples.

Ecoparadise: e-waste aligning with the theme of "Sustainability and Energy"

Workshop on "Sustainability & Energy Solutions" for the corporate world

B.M.S. COLLEGE OF ENGINEERING, BENGALURU
Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – SEPTEMBER 2019

Bio Biz: A sustainability themed start-up ideation competition

Potpourri
Maze Runner
Zero Hour

Department of Computer Applications:

1. Sliders
2. Stress your brain
3. Zeal(Workshop)
4. Dazzle coding
5. Mimic Tarriance
6. Fishing Expedition

Department of Physics:

Department of Physics set up a stall wherein the research highlights and activities of the Department being presented in the form of Posters, presentations and working model

Department of Mathematics:

1. Brain Storm 2.0:
2. Gridlocked:
3. Inphinite Hunt:
4. Math Mania- A Collector's Quest

September 15, 2019: Dr.R.V.Ranganath, Professor, Department of Civil Engineering was nominated as Member, NBA Expert Committee to visit the College at Hubballi for evaluation from September 15-17, 2019

September 15, 2019: Dr.K.R.Sudhindra, Faculty, Department of Electronics & Communication Engineering was invited to deliver a talk on "Standards of mobile communication" by UPES, Dehradun

B.M.S. COLLEGE OF ENGINEERING, BENGALURU
Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – SEPTEMBER 2019

September 16, 2019: Dr.K.R.Sudhindra, Faculty, Department of Electronics & Communication Engineering received “Sir M.V. Award” from Mandya district for contribution in the field of Science & Technology

September 16, 2019: Department of Biotechnology signed MOU with Bangalore -Bioinnovation Centre

September 18, 2019: Sri.Abhishek Appaji, Faculty, Department of Medical Electronics was invited to deliver a talk on “Data Science” by Kristu Jayanthi College, Bengaluru

September 17, 2019: Dr.Gurumurthy Hegde, Associate Professor & Prof.CNR Rao Chair, B.S.N. Centre for Nanomaterials and Displays published research paper titled “Superior supercapacitance behaviour of oxygen nanospheres: a conversion of Allium cepa peel to energy storage system” in Biomass Conversion and Bio refinery journal from Springer having impact factor 2.326

September 18, 2019: BMSCE Swimming Team participated in the VTU Swimming Championship organized by MSRIT and won Bronze Medal

September 18, 2019: Department of Computer Science & Engineering conducted One day training session on “Programming on 8051 Microcontroller and Interfacing”. Resource person was Mr.Akshay, Electro System Associates Pvt. Ltd.

B.M.S. COLLEGE OF ENGINEERING, BENGALURU
Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – SEPTEMBER 2019

September 19, 2019: Dr.K.Guruprasad, Professor, Department of Mechanical Engineering was nominated as Member, NBA Expert Committee to visit the College at Ahmedabad for evaluation from September 19-22, 2019

September 20, 2019: 17th Meeting of the Academic Council to discuss academic related matters

September 20, 2019: Sri.Shashiraj, Faculty, Department of Mechanical Engineering was invited to deliver a talk on “Introduction to Yakshagana” by the Art Appreciation Club of Vidya Vardaka First Grade College, Bengaluru. He also performed yakshagana at various places during the month

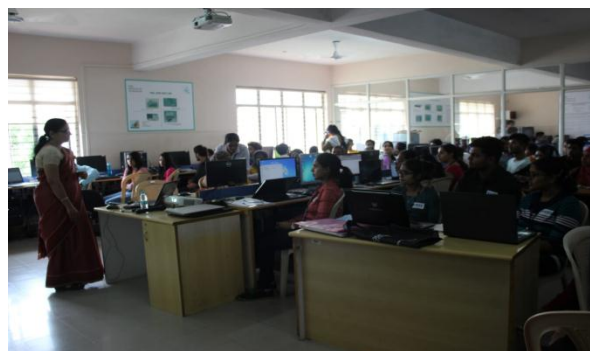

September 20, 2019: Sri.R.Venkatesh and Dr.S. Srinivas, Faculty, Department of Mechanical Engineering published research paper titled “Effect of heat treatment on

hardness, tensile strength and microstructure of hot and cold forged Al6061 metal matrix composites reinforced with silicon carbide particles” in Materials Research Express, Volume 6, Number 10, 20 September 2019, Impact factor-1.449, ISSN:2053-1591, <https://doi.org/10.1088/2053-1591/ab4297>

September 20, 2019: Sri.Madhav Murthy, Faculty, Department of Mechanical Engineering has been nominated as member of the National Advisory Committee and was invited for ISAMPE National Conference on Composites held at Vikram Sarabhai Space Centre, Thiruvananthapuram from September 20-21, 2019

September 20, 2019: Dr.M.N.Suma, Professor, Department of Electronics & Communication Engineering was invited to deliver lecture on “Trends and developments in Digital Image Processing and Signal processing” in the workshop on image processing organized by IEEE COMSOC

September 20, 2019: Department of Electronics & Communication Engineering in association with Department of Medical Electronics and IEEE, Bangalore Section organized “IEEE-TTTC VLSI Test seminar”

B.M.S. COLLEGE OF ENGINEERING, BENGALURU
Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – SEPTEMBER 2019

from September 20-21, 2019. Speakers were Domain Experts from various industries

September 20, 2019: Department of Medical Electronics organized visit to Biomedical Instrumentation Lab, B.S.N.Hospital, Bengaluru for the students of 5th semester

September 21, 2019: Department of Computer Science & Engineering organized a Technical Talk on “Design Thinking” for the Post-Graduate students. The talk was delivered by Mr.Jayananda A Kotri, Senior Product Manager, SAP Labs, Bengaluru

September 21, 2019: Dr.B.Kanmani, Professor & Head, Department of Electronics & Telecommunication Engineering was invited to conduct workshop on “Evolving Course Objectives, Course Outcomes and Question Paper Setting Methods” by the IQAC of JSS Law College, Mysuru

September 22, 2019: Dr.Rajeshwari Hegde and Dr.C.Gururaj, Faculty, Department of Electronics & Telecommunication Engineering were invited for IQAC meeting and NBA mock audit by BIT, Bengaluru

B.M.S. COLLEGE OF ENGINEERING, BENGALURU
Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – SEPTEMBER 2019

September 22, 2019: Dr.Gurumurthy Hegde, Associate Professor & Prof.CNR Rao Chair, B.S.N. Centre for Nanomaterials and Displays was invited as Keynote Speaker in the “International Conference on Science, Technology and Interdisciplinary Research (IC-STAR 2019)” held at Emersia Hotel, Bandar Lampung, Indonesia

September 23, 2019: Department of Computer Science & Engineering organized Technical talk on “Brief History and Trends of automation in Artificial Intelligence”. The talk was delivered by Dr.S.R.Subramanya, Professor, National University San Diego, USA

September 23, 2019: Department of Electronics and Telecommunication Engineering Python under coding club conducted a programming session on Basics of Python

September 23, 2019: Department of Information Science & Engineering conducted seminar on “IPR”. Resource person was Mr.Amandeep Kaur, Senior Patent Attorney, IBM, Bengaluru

September 23, 2019: Department of Chemical Engineering organized a guest lecture on “Studies on the stability of anoxic fluidized bed bioreactors in the Denitrification of waste water” from a nylon intermediate plant. The lecture was delivered by Dr.Veluri V.P.S.Murthy, Professor & Head, Manipal International University, Nilai, Malaysia

B.M.S. COLLEGE OF ENGINEERING, BENGALURU
Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – SEPTEMBER 2019

September 23, 2019: Department of Computer Application organized orientation for the students of 1st semester – 2019-20 batch

September 23, 2019: Department of Computer Application organized hands-on workshop on “Innovating with Internet of Things”

September 23, 2019: Industry Institute Interaction Cell (IIIC) and BMSCE – IEEE WiE-SB Wing of the Department of Computer Application organized workshop on “Software Product Development in Practice”. Resource persons were Ms.Padmavathy Gopal and Mr.Murali Venugopal, Techwedge Software Solutions

September 24, 2019: Few faculty members of the Department of Electrical & Electronics Engineering visited the lab set-up by Schneider Electric on the use of modern technologies at the Karnataka skill development and Centre of Excellence at New Horizon College of Engineering

B.M.S. COLLEGE OF ENGINEERING, BENGALURU
Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – SEPTEMBER 2019

September 23, 2019: BMSCE Tennis (Men) Team participated in the VTU Tennis (M) tournament – Bangalore Zone held at JSSATE, Bengaluru from September 23-24, 2019 and were placed Runners

September 25, 2019: The Institution hosted 28th Annual Global Citizenship Conference of Melton Foundation

September 25, 2019: Department of Mechanical Engineering in coordination with Mechanical Engineering Association (MEA)

conducted an orientation program for the students of 3rd semester (Lateral Entry)

September 25, 2019: Sri.Abhishek Appaji, Faculty, Department of Medical Electronics was invited as chief guest and keynote speaker for Adroit Technical Fest by NIE, Mysuru

September 25, 2019: Sri.Abhishek Appaji, Faculty, Department of Medical Electronics was invited to deliver a talk on “Innovation” by Vidya Vardhaka College of Engineering, Mysuru

B.M.S. COLLEGE OF ENGINEERING, BENGALURU
Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – SEPTEMBER 2019

September 25, 2019: Sri.Abhishek Appaji, Faculty, Department of Medical Electronics was invited to deliver a talk on IEEE Day by VVIET Mysuru. He was also invited for NBA Mock Audit

September 26, 2019: Dr.R.V.Ranganath, Professor, Department of Civil Engineering and Mr.M.K.Akarsh, M.Tech. student were awarded as “Outstanding thesis for Masters in Karnataka” by ICI (BC) Ultra Tech. Concrete Day & Construction Excellence Award 2019 at Hotel Lalith Ashok, Bengaluru

September 25, 2019: Department of Chemical Engineering organized a guest lecture on “Soft Matter Science & technology - Predictive micro emulsion phase behavior”. The lecture was delivered by Dr.Deeleep Route, Chief Technology Officer, Almora Botanica, Bengaluru

September 26, 2019: Dr.T.V.Reshmi Devi, Faculty, Department of Civil Engineering presented research paper titled “Evaluation of the urban drainage system of Bangalore using SWMM” in the International Conference on Sustainable Water future at IISc, Bengaluru

September 26, 2019: Dr.S.Raghunath, Professor, Department of Civil Engineering was honoured by ACCE (India)

B.M.S. COLLEGE OF ENGINEERING, BENGALURU
Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – SEPTEMBER 2019

September 26, 2019: Department of Industrial Engineering & Management organized lecture series on “Maths in Action – Laplace Transformation in Engineering”. The lecture was delivered by Mr.B.S.Krishnamurthy, System Administrator, Defence Accounts Department

Departments of Industrial Engineering & Management and Information Science Engineering discussed the modalities for conducting International Conference on Mainstream Block Chain Implementation, by Mr.B.S.Krishnamurthy

September 26, 2019: Department of Informationa Science & Engineering organized Industrial visit to IBM, Bengaluru

September 26, 2019: Few faculty members of B.V.M. Engineering College, Gujarat visit the Department of Informationa Science & Engineering to study the best practices of outcome based education

September 26, 2019: The Placement Club of the Department Computer Applications

B.M.S. COLLEGE OF ENGINEERING, BENGALURU
Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – SEPTEMBER 2019

conducted sessions on Programming, Aptitude and Communication Skills during the month

September 27, 2019: Department of Medical Electronics organized one day Technical Talk on “Medical Device Testing”. The talk was delivered by Ms.Shruti G, Niramai, Mr.Dheeraj (Alumni), Sattva Medtech and Addakammai, Innacel

September 27, 2019: Abhijnya Nayak, student of 3rd semester Electrical & Electronics Engineering won first prize (Gold medal) at the Women Weight Lifting competition (53 kg category) at the DASARA sports 2019-20

September 27, 2019: Dr.Kalyan Raj, Professor and Head, Department of Chemistry was invited as Judge for JNANAARSH-2K19 organized by B.M.S. College for Women, Bengaluru

September 27, 2019: BMSCE Kho Kho Team participated and were placed as Champions of the Kho Kho competition held at CMRIT, Bengaluru

B.M.S. COLLEGE OF ENGINEERING, BENGALURU
Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – SEPTEMBER 2019

September 29, 2019: Sri.Abhishek Appaji, Faculty, Department of Medical Electronics was invited as moderator for panel discussion on “Employee vs Entrepreneur vs Consultant” by AISYWC 2019, Hyderabad

September 29, 2019: Sri.Abhishek Appaji, Faculty, Department of Medical Electronics was invited to deliver a talk on “Crossing the chasm of student to professional” by CMR group of Institutions, Hyderabad

September 30, 2019: Inauguration of B.S.Narayan Centre for Nanomaterials and Displays in the New Academic Block by Dr.B.S.Ragini Narayan, Donor Trustee, Member-Secretary & Chairperson, BMSET

September 30, 2019: Teacher’s Day was celebrated, Staff members who completed 25 years of service & faculty who completed their Ph.D. during the academic year were felicitated

September 30, 2019: The project work carried out by the students of 8th semester of Civil Engineering under the guidance of Dr.S Girish and Smt.T.Soumya, Faculty of the Department was awarded 3rd prize at Institutional Level Best Project Work 2018-19

September 30, 2019: Dr.B.S.Suresh, Professor Department of Mechanical Engineering was invited to attend a meeting by the Evaluation Committee of AICTE, Bengaluru with regard to QIP Scheme

B.M.S. COLLEGE OF ENGINEERING, BENGALURU
Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – SEPTEMBER 2019

September 30, 2019: Dr.Praveen Kumar, Faculty, Department of Electrical & Electronics Engineering published research paper titled “FPGA based design and HIL verification of a soft-core directional-OCR” in Electric Power Components and Systems Journal, Impact Factor - 0.888 under Q2 category September 2019

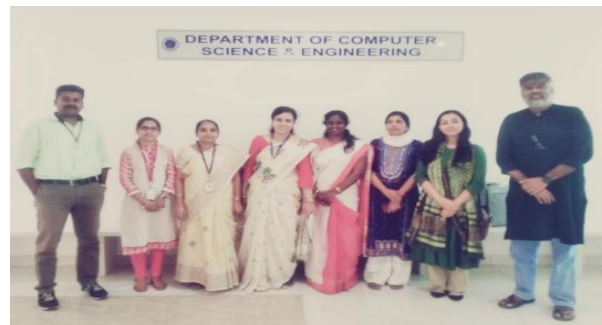

September 30, 2019: Department of Industrial Engineering & Management organized Students Project Presentation with TVS Motors Company

September 30, 2019: Dr.Kavitha Sooda, Faculty, Department of Computer Science & Engineering Chapter along with Mr.K.B.Akhilesh published Book in "Smart Technologies - Scope and Applications", Springer Nature 2019, Page number 373-386, Chapter Number 23

September 30, 2019: Department of Computer Science & Engineering organized two day programme on “Internet of Things and its applications” for the faculty of National Institute of Fashion Technology, Bengaluru from September 30 - October 1, 2019

September 30, 2019: Department of Electronics & Communication Engineering and Department of Information Science & Engineering jointly organized Three Weeks Workshop on AI, ML, DL for the students of 3rd year. Resource person was Mr.Vivek Singhal, CEO, CELL START.

September 30, 2019: Department of Computer Science & Engineering organized Technical Talk on “The Future of Data Privacy Technology”. The talk was delivered by Mr.Vishwanath Raman, Lead, Oasis Labs, San Francisco, USA

September 30, 2019: Department of Information Science & Engineering has started a Certification Course on Machine learning and Deep learning by Mr.Vivek Singal, CEO CellStrat

B.M.S. COLLEGE OF ENGINEERING, BENGALURU
Autonomous Institute, Affiliated to VTU

REPORT ON COLLEGE ACTIVITIES – SEPTEMBER 2019

September 30, 2019: Dr.S.Jayanthi, Professor, Department of Mathematics and Dean (First Year) published research paper titled “A Modified Compact numerical algorithm to solve 2D Navier-Stokes equation” in the International Journal of Results in Applied Mathematics, Vol. 3, No. 100065, pp: 01-06, ISSN: 2590-0374, 2019
