THE INSTITUTE

B.M.S. College of Engineering (B.M.S.C.E.) Bengaluru has the unique distinction of being the first private engineering college established in the country. Established in the year 1946, the institution owes its existence to the vision of its beloved founders, Late Sri. B. M. Sreenivasaiah and his illustrious son Late. Sri.B.S.Narayan. This vision of the founders has inspired the institution to take right steps in meeting its objectives ever since its inception. Over the past 73 years of its illustrious existence, the institution has produced more than 40,000 engineers/leaders who have enriched the world through their immense contribution. Started with only 03 undergraduate courses, BMSCE today offers 13 Undergraduate & 16 Postgraduate courses both in conventional and emerging areas. 14 of its Departments are recognized as Research Centers offering PhD/M.Sc (Engineering by Research) degrees in Science, Engineering and Management. More than 350 research scholars are currently pursuing their PhD Degree in BMSCE Research Centres. So far 130 PhDs have been produced through BMS Research Centres.

The College is approved by All India Council for Technical Education (AICTE), New Delhi, Autonomous Institution (UGC approved) since 2008 and effectively practicing outcome based education. BMSCE is the first institution in the State of Karnataka accredited by National Board of Accreditation (NBA) in Tire I Format. The college is recently accredited with highest grade of 'A++' by NAAC (3.83/4.00) under Cycle II, valid from 28.03.2019 to 28.03.2024. The college is ranked 69th among top engineering colleges in the country by National Institutional Ranking Framework (NIRF-2019). The College is approved as QIP Centre in Engineering & Technology by AICTE, New Delhi. The College is a proud recipient of TEQIP III (World Bank Funded Project) and also successfully participated in TEQIP I & II Projects. BMSCE is the only partner institution from India of the Melton Foundation, USA. The College is a Recipient of MHRD Scheme on Global Initiative of Academic Network (GIAN) and National Doctoral fellowship – AICTE NDF since 2018-19. The college is Permanently affiliated to Visvesvaraya Technological University (VTU).

The College has one of the largest student populations amongst engineering colleges in Karnataka. Currently about 5000 students are pursuing their higher studies in this esteemed institution. BMSCE is one of the most preferred destinations for the students from across the country which could be attributed to the quality education, infrastructure, healthy teaching-learning practices as well as producing industry ready students.
