**Subject: Formal Request for COMMERCIAL BID with TECHNICAL COMPLIANCE DOCUMENT for College-Wide CCTV Surveillance System Upgrade****Ref: ST/CF-CCTV/NR/2026-27/013****21.04.2026**

Sirs,

Following our preliminary meeting and your recent site visit for the technical and quantitative assessment of our college's CCTV surveillance requirements, we formally request your comprehensive, **COMMERCIAL PRICE BID** along with an unpriced Technical Compliance Proposal. This proposal is for the mandatory shortlisting process and **must strictly adhere to the technical and legal requirements outlined below.**

**MANDATORY SUBMISSION REQUIREMENTS & SCOPE**

Your submission must clearly address all the following points, as they form the non-negotiable basis for technical evaluation:

**1. Project Definition (Turnkey Mandate)**

The proposed project is defined as a **Turnkey Solution** and must be complete, end-to-end. This includes all major components, incidental hardware and other works related to connecting the camera to switch, software licensing, integration services, commissioning, training, and full documentation to ensure flawless system operation.

**2. Scope of work of Vendor/Service Provider**

The Scope of the Project for Vendor & Service providers is as detailed below:

Supply & Installation of Cameras with specification of 5mp & 2mp (as per the attached BoQ - Annexure – 1) at the designated locations.

Connecting the Cameras to Switches allotted for them

Install a suitable Software to manage the IP based CCTV surveillance system as per the Demo executed

Install compatible Hardware and software for 30 days 5mp recording

Quantity and Specification of Cameras: as per the Annexure – 1

**Scope of work of BMS College of Engineering**

BMS College of Engineering the following items and services is as detailed below

Supply the required Cables and accessories for the installation till the point of Camera and connection

Laying and related Labour cabling-wiring as well as cabling with minor civil works

Backbone Network and IT Infrastructure

Solution quoted should be compatible to: Backbone Network, IT Infrastructure and other designs as per the Annexure – 2

### 3. Technical and Operational Requirements

Your solution must guarantee complete, uninterrupted surveillance coverage of all specified areas, ensuring **zero blind spots or coverage miss-outs**.

Requirement	Details
<b>Local Monitoring</b>	Provide a solution architecture supporting local monitoring access at <b>distinct, standalone locations as may be required</b> (e.g., Department Heads' offices, specific security desks).

#### Quantity of cameras required

Location	Cameras	Fixed	Verifocal
PJ Block	160	78	82
PG Block	78	47	31
Mechanical Block	40	0	40
Science	32	20	12
<b>Total</b>	<b>310</b>	<b>145</b>	<b>165</b>
PTZ	2		
Face & Number Plate	6		
<b>Grand Total</b>	<b>318</b>		

### 4. Brand, Quality, and Legal Compliance (NON-NEGOTIABLE)

All components proposed must meet the following mandatory quality and legal compliance criteria:

- **Brand: Honeywell**
- **STQC Certification/or equivalent:** All major components must be certified by the **Standardization Testing and Quality Certification (STQC) Directorate**, Ministry of Electronics and Information Technology, Government of India. **Proof of valid STQC certification/ or equivalent must be included in the submission.**
- **National Compliance:** The proposed system must adhere to **all necessary legal, regulatory, and technical compliance standards related to surveillance, data privacy, and data storage** as mandated by the Government of India.

### 5. Price, Service and Warranty Structure

The prices bid shall be with details of

- (1) price quoted shall be per unit per item
- (2) total quantity of each item to be supplied
- (3) all the tax components explicitly shown and

(4) all other price components if any and

(5) total value of the project for all the quantity of cameras & other hardware items projected.

The mandatory Annual Maintenance Contract (AMC) requirement is a **three (3) year total term**, structured as:

- **Year 1:** Standard OEM Warranty/Support.
- **Years 2 & 3:** Two (2) years of extended, comprehensive AMC coverage.
