THE INSTITUTE

B.M.S. College of Engineering established in the year 1946 was the first private Engineering College in the country. The College owes its existence to the foresight and vision of its founders, Late Sri.B.M.Sreenivasaiah and his illustrious son Late Sri.B.S.Narayan. The College is strategically located in the heart of the Bangalore city. The College is approved by AICTE and permanently affiliated to VTU and also approved as QIP Centre of AICTE. The College offers 13 UG, 15 PG and 14 PhD degree programmes. More than 350 research scholars are pursuing their PhD Degree. 103 PhDs and 16 MSc have been produced so far. The college is aided by Government of Karnataka and also offers self-financing programmes. A recipient of World Bank Assistance under TEQIP I & TEQIP II and presently listed under TEQIP III. BMSCE is the only College in India adopted by the Melton Foundation, USA. The College is autonomous (since 2008-09) and has been effectively practicing Outcomes Based Education (OBE). Curriculum design & development, Pedagogy and Assessment are given highest priority. The college maintains high academic quality standards; the certification by the NAAC, NBA (Tier-I Format) and NIRF Ranking is testimony of the same. The college has one of the largest student populations amongst engineering colleges in Karnataka. Currently more than 5000 students (India and abroad) are pursuing their higher studies in the College. The College continues to be the most preferred destination not only for the students of the state but also from various parts of the country. The quality educational practices supplemented with academic ambience, state of the art infrastructure, pedagogy, academic innovations, research, incubation, training opportunities and entrepreneurship is enabling the institute to produce graduates who are industry ready. BMSCE boasts of a strong alumni base of over 40,000 most of them occupying coveted positions in India and abroad. The institution offers highly qualified, committed and experienced faculty. The College has been ranked amongst the best engineering Institutes in the country by various credible ranking agencies and media houses.

VISION

Promoting the prosperity of mankind by augmenting human resource capital through quality technical education & training.

The founders have envisaged the vision of providing skilled and competent workforce to society by imparting quality education and training. The founders strongly believed that creation of skilled technical manpower would promote towards nation building. This vision is relevant even today looking at the young demographic nature of India and the challenges they encounter to meet the changing global market needs. The vision of every BMSCE is to nurture excellence and its mission to instil in students the desire and ability to make excellence a way of life.

For realization of the vision, emphasis is laid on creating an environment that promotes excellence. This takes the form of various initiatives to energize the different factors that impact the quality of education. Through Student-centred learning processes the institution puts the authentic knowledge needs on priority. Teaching Learning-Practices (T-L-P) are streamlined for the improvement of academic performance and holistic development of the students. The employability factor is one of the prime considerations in the design and development of outcome based curriculum. The labs are also regularly upgraded in order to stay advanced. The institution has a well-laid strategic plan. The implementation of the vision and plan is executed with the support and with the involvement of all the stake holders. The BOG approves the Vision & Mission, Short Term and Long Term goals and the Budget based on the Strategic Plan. The BOG ensures that all decisions on the matters such as admission quality, new programmes, infrastructure, Teaching Learning Process and Placements are arrived based on the vision of the Institution.

MISSION

Management provides clear vision and mission to the institution. The management firmly believes that a strong vision and mission statements will help stakeholders to attain their respective goals. The mission is achieved basically through the process of education, training and research. The following measures are implemented to accomplish the institutional mission:

Curriculum Design: Involvement of all stakeholders to ensure that the curriculum is robust and relevant. Practicing Outcome based education (OBE)

Adopting Innovative Processes in Teaching and Learning: Encouraging innovation in Teaching and Learning and best practices in TLP

Industry-Institute-Interaction: Collaborative efforts with the industry personnel for enhancing the learning levels of the students through Industry Supported labs and other activities.

Research & Development: Promoting Research, Innovation & entrepreneurship through dedicated R&D cell, centers of excellence and incubation. Initiatives in Sensitizing/Promoting Research Climate in the institution

Modern Tool Usage: Use of technology (MOOCs and Blended MOOCs) for enhancing the learnability coefficient (self-pace) of the students, recording of live lectures and social learning platforms like WIKSATE. E-learning solution for automatic recording and distribution of class room lectures and flipped class model.

Governance: Active participation of BOG members in all the institutional development activities. Has a good governance document in place.

Strategic Planning: strategic plan Long Term and Short Term Goals are in Place. The management periodically reviews the status of its implementation.

Effective & Sound Financial Management: Budgetary provisions for the departments are made based on the requirements/inputs provided by the Department

Quality Assurance: Academic Audits at the departmental/Institution levels for monitoring the continuous improvement are in vogue. Internal Quality Assurance Cell (IQAC) has been constituted to monitor/maintain quality in all its processes. Effective Student Feedback system on faculty and the institutional facilities is in place. Departmental Advisory Board (DAB) created for advising in academic matters. Rubrics to assess the level of student projects are available

Alumni Network: Committed alumni association having a wide global network sponsors/ conducts Workshops in Current Trends/Technology for enhancing the skills & personality development among the students.

ACADEMIC PROGRAMS

BMSCE offers courses both in conventional and emerging areas. The institution believes that choosing the right courses will help our students get the career edge and the extra push that is so highly needed in a competitive job market, eventually leading to professional success.

UNDERGRADUATE COURSES

BE	Civil Engineering
BE	Mechanical Engineering
BE	Electrical and Electronics Engineering
BE	Electronics and Communication Engineering
BE	Industrial Engineering and Management
BE	Computer Science and Engineering
BE	Electronics and Telecommunication
BE	Chemical Engineering
BE	Electronics and Instrumentation Engineering

M.Tech	Environmental Engineering
M.Tech	Machine Design
M.Tech	Computer Science and Engineering
M.Tech	VLSI Design and Embedded Systems
M.Tech	Bio-Medical Signal Processing and Instrumentation
M.Tech	Thermal Engineering
M.Tech	Computer Network Engineering
MBA	Master of Business Administration
MCA	Master of Computer Applications

PRINCIPAL'S MESSAGE

BMSCE relentlessly strives in its endeavor to provide quality education to its students. Today, education means much more than acquiring knowledge. Education coupled with sound co-curricular and extra-curricular engagement creates an amiable environment in the all-round development of the students. Involvement of a student in co-curricular and extra-curricular activities plays an integral role in the collegiate experience.

Because of the diverse interests of the students, wide range of activities is being offered. Each activity offers students an opportunity to work with others and to gain essential life skills. Apart from sports and cultural activities, volunteer and service related activities are provided platform through NSS and NCC units. The Department of Physical Education and Sports Science and the cultural forum provide opportunity to students to get involved in culturally enriching activities and to grow in their area of expertise. At BMSCE, the students are provided with quality sports and recreation facilities. The students have opportunities to partake in number of sports and cultural activities organized by the college.

It is a pleasure to know that the Department of Physical Education in bringing out its annual magazine PULSE 2019. I take this opportunity to congratulate the Physical Education Director, members of the Cultural Forum, NSS & NCC Units, the editorial board of the magazine. I also wish to extend my wholehearted support and wishes for the success all their endeavors.

Dr. S. MURALIDHARA
PRINCIPAL

PHYSICAL EDUCATION DIRECTOR'S MESSAGE

BMSCE offers a wide range of sporting, recreational and cultural activities. Physical education improves cognitive performance and academic achievement. Even at the low 'dosages' reported, physical education is associated with improved mental health, dietary choices, and academic achievement." Educating the Student Body makes recommendations about approaches for strengthening and improving programs and policies for physical activity and physical education in the college environment. Physical education and cultural activities play a critical role in the healthy development of youth. We aim to expose students to a wide range of physical and cultural activities.

Our team players receive relentless support in order to balance their dual careers. They have been participating in various state and national level competitions and have brought many laurels to the institution. We have a well-equipped indoor facility which provides a wide range of sporting facilities including 2 gyms to aid players to train and hence perform better. It is my pleasure to say that BMSCE stands in top among 203 engineering colleges in VTU sports and Cultural activities.

Dr. M. SHIVARAMA REDDY
DIRECTOR, PHYSICAL EDUCATION

Department of PHYSICAL EDUCATION AND SPORTS SCIENCE

BMS College of Engineering has made a name for itself in several sports & cultural activities – All the indoor & outdoor activities i.e., Archery, Badminton, Baseball, Basketball, Chess, Cricket, Football, Handball, Hockey, Judo, Kabaddi, Kho-Kho, Netball, Powerlifting, Swimming, Tennis, Table Tennis, Volleyball, Softball, Yoga, Wrestling and Weight Lifting. The department is very supportive and encouraging to all the students of the college at all times. We have been ranked top in VTU Sports & Cultural activities.

We are indeed grateful towards the management for providing the students with a good Indoor, Outdoor and well equipped gym facilities.

The Majestic Indoor Stadium we see today is the result of the Physical Education Director's vision and hard work. It was in the year 2000 that he prepared the project for the construction of the Indoor Stadium and submitted the same to MHRD, New Delhi. This was approved by the ministry and the matching grant was received and the Indoor Stadium was completed in 2004. Now, the multipurpose Indoor you see is the result of the constant support from the BMS Management.

The Outdoor facilities include Handball, Kho-Kho, Kabaddi, Throwball, Volleyball and a multipurpose ground which is well maintained by the sports department.

We conduct State Level Memorial Tournament - KREEDOTSAV & UTSAV National Level Inter Collegiate Techno - Cultural Festival on a yearly basis with the support of the management. We are happy to say that we have been Champions of the tournament in most of the years & our utsav fest has been ranked first in Karnataka in the top ten listed by Deccan Herald.

The Staff and management are very supportive towards all the students who take part in sports and cultural activities for the college teams. There are incentives provided to college team students who achieve well in VTU sports & cultural games/events. This support is basically because the BMS family firmly believes in the overall development of an individual.

The Students are very active, interested and dedicated and they make use all the facilities provided by the management through the Department of Physical Education and Sports Science. They have left no stones unturned to bring laurels to the college.

We the Department of Physical Education and Sports Science are ever grateful towards our Management,

INTRODUCTION

Department of Physical Education & Sports Science serves as a vital and integral part of the student life in campus. The mission of the department is to provide a broad spectrum of sports, recreation and leisure activities for students, staff and faculty, as well as members of the local community. The primary direction is to provide services and programs that stimulate growth, development and retention of students in a contemporary and safe environment that develops fitness and wellness, social interaction and leadership opportunities.

VISION

To engage in relentless pursuit of excellence in promotion and development of Physical Education, sporting and extra-curricular activities through an innovative approach in teaching, coaching, research and outreach activities and to evolve a holistic approach to the all-round betterment of human resources through a harmonious blend of body, mind and spirit.

Chess	Kho-Kho	Wrestling, Judo, Gymnastics, Taekwondo
Cricket	Netball	Yoga
Cross Country	Softball	Youth Festival

SCHOLARSHIPS AND AWARD

The Management provides cash incentives for outstanding sports students in their final year on a regular basis.

- National Players - 10,000/-
- University Players - 5,000/-

The Management also provides cash incentives for the students for the highest achievement in VTU Tournaments.

- Winners - 3,000/-
- Runners - 2,000/-
- 2nd Runner Up - 1,000/-

Students are awarded with pure silver medals from VTU for their achievement in the Inter collegiate level competition.

- 1st Place - 25 grams
- 2nd Place - 20 grams
- 3rd place - 18 grams

Attendance will be provided to participate in all sports & cultural activities through the Principal as per the college norms.

Providing uniform/colors & TA/DA for all the college team players to participate in the VTU Inter Collegiate competitions.

KREEDOTSAV - 2021

“KREEDOTSAV 2021” State level Inter Collegiate Sports Fest conducted by B.M.S. College of Engineering every year. KREEDOTSAV 2021 was held from 24th to 27th of November 2021 at BMSCE Campus. The inauguration function of KREEDOTSAV 2021 took place on 24th November 2021. Over 1500 athletes took part in the sports fest.

INAUGURATION CEREMONY

The program was inaugurated by

- Guest of Honour: Ms. Varsha Sanjeev - International Snooker Player, Ekalavya Awardee & Alumni, BMSCE.
- Dr. Ravishankar B. V, Principal, BMSCE
- Dr. S. Muralidhara, Vice Principal, BMSCE
- Dr. M. Shivarama Reddy, Director, Physical Education

PULSE -2020 & 2021

GLIMPS OF KREEDOTSAV

GLIMPS OF KREEDOTSAV

PULSE -2020 & 2021

EVENTS ORGANIZED BY BMSCE

On August 6, 2020, BMSCE hosted an e-quiz on “Yoga for Health and Fitness,” engaging students with questions about yoga’s history, poses, and benefits. The event highlighted yoga’s role in enhancing physical and mental well-being, reflecting the college's commitment to promoting holistic health among students.

On August 15, 2020, BMSCE, in collaboration with BMSCA and BMSCL, celebrated the 74th Independence Day with a focus on safety amid the COVID-19 pandemic. The event honored the spirit of independence while adhering to health protocols, showcasing resilience and unity in challenging times.

On December 11-12, 2020, a webinar on “Yoga and Stress Management” was held for 3rd and 5th-semester students. Dr. Manjunath Gururaj from S-VYASA University, Bengaluru, led the session, offering insights into how yoga can effectively manage stress. The event provided valuable tools for enhancing student well-being.

From February 10-16, 2021, BMSCE organized an Inter-Department Sports Competition for staff featuring Cricket, Throwball, Volleyball, Table Tennis, Chess, and Badminton. The week-long event fostered camaraderie and healthy competition among staff members, showcasing their skills and promoting fitness and teamwork across departments.

On February 19-20, 2021, the B.S. Narayan Memorial Inter-Collegiate Tournament for staff featured Volleyball, Throwball, and Badminton across various categories: Men Above 40 Years, Men Below 40 Years, and Women Open. The event promoted inter-collegiate sportsmanship and provided a competitive yet friendly platform for staff to showcase their athletic skills.

Due to COVID-19 protocols, a systematized farewell for UG and PG students was held over three days. On August 14, 2021, the Department of Physical Education and Sports Science organized a farewell for ME, IEM, CSE, ISE, EIE, and BT students at the Indoor Stadium. The event was inaugurated by Sri Aviram Sharma, Trustee of B.M.S.E.T.

On August 21, 2021, a farewell was organized at the Indoor Stadium for CV, ECE, EEE, TCE, ML, and CH students. During the event, Punith from CV was honored with the Best Outgoing Sports Person of the Year award, recognizing his exceptional contributions to sports.

On August 15, 2021, in celebration of “Azadi ka Amrit Mahotsav,” BMSCE, in collaboration with BMSCA and BMSCL, organized an event marking the 75th Independence Day. The occasion honored 75 years of Indian independence with a ceremony that reflected on the nation's journey and achievements.

On August 28, 2021, a farewell was held at the Indoor Stadium for MBA, MCA, and M.Tech students. During the event, certificates were awarded to sports achievers, recognizing their outstanding contributions and accomplishments in sports throughout their academic tenure.

On November 15-16, 2021, the VTU Bengaluru Central Zone Inter-Collegiate Badminton Tournament was held, featuring both men's and women's categories. The event was graced by Abhishek H K, a National Badminton Player, as the Guest of Honour, adding a distinguished touch to the competitive matches.

On December 15, 2021, the VTU Inter-Collegiate Bengaluru Central Zone Basketball Tournament for Men was held. The BMSCE Basketball team performed impressively and secured the Runners-Up position, showcasing their skill and determination throughout the tournament.

On December 16, 2021, the VTU Inter-Collegiate Bengaluru Central Zone Basketball Tournament for Women took place. The BMSCE Women's Basketball team competed strongly and secured Fourth Place.

The VTU Inter-Zone Basketball Tournament for Women was held on December 17, 2021. The BMSCE Women's Basketball team excelled and achieved Second Place, demonstrating remarkable skill and teamwork.

On January 26, 2022, the Department of Physical Education & Sports Science organized the celebration of the 73rd Republic Day. The college campus was beautifully adorned with flower pots and buntings, reflecting India's rich history and cultural achievements, and honoring the nation's progress.

On March 4, 2022, the Department of Physical Education & Sports Science hosted the Prize Distribution Ceremony for the winners of the Inter-Department Sports Competitions for staff. Awards were presented for Throwball, Volleyball, Cricket, and Badminton, celebrating the athletic achievements and team spirit of the participating staff members.

From April 13-15, 2022, the Department of Physical Education & Sports Science organized the B.M.S. Premier League Cricket (Men) Tournament. The BMS Titans emerged as the winners, while the BMS Bulls secured the Runners-Up position, showcasing exceptional skill and competitive spirit throughout the tournament.

On May 31, 2022, the Department of Physical Education & Sports Science organized a “State Level Clinic on Tug-of-War.” Dr. M. Shivarama Reddy, Director of Physical Education, served as the resource person, providing valuable insights and training on the sport.

All Are Welcome

On June 5, 2022, the Department of Physical Education and Sports Science, BMSCE, in association with the Yoga Gangothri Trust, organized an International Yoga Competition at the BMSCE Indoor Stadium. The event brought together participants from various regions, showcasing their skills and dedication to yoga.

Organized “State Level VTU Tug-of-War Competition for Men 2021-22” held on 6th & 7th June 2022, Guest of Honour was Dr. Muniraju S, Assistant Director of Physical Education & Sports Govt. SKSJ Technological Institute (Kempegowda & Karnataka Educational Awardee).

Organized “VTU Bengaluru Central Zone Inter Collegiate Kho - Kho Tournament for Men 2021-22” held on 17th & 18th June 2022, Guest of Honour was Dr. Kumaraswamy, Member, VTU Sports and Cultural Committee, Physical Education Director, Don Bosco Institute of Technology and Ms. Kavya C National Kho-Kho Player, Alumni BMSCE. BMSCE Kho-Kho men team were the winners of the tournament.

“8th Inter National Yoga Day” Organized by the Department of Physical Education & Sports Science in association with NCC, NSS and Civil Defence on 21.06.2022. Ms. Raksha Bhide - Yoga Therapist & Research Assistant NIMHANS was the resource person.

Inter Year Sports Competitions for BMSCE organized by Department of Physical Education & Sports Science on following events Volleyball–Men, Football–Men, Throwball–Women, Badminton–Men & Women & Tug-of-War–Men & Women from 27th to 30th June 2022.

UNIVERSITY BLUES

Shivani Shantagiri of III/ET (1BM20ET046) represented VTU in the South Zone Inter University Badminton (Women) championship held at Rayalaseema University, Kurnool from 14th to 18th December 2021.

Nikhithasri Dara of III/AIML (1BM20AI070) represented VTU in the South Zone Inter University Badminton (Women) championship held at Rayalaseema University, Kurnool from 14th to 18th December 2021.

Nganthoi Phuraliapam of III/ME (1BM20ME095) represented VTU in the All India Inter University Yoga (Women) competition held at Kalinga Institute of Social Sciences, Bhubaneshwar (Odisha) from 25th to 28th December 2021.

Ankitha K Gowda of III/ME (1BM20ME007) represented VTU in the All India Inter University Aquatic (Men & Women) championship held at Kalinga Institute of Social Sciences, Bhubaneshwar (Odisha) from 22nd to 26th December 2021.

Aishwarya R of VII/ML (1BM18ML003) represented VTU in the South Zone Inter University Basketball (Women) Championship held at Mahatma Gandhi University, Kottayam from 27th to 31st December 2021.

Vinamratha M N of V/EC (1BM19EC194) represented VTU in the South Zone Inter University Basketball (Women) Championship held at Mahatma Gandhi University, Kottayam from 27th to 31st December 2021.

Sanjay Kumar of VII/CV (1BM17CV139) represented VTU in the South Zone Inter University Basketball (Men) Championship held at Reva University, Bengaluru from 30th December 2021 to 4th January 2022.

Naveeth Kumar of III/IS (1BM20IS087) represented VTU in the South Zone Inter University Basketball (Men) Championship held at Reva University, Bengaluru from 30th December 2021 to 4th January 2022.

Aditya Reddy of VII/EC (1BM18EC028) represented VTU in the South Zone Inter University Table Tennis (Men) Championship held at Reva University, Bengaluru from 3rd to 6th January 2022.

Aditi Nandi of III/ET (1BM20ET004) represented VTU in the South Zone Inter University Table Tennis (Women) championship held at AMET University, Chennai (TN) from 06th to 09th January 2022.

Ranjini R Iyer of III/IS (1BM120IS209) represented VTU in the South Zone Inter University Table Tennis (Women) championship held at AMET University, Chennai (TN) from 06th to 09th January 2022.

Dilip G of I/ME represented VTU in the South Zone Inter University Table Tennis (Men) Championship held at Reva University, Bengaluru from 3rd to 6th January 2022.

Niharika Jain P N of IV/EC (1BM20EC091) represented VTU in the South Zone Inter University Handball Championship (Women) held at Bharthidasan University, Tiruchirappalli from 27th February to 2nd March 2022.

Niharika Jain P N of IV/EC (1BM20EC091) represented VTU in the All India Inter University Wrestling (W) Championship held at Chaudhary Bansi Lal University, Bhiwani from 14th to 16th March 2022

Rakshitha of VI/EC (1BM19EC126) represented VTU in the All India Inter University Cross Country (Men & Women) Competition held at Mangalore University, Mangalore on 10th March 2022.

Abhijna Nayak of III/EE (1BM18EE002) represented VTU in the All India Inter University Wrestling (W) Championship held at Chaudhary Bansi Lal University, Bhiwani from 14th to 16th March 2022.

Neetha S of VI/CV (1BM18CV104) represented VTU in the South Zone Inter University Kabaddi (Women) Championship held at Alagappa University, Karaikudi (TN) from 22nd to 26th February 2022.

Lekhana V of III/CV (1BM20CV076) represented VTU in the South Zone Inter University Kabaddi (Women) Championship held at Alagappa University, Karaikudi (TN) from 22nd to 26th February 2022.

Anirudh P of VI/AS (1BM20AS400) represented VTU in the South Zone Inter University Kho-Kho (Men) Championship held at Bengaluru North University, Bengaluru from 11th to 14th March 2022.

Thejovinay B Y of VI/CV (1BM19CV158) represented VTU in the South Zone Inter University Handball (Men) Championship held at University of Calicut, Calicut (Kerala), Chennai from 18th to 22nd March 2022.

VTU – Inter Zone 25th & 26th June 2022	SJMIT, C, Durga	Men – Winners Women – Winners

RENDEZVOUS

Tulasi K M

A piece of my heart will forever belong to my college. My experience in sports at BMSCE is unforgettable and the best part was being a part of kho kho team and from being a junior in 1st year and becoming a captain in 4th year was something I will remember forever and I was able to represent at VTU level and win the matches. It made me learn leadership skills, how to overcome tough situations and led to my overall development along with academics. I can still hear those voices in my head where I was being cheered while I was playing. Thanks to BMSCE for creating wonderful memories.

Thrilling journey through the Sports arena in BMSCE is an incredible memory of my MTech journey, Discovering the tales of triumph, the echoes of cheers, and the unspoken language of players as they weave through opponents with lightning speed. Kho-Kho is not just a game; it's a symphony of athleticism, strategy, and sheer passion, the one slogan "Who are we, BMSCE, What are we Champions", still my heart hear this sound while passing near by college, Thanks for everything BMSCE.

Akshaykumar S Jambagi

Shashank K R

My four-year journey in sports at BMSCE has been an incredible and transformative experience. Being part of the Volleyball and Kabaddi teams has been a highlight of my time here. The support from the sports department has been exceptional, and I am deeply grateful for it. From celebrating victories with the team to sharing moments of struggle and tears, the highs and lows of sports have been a profound part of my journey. The unwavering encouragement and backing from the sports department throughout every phase have left a lasting impression on me.

I firmly believe that sports should be an integral part of education. The exposure to various events and championships has significantly contributed to my growth and development. I would like to extend my heartfelt thanks to all the teaching staff, non-teaching staff, and caretakers for their invaluable support over these four years.

RENDEZVOUS

Abhijna Nayak

Walking through the gates of my college, the first place I always remember is the “Indoor Stadium.” It was here where we made countless memories filled with laughter, hard work, and camaraderie. From sharing the sweet pain of warm-ups to celebrating victories, we have spent countless hours growing together, and this has carved out a special place in my heart.

The encouragement to engage in sports at this college has been immense. I am deeply grateful to our sports department for fostering such an encouraging environment and for supporting us in every step of our journey. The opportunities and experiences provided here has enhanced my skills and confidence which has contributed significantly to my personal growth.

A significant part of my heart will always belong to my college. My sports experience at BMSCE is unforgettable, especially my time with the kho kho team. Starting as a junior in my first year itself representing the college at the VTU level, where we won several matches, was an achievement I will always treasure. This journey taught me essential leadership skills, how to handle challenges, and contributed to my overall development alongside my academic growth. I’m grateful to BMSCE for creating such wonderful memories. Throughout my time at BMS, I was fortunate to have supportive seniors and enthusiastic juniors. My experience at BMSCE was filled with both sweet and challenging moments, making it truly memorable.

Deekshith N P

Rakesh

We all dream of success and victory but we care less about preparing ourselves for these tasks. BMSCE Sports Department has taught me the importance of this process of achieving goals. There is a storied tradition of hard work, which fits well with the athletic mind set instilled in me ever since I started playing Kabaddi for BMSCE. I could not imagine myself anywhere else. No dream is ever chased alone. As I look back, as one does at such a time, I have many people to thank for supporting me, teaching me and believing in me. Thanking my Coaches Sports Department and my Teammates. It gave all of us the platform for getting to know different people from various sports, working together during fests, new friendships and loads of memories.
