THE INSTITUTE

B.M.S. College of Engineering established in the year 1946 was the first private Engineering College in the country. The College owes its existence to the foresight and vision of its founders, Late Sri. B.M. Sreenivasiah and his illustrious son Late Sri .B.S. Narayan. The College is strategically located in the heart of the Bangalore city. The College is approved by AICTE and permanently affiliated to VTU and also approved as QIP Centre of AICTE. The College offers 18 UG, 15 PG and 14 PhD degree programs. More than 350 research scholars are pursuing their PhD Degree. 103 PhDs and 16 MSc have been produced so far. The college is aided by Government of Karnataka and also offers self-financing programs. A recipient of World Bank Assistance under TEQIP I & TEQIP II and presently listed under TEQIP III. BMSCE is the only College in India adopted by the Melton Foundation, USA. The College is autonomous (since 2008-09) and has been effectively practicing Outcomes Based Education (OBE). Curriculum design & development, Pedagogy and Assessment are given highest priority. The college maintains high academic quality standards; the certification by the NAAC, NBA (Tier-I Format) and NIRF Ranking is testimony of the same. The college has one of the largest student populations amongst engineering colleges in Karnataka. Currently more than 5000 students (India and abroad) are pursuing their higher studies in the College. The College continues to be the most preferred destination not only for the students of the state but also from various parts of the country. The quality educational practices supplemented with academic ambience, state of the art infrastructure, pedagogy, academic innovations, research, incubation, training opportunities and entrepreneurship is enabling the institute to produce graduates who are industry ready. BMSCE boasts of a strong alumni base of over 40,000 most of them occupying coveted positions in India and abroad. The institution offers highly qualified, committed and experienced faculty. The College has been ranked amongst the best engineering Institutes in the country by various credible ranking agencies and media houses.

VISION

Promoting the prosperity of mankind by augmenting human resource capital through quality technical education & training.

The founders have envisaged the vision of providing skilled and competent workforce to society by imparting quality education and training. The founders strongly believed that creation of skilled technical manpower would promote towards nation building. This vision is relevant even today looking at the young demographic nature of India and the challenges they encounter to meet the changing global market needs. The vision of every BMSCE is to nurture excellence and its mission to instill in students the desire and ability to make excellence a way of life.

For realization of the vision, emphasis is laid on creating an environment that promotes excellence. This takes the form of various initiatives to energize the different factors that impact the quality of education. Through Student-centered learning processes the institution puts the authentic knowledge needs on priority. Teaching Learning-Practices (T-L-P) are streamlined for the improvement of academic performance and holistic development of the students. The employability factor is one of the prime considerations in the design and development of outcome based curriculum. The labs are also regularly upgraded in order to stay advanced. The institution has a well-laid strategic plan. The implementation of the vision and plan is executed with the support and with the involvement of all the stake holders. The BOG approves the Vision & Mission, Short Term and Long Term goals and the Budget based on the Strategic Plan. The BOG ensures that all decisions on the matters such as admission quality, new programs, infrastructure, Teaching Learning Process and Placements are arrived based on the vision of the Institution.

MISSION

Management provides clear vision and mission to the institution. The management firmly believes that a strong vision and mission statements will help stakeholders to attain their respective goals. The mission is achieved basically through the process of education, training and research. The following measures are implemented to accomplish the institutional mission:

Curriculum Design: Involvement of all stakeholders to ensure that the curriculum is robust and relevant. Practicing Outcome based education (OBE)

Adopting Innovative Processes in Teaching and Learning: Encouraging innovation in Teaching and Learning and best practices in TLP

Industry-Institute-Interaction: Collaborative efforts with the industry personnel for enhancing the learning levels of the students through Industry Supported labs and other activities.

Research & Development: Promoting Research, Innovation & entrepreneurship through dedicated R&D cell, centers of excellence and incubation. Initiatives in Sensitizing/Promoting Research Climate in the institution

Modern Tool Usage: Use of technology (MOOCs and Blended MOOCs) for enhancing the learnability coefficient (self-pace) of the students, recording of live lectures and social learning platforms like WIKSATE. E-learning solution for automatic recording and distribution of class room lectures and flipped class model.

Governance: Active participation of BOG members in all the institutional development activities. Has a good governance document in place.

Strategic Planning: strategic plan Long Term and Short Term Goals are in Place. The management periodically reviews the status of its implementation.

Effective & Sound Financial Management: Budgetary provisions for the departments are made based on the requirements/inputs provided by the Department

Quality Assurance: Academic Audits at the departmental/Institution levels for monitoring the continuous improvement are in vogue. Internal Quality Assurance Cell (IQAC) has been constituted to monitor/maintain quality in all its processes. Effective Student Feedback system on faculty and the institutional facilities is in place. Departmental Advisory Board (DAB) created for advising in academic matters. Rubrics to assess the level of student projects are available

Alumni Network: Committed alumni association having a wide global network sponsors/ conducts Workshops in Current Trends/Technology for enhancing the skills & personality development among the students.

ACADEMIC PROGRAMS

BMSCE offers courses both in conventional and emerging areas. The institution believes that choosing the right courses will help our students get the career edge and the extra push that is so highly needed in a competitive job market, eventually leading to professional success.

UNDERGRADUATE COURSES

BE	Civil Engineering
BE	Mechanical Engineering
BE	Electrical & Electronics Engineering
BE	Electronics & Communication Engineering
BE	Industrial Engineering & Management
BE	Computer Science & Engineering
BE	Electronics & Telecommunication Engineering
BE	Chemical Engineering
BE	Electronics & Instrumentation Engineering
BE	Medical Electronics Engineering
BE	Information Science & Engineering
BE	Bio-Technology
BE	Aerospace Engineering
BE	Artificial Intelligence & Machine Learning

POST GRADUATE COURSES

M.Tech	Construction Technology
M.Tech	Digital Communication
M.Tech	Power Electronics
M.Tech	Manufacturing Science & Engineering
M.Tech	Transportation Engineering & Management
M.Tech	Environmental Engineering
M.Tech	Machine Design
M.Tech	Electronics
M.Tech	VLSI Design & Embedded Systems
M.Tech	Bio-Medical Signal Processing & Instrumentation
M.Tech	Thermal Engineering
M.Tech	Computer Network Engineering
M.Tech	Computer science & Engineering
MCA	Master of Computer Applications
MBA	Master of Business Administration

PRINCIPAL'S MESSAGE

BMSCE relentlessly strives in its endeavor to provide quality education to its students. Today, education means much more than acquiring knowledge. Education coupled with sound co-curricular and extra-curricular engagement creates an amiable environment in the all-round development of the students. Involvement of a student in co-curricular and extra-curricular activities plays an integral role in the collegiate experience.

Apart from sports and cultural activities, volunteer and service related activities are provided platform through NSS and NCC units. The Department of Physical Education and Sports Science and the cultural forum provide opportunity to students to get involved in culturally enriching activities and to grow in their area of expertise. At BMSCE, the students are provided with quality sports and recreation facilities. The students have opportunities to par-take in number of sports and cultural activities organized by the college.

It a pleasure to know that the Department of Physical Education in bringing out its annual magazine PULSE 2022. I take this opportunity to congratulate the Physical Education Director, members of the Cultural Forum, NSS & NCC Units, the editorial board of the magazine. I also wish to extend my wholehearted support and wishes for the success all their endeavors.

Dr. S. MURALIDHARA
PRINCIPAL

PHYSICAL EDUCATION DIRECTOR'S MESSAGE

BMSCE offers a wide range of sporting, recreational and cultural activities. Physical education improves cognitive performance and academic achievement. Even at the low 'dosages' reported, physical education is associated with improved mental health, dietary choices, and academic achievement.” Educating the Student Body makes recommendations about approaches for strengthening and improving programs and policies for physical activity and physical education in the college environment. Physical education and cultural activities play a critical role in the healthy development of youth. We aim to expose students to a wide range of physical and cultural activities.

Our team players receive relentless support in order to balance their dual careers. They have been participating in various state and national level competitions and have brought many laurels to the institution. We have a well-equipped indoor facility which provides a wide range of sporting facilities including 2 gyms to aid players to train and hence perform better. It is my pleasure to say that BMSCE stands in top among 203 engineering colleges in VTU sports and Cultural activities.

Dr. M. SHIVARAMA REDDY
DIRECTOR, PHYSICAL EDUCATION

DEPARTMENT OF PHYSICAL EDUCATION AND SPORTS SCIENCE

BMS College of Engineering has made a name for itself in several sports & cultural activities – All the indoor & outdoor activities i.e., Archery, Badminton, Baseball, Basketball, Chess, Cricket, Football, Handball, Hockey, Judo, Kabaddi, Kho-Kho, Netball, Powerlifting, Swimming, Tennis, Table Tennis, Volleyball, Softball, Yoga, Wrestling and Weight Lifting. The department is very supportive and encouraging to all the students of the college at all times. We have been ranked top in VTU Sports & Cultural activities. We are indeed grateful towards the management for providing the students with a good Indoor, Outdoor and well equipped gym facilities. The Majestic Indoor Stadium we see today is the result of the Physical Education Director's vision and hard work. It was in the year 2000 that he prepared the project for the construction of the Indoor Stadium and submitted the same to MHRD, New Delhi. This was approved by the ministry and the matching grant was received and the Indoor Stadium was completed in 2004. Now, the multipurpose Indoor you see is the result of the constant support from the BMS Management. The Outdoor facilities include Handball, Kho-Kho, Kabaddi, Throwball, Volleyball and a multipurpose ground which is well maintained by the sports department.

We conduct State Level Memorial Tournament - KREEDOTSAV & UTSAV National Level Inter Collegiate Techno - Cultural Festival on a yearly basis with the support of the management. We are happy to say that we have been Champions of the tournament in most of the years & our utsav fest has been ranked first in Karnataka in the top ten listed by Deccan Herald. The Staff and management are very supportive towards all the students who take part in sports and cultural activities for the college teams. There are incentives provided to college team students who achieve well in VTU sports & cultural games/events. This support is basically because the BMS family firmly believes in the overall development of an individual. The Students are very active, interested and dedicated and they make use all the facilities provided by the management through the Department of Physical Education and Sports Science. They have left no stones unturned to bring laurels to the college.

We the Department of Physical Education and Sports Science are ever grateful towards our Management, Staff and Students.

INTRODUCTION

Department of Physical Education & Sports Science serves as a vital and integral part of the student life in campus. The mission of the department is to provide a broad spectrum of sports, recreation and leisure activities for students, staff and faculty, as well as members of the local community. The primary direction is to provide services and programs that stimulate growth, development and retention of students in a contemporary and safe environment that develops fitness and wellness, social interaction and leadership opportunities.

VISION

To engage in relentless pursuit of excellence in promotion and development of Physical Education, sporting and extra-curricular activities through an innovative approach in teaching, coaching, research and outreach activities and to evolve a holistic approach to the all-round betterment of human resources through a harmonious blend of body, mind and spirit.

SCHOLARSHIPS AND AWARDS

The Management provides cash incentives for outstanding sports students in their final year on a regular basis.

- * **National Players** - 10,000/-
- * **University Players** - 5,000/-

The Management also provides cash incentives for the students for the highest achievement in VTU Tournaments.

- * **Winners** - 3,000/-
- * **Runners** - 2,000/-
- * **2nd Runner Up** - 1,000/-

Students are awarded with pure silver medals from VTU for their achievement in the Inter collegiate level competition.

- * **1st Place** - 25 grams
- * **2nd Place** - 20 grams
- * **3rd place** - 15 grams

Attendance will be provided to participate in all sports & cultural activities through the Principal as per the college norms.

Providing uniform/colors & TA/DA for all the college team players to participate in the VTU Inter Collegiate competitions.

KREEDOTSAV 2022

“KREEDOTSAV 2022” State level Inter Collegiate Sports Fest conducted by B.M.S. College of Engineering every year. KREEDOTSAV 2022 was held from 25th to 30th of December 2022 at BMSCE Campus. The inauguration function of KREEDOTSAV 2022 took place on 25th December 2022. Over 1800 athletes took part in the sports fest.

INAUGURATION CERMONY

The program was inaugurated by

- Guest of Honour: Sri Rahul Batra – International Swimmer and Eklavya Awardee
- Ms Bharathi-International Athlete.
- Dr. Ravishankar B. V, Principal, BMSCE
- Dr. S. Muralidhara, Vice Principal, BMSCE
- Dr. M. Shivarama Reddy, Director, Physical Education

VALEDICTORY AND PRIZE DISTRIBUTION CEREMONY

The program was inaugurated by esteemed individuals, each contributing to the event's significance. Sri Rahul Batra, an International Swimmer and Ekalavya Awardee, graced the occasion as the Guest of Honour, bringing his wealth of experience and accomplishments in the field of sports. Accompanying him was Ms. Bharathi, an International Athlete, adding another layer of prestige to the event. Dr. S. Muralidhara, the Vice Principal of BMSCE, shared his insights and encouragement, emphasizing the academic institution's commitment to holistic development. Mr. Prasad V, the Deputy Director of Administration at B.M.S. Educational Trust, played a pivotal role in ensuring the event's smooth organization and execution.

Additionally, Mr. Mallikarjuna B Patil, the Physical Education Director at BMSIT, contributed his expertise to the proceedings, emphasizing the importance of physical well-being and sports in the educational environment. Together, these dignitaries represented a diverse range of backgrounds, from academics to sports, symbolizing the comprehensive nature of the program. Their collective presence underscored the collaborative effort between academic and athletic pursuits. The inauguration marked a significant milestone, aligning the event with the values of excellence and achievement upheld by these distinguished guests. Their shared commitment to fostering a holistic educational experience resonated throughout the ceremony, setting a positive tone for the program's future endeavors.

EVENTS ORGANIZED BY BMSCE

REPUBLIC DAY 2022

On January 26, 2022, the Department of Physical Education & Sports Sciences orchestrated a commemorative event to honor the progressive spirit of India and celebrate its rich history, culture, and achievements. The occasion marked the observance of the 73rd Republic Day, a significant milestone in the nation's journey. In a vibrant display of patriotism and festivity, the college campus was adorned with a profusion of flowers, creatively arranged in pots, and festive buntings. This thoughtful decoration not only added a festive charm to the surroundings but also visually captured the essence of the day.

STATE LEVEL INTER COLLEGIATE TOURNAMENTS FOR STAFF:

BMSCE Badminton Men team secured **Winners position**, Cricket and Volleyball teams were participated in the above said tournament organized by PES University, Bengaluru from **25 to 27 February 2022**.

BMSCE Staff Badminton team

BMSCE Staff Volleyball team

BMSCE Staff Cricket team

STATE LEVEL INTER COLLEGIATE TOURNAMENTS FOR STAFF:

PRIZE DISTRIBUTION CEREMONY FOR THE WINNERS OF INTER DEPARTMENT SPORTS COMPETITIONS FOR STAFF, Organized by Department of Physical Education & Sports Science on 4th March 2022 for Throwball, Volleyball, Cricket and Badminton.

B.M.S. MILANOTSAVA – 2022

B.M.S. MILANOTSAVA – 2022, SPORTS COMPETITION AMONG STAFF OF THE BMS INSTITUTIONS, Organized by the Department of Physical Education & Sports Science on 17th & 18th March 2022.

Results are as follows:

EVENT	WINNERS	RUNNERS
Throwball	BMSCE	BMSPUCW
Volleyball	BMSIT&M	BMSCE
Chess (M)	BMSIT&M	BMSCE
Chess (W)	BMSIT&M	BMSCE

Badminton Above 35 yrs (W)	BMSSA	BMSCW

B.M.S. PREMIER LEAGUE CRICKET (MEN)

Tournament Organized by the 2022. BMS Titans team were the Winners and BMS Bulls secured Runners.

STATE LEVEL CLINIC ON TUG-OF-WAR

Organized by the Department of Physical Education & Sports Science on 31.05.2022. Dr. M. Shivarama Reddy, Director, Physical Education was the resource person.

INTERNATIONAL YOGA COMPETITION

On June 5th, 2022, the Yoga Gangothri Trust hosted a grand event at the Indoor Stadium of BMS College of Engineering (BMSCE). This event aimed to promote holistic well-being through the practice of yoga and mindfulness. Attendees had the opportunity to participate in various yoga sessions led by experienced instructors, fostering physical, mental, and spiritual rejuvenation. The event also featured educational workshops and seminars on the benefits of yoga for overall health and wellness. With its focus on promoting yoga as a path to wellness, the event attracted a diverse audience eager to embrace the ancient practice in a modern setting.

VTU STATE LEVEL TUG-OF-WAR CHAMPIONSHIP FOR MEN 2021-22

Department of Physical Education and Sports Science organized “State Level VTU Tug-of-War Competition for Men 2021-22” held on 6th & 7th June 2022, Guest of Honour was Dr. Muniraju S, Assistant Director of Physical Education & Sports Govt. SKSJ Technological Institute (Kempegowda & Karnataka Educational Awardee).

VTU INTER COLLEGIATE BENGALURU CENTRAL DIVISION KHO - KHO TOURNAMENT FOR MEN 2021-22

Department of Physical Education and Sports Science organized “VTU Bengaluru Central Division Inter Collegiate Kho - Kho Tournament for Men 2021-22” held on 17th & 18th June 2022, Guest of Honor was Dr. Kumaraswamy, Member, VTU Sports and Cultural Committee, Physical Education Director, Don Bosco Institute of Technology and Ms. Kavya C National Kho-Kho Player, Alumni BMSCE. BMSCE Kho-Kho men team were the winners of the tournament.

8TH INTER NATIONAL YOGA DAY

"8th Inter National Yoga Day" Organized by the Department of Physical Education & Sports Science in association with NCC, NSS and Civil Defence on 21.06.2022. Ms. Raksha Bhide - Yoga Therapist & Research Assistant NIMHANS was the resource person.

TOURNAMENT ACHIEVEMENTS

VTU INTER COLLEGIATE BENGALURU CENTRAL DIVISION KHO - KHO TOURNAMENT FOR MEN 2021-22

Department of Physical Education and Sports Science organized “VTU Bengaluru Central Division Inter Collegiate Kho - Kho Tournament for Men 2021-22” held on 17th & 18th June 2022, Guest of Honor was Dr. Kumaraswamy, Member, VTU Sports and Cultural Committee, Physical Education Director, Don Bosco Institute of Technology and Ms. Kavya C National Kho-Kho Player, Alumni BMSCE. BMSCE Kho-Kho men team were the winners of the tournament.

BMSCE Kho-Kho men team Secured Runners in VTU State Level Kho-Kho tournament held at GMIT, Davanagere on 19th & 20th June 2022

BMSCE KHO-KHO – Men team
Winners of “**Momentum – 22**”
Sports Extravaganza held from
31st May to 03rd June 2022
organized by **R V College of
Engineering.**

VTU INTER COLLEGIATE BENGALURU CENTRAL DIVISION CHESS TOURNAMENT (MEN & WOMEN) 2021-22

BMSCE Chess men & women teams were the Winners & Runners of VTU Inter Collegiate Bengaluru Central Division Chess Tournament (Men & Women) 2021-22 held at The Oxford College of Engineering on 22nd June 2022.

BMSCE's Chess teams, both men and women, secured the prestigious title of VTU Inter Zone Champions during the tournament hosted at SJMIT, Chitradurga on June 25th and 26th, 2022. Their outstanding performance showcased their exceptional skills and strategic prowess, solidifying their reputation as formidable contenders in collegiate chess competitions within the VTU zone. This victory not only highlights their dedication and hard work but also underscores BMSCE's commitment to nurturing talent and excellence in sports.

BMSCE Chess men & women team were the VTU Inter Zone Champions held at SJMIT, Chitradurga on 25th & 26th June 2022.

Department of Physical Education & Sports Science Organized following events Volleyball-Men, Football-Men, Throwball-Women, Badminton-Men & women & Tug-of-War-Men & Women from 27th to 30th June 2022

BMSCE Kho-Kho men team secured Runners in “**SPORTSTAKES 2022**” organized by St. Joseph College on 28th June 2022.

BMSCE Basketball Men - Women & Kabaddi – women teams were secured Runners in “**SPORTSTAKES 2022**” organized by St. Joseph College on 28th June 2022.

VTU STATE LEVEL KHO-KHO COMPETITION (W)

BMSCE Kho-Kho - Women team has secured Fourth Place in “VTU Inter Zone Kho-Kho Women Competition” held on 13th & 14th July 2022 organized by G M Institute of Technology.

VTU STATE LEVEL SWIMMING CHAMPIONSHIP (MEN & WOMEN) & SELECTION TRAILS – 2022

“VTU State Level Swimming Championship (Men & Women) & Selection trails – 2022” held on 2nd November 2022 at Basavanagudi Aquatic Centre organized by Department of Physical Education, BMSCE and our men team bagged Runners up trophy.

VTU BENGALURU CENTRAL DIVISION TABLE TENNIS TOURNAMENT

VTU Bengaluru Central Division Table Tennis Tournament held at HKBKCE, Bengaluru on 3rd November 2022. BMSCE Table Tennis Men & Women teams secured Runners & Winners respectively.

VTU BENGALURU CENTRAL DIVISION INTER-COLLEGIATE BADMINTON (M&W) TOURNAMENT 2022

“VTU Bengaluru Central Division Inter-Collegiate Badminton (M&W) Tournament 2022” held on 6th November 2022 at indoor stadium, organized Department of Physical Education and Sports Science, BMSCE. Prof. (Dr) M. Muniraju, Dean, Chairmen and Syndicate member, Bengaluru City University, Former Vice Chancellor, Bangalore University was the Chief guest. BMSCE Women team secured First place and Men team secured Runners.

VTU STATE LEVEL TABLE TENNIS TOURNAMENT

“VTU State Level Table Tennis Tournament” held at VVCE, Mysuru on 7th November 2022. BMSCE Table Tennis Women team secured Runners

VTU STATE LEVEL BADMINTON CHAMPIONSHIP AND SELECTION TRAILS

“VTU State Level Badminton Championship and Selection Trails” held on 8th & 9th November 2022 at BMSCE Indoor Stadium, organized Department of Physical Education and Sports Science, BMSCE Women team became the Champions.

VTU BENGALURU CENTRAL DIVISION BASKETBALL MEN TOURNAMENT

VTU Bengaluru Central Division Basketball Men Tournament held at NHCE, Bengaluru on 28th & 29th November 2022. BMSCE Basketball Men team secured Runners.

VTU Bengaluru Division Kabaddi Women Tournament held at APSCE, Bengaluru on 30th November & 1st December 2022. BMSCE Kabaddi Women team bagged Winners Trophy.

VTU STATE LEVEL KABADDI (WOMEN) CHAMPIONSHIP - 2022

Kabaddi Women team become the Champions of “VTU State Level Kabaddi (Women) Championship - 2022” held on 3rd December 2022 organized by APSCE Bengaluru.

VTU BENGALURU CENTRAL DIVISION CHESS COMPETITION

Chess Men & Women teams secured Runners in VTU Bengaluru Central Division Chess Competition held at Vemana IT, Bengaluru on 1st & 2nd December 2022.

VTU STATE LEVEL CHESS CHAMPIONSHIP

Chess Men & Women teams secured Runners & 2nd Runners Up respectively in VTU State Level Chess Championship held at NMAMIT, Nitte on 5th & 6th December 2022.

VTU STATE LEVEL BASKETBALL WOMEN CHAMPIONSHIP

Basketball Women team secured Fourth Place in VTU State Level Basketball Women Championship organized by ATME, Mysuru held on 8th & 9th December 2022.

VTU STATE LEVEL YOGA CHAMPIONSHIP

Yoga Men & Women teams secured Winners & 2nd Runner Up respectively in VTU State Level Yoga Championship organized by BCE, Shravanabelagola held on 9th & 10th December 2022.

VTU State Level Wrestling & Judo Championship held at VVCE, Mysuru on 12th & 13th December 2022. BMSCE Judo Men & Women teams secured Runners & winners respectively and got Overall Championship.

VTU STATE LEVEL TAEKWONDO MEN & WOMEN CHAMPIONSHIP

VTU State level Taekwondo Men & Women Championship held on 20th & 21st December 2022 at SIT, Tumakuru, BMSCE men & women teams secured Runners also won Overall Championship and following team members have secured individual medals. Muhammed Mehathab 5th/ECE Gold medal in Under-80kg, Niharika Jain P N 5th/ECE Silver Medal in Under-53kg, Yashpreet Voladoddi 5th/AIML Silver Medal in Above-87kg, Siri Nandihalli 1st/ECE Gold medal in under-62kg, Pranav Vishwanath 1st/AI-DS Silver medal in under-87kg.

RENDEZVOUS

THOUSIF PASHA
KHO-KHO

Education at BMSCE goes beyond traditional classroom learning, especially through its sports program, emphasizing discipline, perseverance, and respect for the game. I've grown significantly from these experiences, thanks to the dedicated sports department staff, including Dr. Shivaram Reddy, who instilled in us the importance of team spirit and self-belief. The focused training sessions have been pivotal in my development. I'm grateful to the ISE department, our coaches, captain, and teammates for their support. My time at BMSCE, enriched with valuable lessons and memories, highlights the essence of student life: growth, both on and off the field.

Being involved in sports has deeply impacted me, fostering a sense of community, teamwork, and the pursuit of excellence. Through sports, I've learned resilience, growth from failure, and the essence of leadership. My journey from a team player to captain in Table Tennis and Kho-Kho was both challenging and rewarding, transforming teammates into a family that shares unforgettable memories. The unwavering support from these teams and the sports department has been instrumental in my development as both a player and a leader. I extend my heartfelt gratitude to the Sports Department for their continuous encouragement and support, which has been crucial to my journey.

MANOJGOWDA
KHO-KHO

Joining BMSCE, I discovered how integral sports are to holistic development, far beyond just academics. The college's vibrant sports culture and the respect it commands have significantly influenced my growth, teaching me discipline and the importance of a well-rounded education. Our department focuses on nurturing talent, not just past achievements, fostering a belief in continuous improvement and teamwork. The rigorous practice sessions have instilled discipline and teamwork in me, making my college experience truly complete. I'm grateful to Dr. Shivarama Reddy and the sports department faculties for the opportunity to represent our college, emphasizing that participating in sports is essential for a fulfilling college journey.

RENDEZVOUS

RAKSHITHA
ATHLETICS

My time at BMS College of Engineering has been a transformative journey through sports, culminating in being named the best outgoing sportsperson. Highlighted by representing BMSCE in 10km and 21km events at VTU and thrice at the All India Inter University Athletics, these experiences have underscored my development and the quality of BMSCE's athletic program. Such achievements were made possible by the steadfast support of the sports department, my department, my proctor, and my friends, all of whom believed in me and motivated me to excel. I owe a deep gratitude to these pillars of support for their invaluable guidance and encouragement.

At BMSCE, sports have significantly shaped my character, teaching me dedication and resilience. Building a cohesive team and passing this legacy to juniors were our key achievements. The sports program, supported by the entire BMSCE community, has been crucial in teaching me to persevere through challenges. I'm grateful for the opportunities provided by the physical education directors and the unwavering support from the Civil Engineering Department faculty, allowing me to excel in handball and represent our esteemed institution. My journey towards self-improvement was enriched by teammates and faculty alike, for which I extend my deepest appreciation.

TEJOVINAY
HANDBALL

SAMPRAD S NAIK
KABADDI

In my four years at BMSCE, I actively engaged in sports, contributing to the vibrant athletic community. Each moment, from exhilarating victories to lessons in defeat, significantly molded my character. As a committed member of the kabaddi team, I immersed myself in the rich sports culture, experiencing intense training, strategic gameplay, and a competitive spirit that fueled my passion for kabaddi. Beyond enhancing my physical strength, being part of the team forged strong bonds with teammates. The thrilling matches and challenging tournaments became a pivotal aspect of my college experience, shaping my journey at BMSCE into one filled with camaraderie, growth, and passion for sports.

NEETHA S
KABADDI

It's been a great journey with BMSCE sports department . BMSCE gave me an immense opportunity to showcase my talent. Being a part of sports department , it was really startling. I never thought I would get an amazing kabaddi team and most amazing people from our teams. Our practice sessions ,victory, failures, struggle, pain have thought me to be a better person in life. Apart from academics , sports became my stress booster. BMSCE sports Department have given me a binuclear family which will always dwell in my heart.

I had the incredible opportunity to be part of the college sports scene, contributing my skills to not just one, but four distinct disciplines – badminton, throwball, wrestling, and judo. Being a multi-sport athlete required dedication, discipline, and a passion for each sport. Badminton brought out the finesse in my game, with swift movements and strategic plays on the court. Throwball fostered teamwork and communication, as we aimed for precision and coordination to outmaneuver our opponents. Wrestling demanded physical strength, mental toughness, and the ability to adapt to the unpredictable nature of the sport. Judo, with its emphasis on technique and leverage, taught me the importance of balance and resilience. Balancing the demands of four sports wasn't easy, but the experience was incredibly rewarding. Each discipline contributed to my overall growth, not just as an athlete but also as an individual.
