MEMORANDUM OF UNDERSTANDING

REGARDING

PREPARATION OF MONOGRAPH ON HERITAGE TRUSSES OF BENGALURU CITY

The parties to this Memorandum of Understanding (MOU) are B.M.S College of Engineering, Bengaluru, a premier Institute of higher education and INTACH, Bangalore Chapter.

Background and Purpose

In view of several technical interactions between the two parties, over the past two decades, in terms of mutually sharing knowledge, offering technical consultancy services for heritage structures, formal and informal technical interactions, student-faculty-architect interactions etc., it is decided to foster this mutual reciprocal relationship interactions further, in a formal way. The parties believe that it is in their best interests to encourage further interactions and cooperation by way of getting in to an understanding to jointly author a monograph on "heritage trusses". Towards this goal the designated experts shall strive to bring out the monograph.

The parties have entered into this MOU for the purpose of setting forth their mutual understanding and agreement with respect to the scope of their collaboration in support of this venture of authoring and publishing the monograph.

Terms of MOU

This MOU shall be effective on the last signature date and shall continue in effect for a period required for completion of the monograph. This could be approximately 1-year unless in the unfortunate event of mutual agreement of termination as provided for herein.

Either party can terminate this MOU for any reason upon three (3) months prior written notice to the other party. At the end of its effective period, this MOU may be renewed upon written mutual agreement of the parties.

Nothing in this MOU shall be construed as granting either party permission to use the other party's official names, logos, trademarks, or copyright protected insignias in any promotional, publicity or advertising materials without the express written consent of the other party.
