Event Updates:

Circuit sculpture

Event consists of 3 rounds:

Round 1 is the quiz round. We have the questions ready for this round.

Round 2 is the auction round. We are yet to price the components, which will not take much time because the major part of the event is forming questions and we are done with that part.

Round 3 is the circuit making round where the participants have to build the circuits

We have made a template rulebook for the event.

Electrostorm:

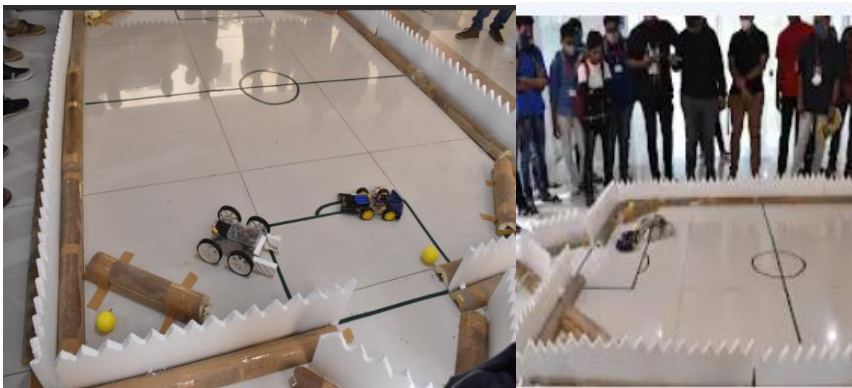

Our event consist of 5 rounds out of which 4 rounds have been completely finished.

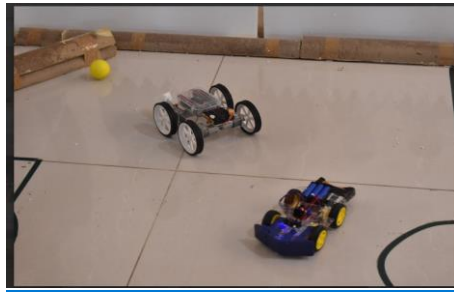

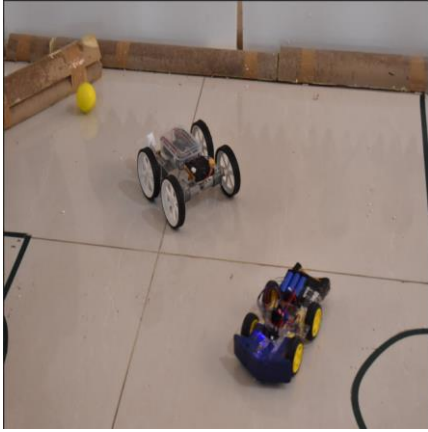

We have even made the question for the final round but we have to frame the question such a way that it's tricky to the participants.

Fury Road:

This is regarding the flagship event Fury road
We have designed...
