(AUTONOMOUS UNDER VTU)

**DEPARTMENT OF ELECTRICAL AND ELECTRONICS**

**RESONANCE**

**BATCH OF 2016-2020**

**GOOD BYE & GOOD LUCK!!**

# **PREFACE**

**'Bright eyed' would, but, be a euphemism to describe the motley bunch that walked in through the door of the EEE department back in the August of 2016.**

**Welcomed with open arms and warm smiles, this eclectic assortment soon found its home in a department whose very existence breathes and lives the legend of bringing out the most in every individual.**

**All the achievements, artistic creations and compositions hereafter owe credit to the constant support, encouragement, and sense of belonging we have found in this new 'home' that has allowed each of us to resonate with our own unique frequencies.**

**'Resonance' is a humble attempt to put into words an epic journey that has only just begun...**

**For the legend shall live on in us that embody it!!**

# WE EXCELLED IN SPORTS...

**OUR DEPARTMENT IS UNDOUBTEDLY THE CHILLEST DEPARTMENT IN BMSCE. FROM HOD TO FACULTY, LAB ATTENDERS TO HOUSE KEEPING STAFF EVERYONE, HERE WERE FRIENDLY AND SUPPORTIVE. IN MY CASE, I HAD A LITTLE LONG JOURNEY IN BMS OF 5 YEARS DUE TO MY PERSONAL INTERESTS (XD) BUT EVERY YEAR IS A GEM OF MY LIFE. FROM 8 O'CLOCK CLASS IN BSN HALL TO COMPENSATORY SUNDAY CLASSES, FROM UNSUCCESSFUL MASS BUNKS TO SUCCESSFUL PROXIES, WE EXPERIENCED MOST OF THE THINGS IN OUR DEPARTMENT. EEE HAD THE MOST ENTHUSIASTIC STUDENTS IN BMS AS MOST OF THE STUDENTS WERE ACTIVE IN MOST OF THE CLUBS IN BMS. OUR DEPARTMENT WAS VERY SUPPORTIVE FOR ME WHENEVER I NEEDED ATTENDANCE IN CASE OF NCC OR SPORTS. I HAVE LITTLE REGRET THAT WE COULDN'T ENDED OUR JOURNEY AS WE WANTED, OTHER THAN THAT WE HAVE MADE LOT OF CHEERFUL MEMORIES THAT WE COULD REMEMBER THROUGHOUT LIFETIME.**

# THE STORY OF STAGE

THAT CREATED AN AMATEUR ARTIST, IN AN ENGINEERING COLLEGE.....

**.PALLAVI P. HEGDE**

It was my first day at BMSCE and the orientation was happening in indoor stadium. Everything was looking very colorful and fearful, all at the same time, just because everything was new for me, including the place, the people, the lifestyle and even the language of normal conversation. In the orientation, they introduced all the clubs in BMSCE and among all, PRAVRUTTHI looked interesting for me. At that time, I felt, I too want to stand on that stage and address such a huge audience. But the very next moment, I felt 'this is not my cup of tea'. Being from a small village, it took me some time to create myself amidst the hesitation and inferiority.

I auditioned for joining PRAVRUTTHI in my second year and I never knew that this would be such a great decision in my life. It filled me with everything that I lacked before. From the day I joined, everything started becoming colorful without being fearful. I performed in too many events that it is difficult for me to count. Performed mime, street play, mad ads, plays, both in BMSCE and other colleges and won prizes in some of the events. Participated in VTU fest for all the 3 years. We used to practice nearly throughout the year. Sometimes, we even practiced early mornings as well as during evenings till 8:30. But it didn't have any bad impact on my studies, perhaps I performed well because of this. I truly thank the department of EEE for giving me the freedom to participate in all of these without any trouble.

PRAVRUTTHI gave me the courage to talk to anybody without any hesitation, also it gave me the courage and opportunity to speak on the same stage, which I had felt "is not my cup of tea" in my first year. In my final year, I became one of the coordinators of PRAVRUTTHI. In this year, we worked so hard to win the play competition in VTU fest that we sacrificed all our holidays. We had performed the play called 'SUDHASUTHI' in which I played the role of a sacrificing mother. For our performance, we got a standing ovation from the entire auditorium and 2<sup>nd</sup> prize in the competition. At that moment, I didn't feel any sense of achievement. What I felt was just true happiness. The experience in these plays taught me to have faith in life, to believe in what we are doing and to handle any situation without any fear. More importantly, PRAVRUTTHI gave me people who are like family. I have seen both success and failure being in this team. But I learnt that both are not important in life, as they say, "Success is not final, failure is not fatal, it is the courage to continue, that counts" .....Thank you.

**FROM THE DAY OF CREATING MEMORIES IN COLLEGE TO A DAY OF RECALLING THE BUNCH OF MEMORIES WHILE LEAVING THE COLLEGE....MY SPORTS IN BMSCE IS STARTED FROM PARTICIPATING AS EXTRA PLAYER TO LEADING TEAM AS A CAPTAIN( KHOKHO)... AND FROM LEARNING THE GAME TO RULING THE TOURNAMENT WITH MY BEST EFFORT AND FROM CRYING FOR LOSING MATCH TO ENJOYING WINNING MOMENTS AND FROM GETTING INJURIES TO DESERVING VICTORIES... AND FROM NO ACHIEVEMENTS IN SPORTS TO WINNING CHAMPIONSHIP TROPHY IN VTU LEVEL... ALL THESE CREDITS TO OUR LOVELY SUPPORTING AND ENCOURAGING SPORTS DEPARTMENT. DR. SHIVARAM REDDY SIR NAGARAJ SIR SHRUTHI MA'AM AND OUR BELOVED COACH AND FRIENDLY WORKERS, YOU ALL MADE OUR SPORTS LIFE COMFORTABLE AND WORTHY IN BMSCE ... AND I HAD BEST MEMORIES IN COLLEGE WHICH ARE ENOUGH TO PUT A SMILE ON MY FACE IN FUTURE WHEN EVER I REMEMBER ...AND FINALLY I THANK MY TEAMMATES FOR WONDERFUL JOURNEY AND SPECIAL THANKS TO OUR EEE DEPARTMENT FOR PROVIDING GOOD SUPPORT FOR PARTICIPATION AND ONE THING THAT I WANT TO MENTION IS "BMSCE IS NOT A NAME IT'S AN EMOTION" ...  
LOVE YOU AND MISS YOU ALL...**

**-CHAND BASHA H**

FROM MISSING WEEKS OF CLASSES, ROPING IN CLASSMATES AND JUNIORS  
BECAUSE THE TEAM WAS SHORT OF A FEW PLAYERS TO TAKING UP  
RE-QUIZZES, RE-INTERNALS AND EVEN MAKE UP BECAUSE SEE DIDN'T  
SUIT THE COMPETITION SCHEDULE (\*INSERTS WINKY FACE HERE)  
I'VE DONE IT ALL AND IT WOULDN'T BE POSSIBLE IF NOT FOR THE  
DEPARTMENT OF EEE !!!

'SUPPORTIVE' IS AN UNDERSTATEMENT TO DESCRIBE EVERYTHING THIS  
DEPARTMENT DOES AND HAS DONE..

THE LAST FOUR YEARS WOULDN'T HAVE BEEN AS AMAZING IF NOT FOR  
YOUR SEEMINGLY INNOCENT YET HEARTWARMING CURIOSITY IN WHAT  
EVENTS WE COMPETE IN, NOTES THAT SAID 'RECOMMENDED', WISHES OF  
LUCK AND A MILLION OTHER THINGS ..  
THANK YOU!

### 3. RADEL ELECTRONICS INDUSTRIAL VISIT

The collage consists of three photographs documenting an industrial visit to Radel Electronics. The top photograph shows a large group of students and faculty members posing for a group photo in front of the Radel Electronics Pvt. Ltd. building. A sign on the building lists the company names in Kannada and English: 'ರಾದೆಲ್ ಎಲೆಕ್ಟ್ರಾನಿಕ್ಸ್ ಪ್ರೈ. ಲಿಮಿಟೆಡ್' (Radel Electronics Pvt. Ltd.), 'ರಾದೆಲ್ ಆವಾನ್ಸ್ ಟೆಕ್ನಾಲಜಿ ಪ್ರೈ. ಲಿಮಿಟೆಡ್' (Radel Advanced Technology Pvt. Ltd.), and 'ರಾದೆಲ್ ಎಲೆಕ್ಟ್ರಾನಿಕ್ಸ್ ಪ್ರೈ. ಲಿಮಿಟೆಡ್' (Radel Electronics Pvt. Ltd.). The bottom-left photograph shows a display of various electronic components and modules, including integrated circuits, capacitors, and other electronic parts, arranged on shelves. The bottom-right photograph shows a man in a blue shirt, likely a representative of Radel Electronics, explaining a display to a group of students. The display features a large, illuminated model of a circuit board and other electronic components.

## कॉलेज के सुनहरे पल

याद है वो कॉलेज का पेहला दिन, हर तरफ़ नए नए चेहरे थे  
और आज, इन कॉलेज के आखिरी दिनों में, वही चेहरे दिल की धड़कन में बैठे थे

वो सुबाह सुबाह मीना मैम की आठ बाजे वाली क्लास  
वो L.N. सर के मज़ाक करने का अंदाज़  
वो बंक मार कर कैंटीन में सुनना दोस्तों की बकवास  
सबकुछ लगत था हमे एकदम झकास

वो हॉस्टल के मेस का कच्चा पक्का खाना  
सुबाह सुबाह कॉलेज ना जाने का बहाना  
वो दोस्तों से आपनी प्रॉक्सी लगवाना  
ओ यदो, मुजे छोड़ कर तुम कभी ना जाना...कभी ना जाना..
