Feb 22, 2020: Dr. D N Sujatha, Professor, IIIE SAC-Chair Computer Applications department invited to reactivate and uplift IEEE student Branch, BIT by orienting students regarding academic career and professional networking opportunities that build critical skills outside the classroom.

Feb 24, 2020: Dr. D N Sujatha, Professor, and Dr. S Uma, Associate Professor, Computer Applications department attended AICTE Expert Training Program at HIT, Chennai

Feb 25, 2020: Dr. K Vijayakumar, Associate Professor and Head of Computer Applications department attended Advisory committee meeting, MCA department, SIT, Tumkur.

Feb 26, 2020: Placement Club and BMSCE IEEE-WiE-SB wing of the department of Computer Applications organized a workshop on "Effective Resume Writing

and Interview Skills". This talk was delivered by Mrs. Vidya Ramaprasad, Freelance trainer in soft skills for the 4th semester students.

Feb 27, 2020: Department of Computer Applications organised a talk on "Career in Technical Communication" by Sandhya Ranganathan.

Feb 28, 2020: The Industry Institute Interaction Cell (IIIC) and BMSCE IEEE - WiE- SB Wing of Department of Computer

Applications, organized a talk on "Breaking the Myth on Blockchain" delivered by Mr. Muthuram Govindarasu, CEO and Founder, Indegeneous Tech Private Limited, Bangalore .

Feb 29, 2020: Dr. D N Sujatha, Professor, Computer Applications department invited as a resource person for IEEE Faculty Conclave, NIEIT, Mysore.

Feb 29, 2020: Second Semester MCA Students participated in indoor game event Carom, sports complex and boys played cricket in the college playground.

Mar 02, 2020: Ganesha S, Chathur S Suryavamshi Masood Ahmed and Shreyas P Harle, IV Sem MCA students participated in Microsoft Impact India Hackathon held on 29th Feb. A prototype to convert Hand sign to text and Speech was developed to help Dump people. Team received 4th best idea.

Mar 03, 2020: Girija K V(1BM17MCA16) and team received first prize for interns Hachathon- "New ideas and Passion" theme at Ellucian Values. This is accomplished by Girija along with other interns Navyashree G B, Prakruthi Shekar, Srinica Hampi, Veena L. Ten teams participated in this 1½ day hackathon. 33 interns – 8 teams completed great ideas with the help of the mentors.

Team members presented Proof of Concept(PoC) *Counsellor Assist PRO.* This PoC works as a mental health screening tool by identifying patterns in student's voice and speech clippings and looks for triggers and indicators that are commonly is used to specify mental illness.

Mar 04, 2020: Department of Computer Applications organised industrial visit to TCS for fourth semester MCA students.

Mar 08, 2020: Shwetha A N, SDA, Department of Computer Applications participated in Woman's day celebration held at B.M.S. College of Engineering.

Mar 14, 2020: Padmapriya V, Asst. Prof., completed online course on "Front-End Web UI Frame Works and Tools: Bootstrap 4" by the Hong Kong University of Science and Technology, offered through Coursera.
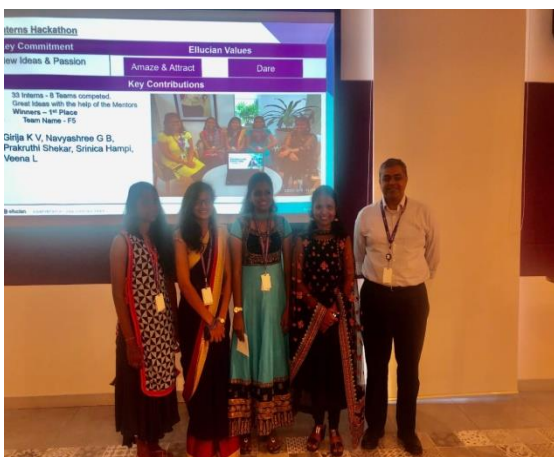

Apr 08, 2020: A research paper entitled "Music Rhythm Tree based Partitioning Approach to Decision Tree Classifier" has been accepted and published in Journal of King Saud University - Computer and Information Sciences (Elsevier Publishers-Scopus Indexed), In press, journal pre-proof Available online 8 April 2020.

Above research paper was authored by Shankru Guggari, Vijayakumar Kadappa, V Umadevi, Ajith Abraham.

April 17, 2020: Yang Pan, Vijayakumar Kadappa, Shankru Guggari,Chapter 15 - Identification of road signs using a novel convolutional neural network, Editor(s): G.R. Sinha, Jasjit S. Suri, Cognitive Informatics, Computer Modelling, and Cognitive Science, Academic Press, 2020,Pages 319-337,ISBN 9780128194430.

May 05, 2020: Padmapriya V, Asst. Prof., Computer Applications department completed online course on "Cyber Security & the Internet of Things" offered through Coursera.

May 04-09, 2020: Sri. P Lakshminarayana, Dr. S Uma, Dr. Ch. RamMohanReddy, Smt. Pushpa T S, Smt. Shailaja Smt. K P, Shilpa S and Smt. B Sowmya participate in One Week Online Workshop on *Moodle - Learning Management System* organized by Tagore Institute of Engineering and Technology Attur, in association with IIT Bombay.

May 15, 2020: Smt. Shobha Rani P completed online course on *Master Excel – Excel from beginning to Advanced.*

May 22, 2020: Smt. Shobha Rani P completed online course on *Master Microsoft Word Beginner to Advanced.*

May 28, 2020: Sri. A Nagesh Acharya has successfully completed "*Programming for Everybody (Getting Started with Python)*" an online non-credit course authorized by University of Michigan and offered through Coursera.

June 7, 2020: N Neha, Chiranjan S Kumar, Divyakriti Masaun, Ritu Toshniwal, A N Shalini participated in Hackathon2020 held at BMSCE under the guidance of Girish K and Madhav Murthy. Theme : Supply chain

management of necessary commodities including Hospital assets/supplies etc.(Title – IRIS)

June 10, 2020: Pre-submission thesis colloquium of Sri. Shankru Guggari under the guidance of Dr. K Vijayakumar, Head & Associate Professor of Computer Applications department & Dr. Umadevi V, Head & Associate Professor of CSE department was held online.
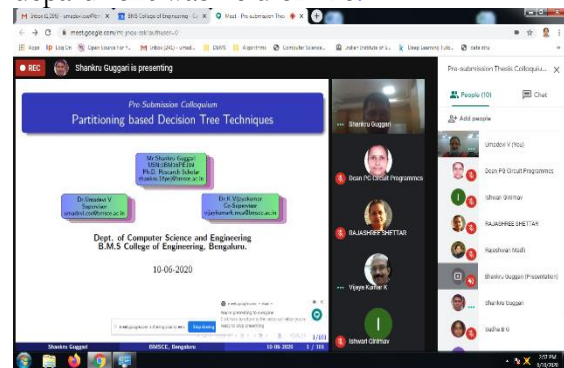

July 02, 2020: Dr. K Vijaya Kumar, Associate Professor & Head, department Computer Applications given Webinar on "*Machine learning*" during e-impact lecture workshop on "**Intellectual property Rights and Innovations in Technology**" organized by KLM college of Engineering for Women, Kadapa Andra Pradesh.
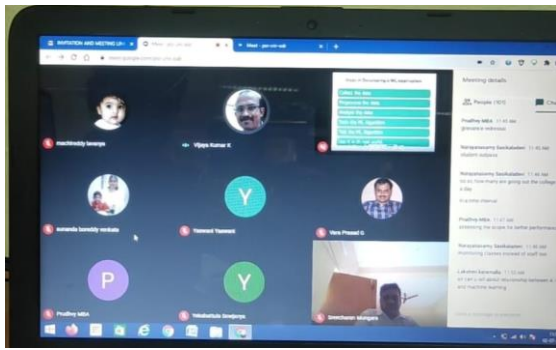

July 03, 2020: Lakshminarayana P, Associate Professor, Dept. of Computer Applications published a journal paper, titled "*Automatic Generation and Optimization of Test case using Hybrid Cuckoo Search and Bee Colony Algorithm*", Journal of Intelligent system, Publisher: DE GRUYTER.

July 17, 2020: Dr. D N Sujatha, Professor, department of Computer Applications invited as a speaker during WiE Tech Meet up, online Webinar Series, IEEE Bangladesh Section.
https://events.vtools.ieee.org/m/235518

Smt. Shwetha successfully completed "*Positive Psychology*" course from Coursera.

Aug 05, 2020: Dr. D N Sujatha, Professor, Department of Computer Applications, invited to give webinar on "Benefits to faculty by Joining IEEE" at Atria Institute of Technology.

Aug 08, 2020: Dr. K Vijayakumar, Head and Associate Professor, Computer Applications department, invited as a session chair for a track in International conference on Computational Intelligence and Data Engineering held during 8-9 Aug 2020, organized by Vasavi college of Engineering, Hyderabad, Telangana.

Aug 10, 2020: Dr. D N Sujatha, Professor, Computer Applications department recognized as one of the top five Performers of EXECOM Jan-June 2020, IEEE Bangalore Section 2020.

Aug 17, 2020: Dr. D N Sujatha, Professor, Computer Applications department invited to present webinar on "Best Practices in IEEE SB" in KLE DR M S Sheshagiri College of Engineering and Technology.

Aug 24, 2020: Smt. V. Padmapriya, Assistant Professor, Computer Applications department, delivered a talk on *"The Art of Designing Web Pages: An Insight"*. This webinar was organized by BCA, K.L.E Society's Degree College, Nagarabhavi, Bangalore as part of Cloud Arena Web Series. This talk was arranged for BCA students and faculty group of degree colleges across India.
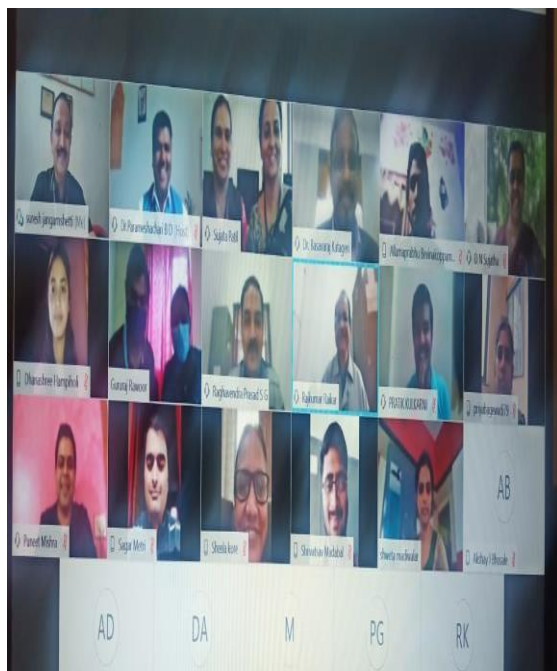

Aug 26, 2020: Placement Club, Department of Computer Applications, conducted CODE-A-THON event. The event initiated by Department Placement Club in charge Sri. Raghavendra Rao and executed the same with the students. Student Coordinators Ganesha S and Raksh S Babu formed a team to execute the tasks namely Code Sense, Code Storm, Think Bots and Code Paradox.

There were around 600 registrations. Among them 400+ participants participated from various colleges. Participants were from 18+ states from India. Event was scheduled for 8hrs from 10.00 AM to 6.00 PM. The participants can develop their code in C, C++, Java, and Python.

Divyanshi Agarwal and Megha Agarwal, NIT, Jamshedpur got first place and won Rs. 1000 Amazon coupon.

Shreesha Bhat, ISE dept, 8th sem, BMS College of Engineering, Bangalore secured second place and won Rs. 750 Amazon coupon.

Poornashree and Rashmi KR, Siddaganga Institute of Technology, Tumkuru got third place and won Rs 500 Amazon coupon.

Aug 27, 2020: Dr. D N Sujatha, Professor, Computer Applications department invited as a resource person to present webinar on "A Sneak Peak into the right practices of IEEE SB" in BGS Institute of Technology.

Aug 28, 2020: Dr. D N Sujatha, Professor, Computer Applications department invited as a Panelist in the Panel Discussion on "Impact of social media on human behavior and society", IEEE PES Student Congress 2020.

Sep 10, 2020: Dr. D N Sujatha, Professor, Computer Applications department expressed "*IEEE Student Branch Benefits and Opportunities*" during virtual inauguration of SDMCET IEEE student branch of Shri Dharmasthala Manjunatheshwara College of Engineering & Technology, Dharwad.

Sep 10, 2020: Dr. D N Sujatha, Professor, Computer Applications department given a webinar on "*Adopting Right practices to become a successful Student Branch*" at Government Engineering College, Krishnarajpete, during virtual inauguration of GECK-IEEE Student Branch.

Sep 15, 2020: Dr. D N Sujatha, Professor, department of Computer Applications delivered a webinar on "*A Sneak Peak into Right practices of IEEE SB*" during virtual inaugural of ATME-IEEE Student Branch, organized by ATME College of Engineering, Mysore.

Sep 25, 2020: Dr. D N Sujatha, Professor of Computer Applications department was invited as a panellist for Virtual BCMeet-3.

Sep 26, 2020: A Virtual Farewell was conducted for MCA students of the batch 2017-2020. This event was coordinated by faculties of the department, Mrs. Shilpa S and Mrs. K P Shailaja, along with the student coordinators and volunteers- Vardhini R, Ganesha S, Nishanth Bhat P L, Gowda Pooja Umesh and Umera Sulthana. Shreyas P Harle hosted this event and invocation by Shriya Bhat. Dr. K Vijayakumar was instrumental in making this event a virtual reality.
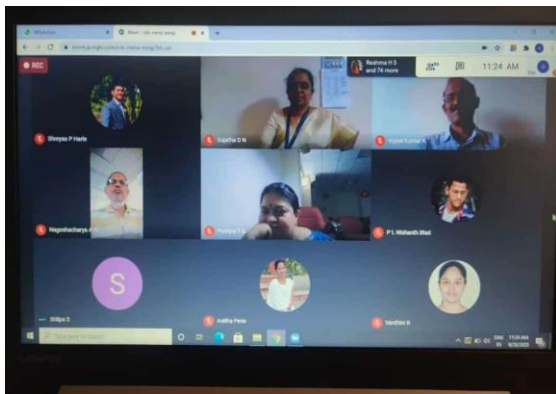

**Sep 29, 2020:** Dr. D N Sujatha, Professor of Computer Applications department addressed during the live webinar on "*Python & IT Career Opportunities in Kannada*". This webinar was organized by MicroDegree in association with IEEE Mangalore sub section and IEEE Bangalore section.

Sep 29, 2020: Dr. D N Sujatha, Professor of Computer Applications department moderated the talk on "*Challenges and Opportunities for Women as Entrepreneur*" by Yashasvini Ramaswamy, Serial Entrepreneur and Founder Cuiturelytics.

Sep 29, 2020: Department of Computer Applications, in association with BMSCE IEEE WiE Affinity Group conducted a webinar on "*Cyber security: Trends and forecast*", by Mrs Suma Shamanna, Chief

Information Security Officer, Canum Info Tech, Bengaluru.
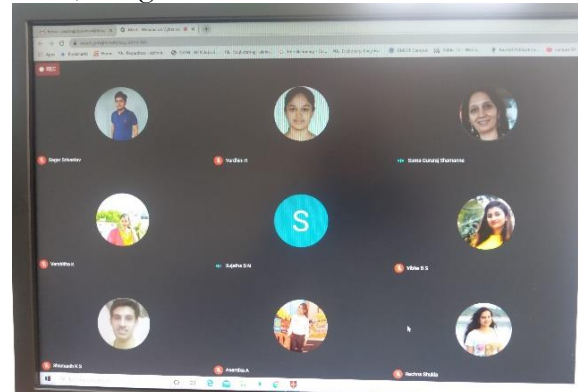

Oct 02, 2020: Sri R V Raghavendra Rao, Placement Coordinator, Department of Computer Applications, along with Siva Rama Krishna M, Incharge, B.S. Narayan Centre For Advanced Learning and Software Development, conducted a webinar on "Cross-Platform Mobile Application Development using Flutter", by Mr. Amit Srivastav, Brain Mentors Pvt Ltd., for MCA III and V Semester Students. 100 students attended this webinar.

Oct 06, 2020: Dr. D N Sujatha, Professor, Department of Computer Applications invited a Chief Guest for IEEE day 2020 and delivered a talk during this event, topic titled "Staying Relevant with IEEE" at Dayanand Sagar Academy of Technology and Management.

Oct 03, 2020: Cultural Club team of Computer Applications department conducted quiz on Indian Culture, Sports, Indoor Games, Classical Music and guessing the Original song and its movie name by hearing to the instrumental tune of that song for third and fifth semester of MCA students.
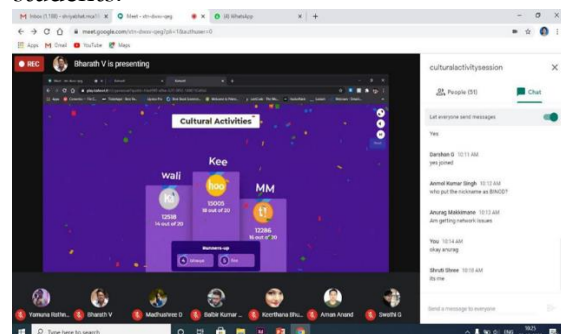

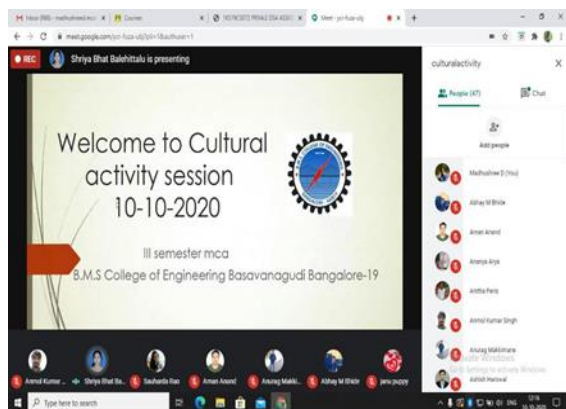

Oct 09, 2020: Dr. D N Sujatha, Professor, Department of Computer Applications involved in TS5: Disaster Mitigation, Preparedness, Response and Recovery and Industry Innovation and Infrastructure. Time: 11:00AM - 1:00PM.
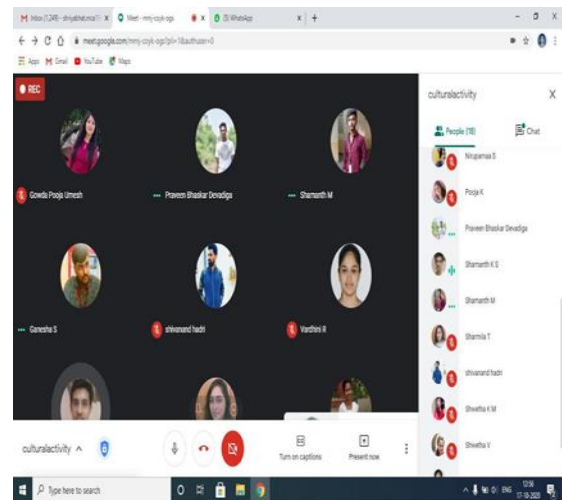

Oct 09, 2020: Dr. D N Sujatha, Professor, Department of Computer Applications invited as a Session chair for Students Humanitarian Technology Project (SHTP) Exhibition. Time: 2 to 5 PM.

Oct 09, 2020: Cultural Club team of Computer Applications department conducted activities based on Guessing the Celebrity name by watching their blurred Images, followed with identifying the song and the movie name by using their English Lyrical translation for MCA III and V Semester Students.

Oct 20, 2020: Dr. D N Sujatha, Professor, Department of Computer Applications was Guest of Honour and delivered a talk on "IEEE Student Branch Benefits & Opportunities" at Sharanabasava University.

Oct 17, 2020: Cultural Team of Computer Applications department conducted activities for MCA III and V Semester Students. The first activity was Guessing the movie name based on the Screenshot snaps of that movie scene, followed with Guessing the movie name based on the Screenshot snaps of that movie scene.

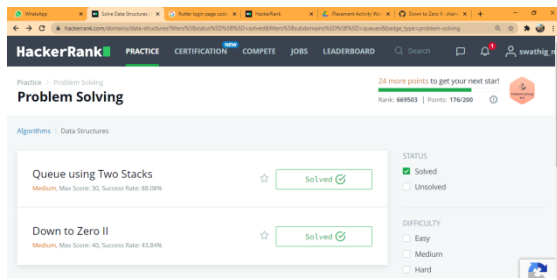

Oct 23, 2020: Dr. D N Sujatha, Professor, Department of Computer Applications was Guest of Honour and delivered a talk on "A Sneak Peak into the Right Practices of IEEE SB" at Navkis College of Engineering, Hassan.

Nov 05, 2020: Dr. K Vijayakumar, Associate Professor & Head of Computer Applications department was invited to deliver a talk on "*Advanced concepts in classification*" during AICTE sponsored one week Short Term Training Programme on "Predictive Analytics using Artificial Intelligence (STTP-PAUAI)", NRI Institute of Technology, Agiripalli, Krishna district, Andhra Pradesh.

Nov 07, 2020: Department of Computer Applications in association with B.S. Narayan Centre For Advanced Learning and Software Development, coordinated a webinar on "*How is AI going to Change Marketing*", which was conducted by BirthVenue Pvt Ltd., This event was coordinated by Siva Rama Krishna M for third semester MCA students.

Nov 12, 2020: Placement Club, Computer Applications department conducted an activity for MCA students to acquire coding skills using Hackerrank. The Topic to work in Hackerrank was based on Queues, various uses of Queue's and its application.

Solutions shared by students
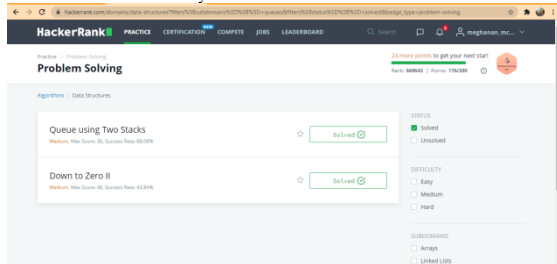

Nov 20, 2020: A webinar on "*Cyber Security Threats, Vulnerabilities*" was coordinated by Dr. D N Sujatha, Professor as a part of extension lecture series of Computer Applications department. Resource person was Mr.Bharath Kumar V (Alumni 2012 Batch), Senior Software Engineer, Secpod Technologies, Bengaluru.

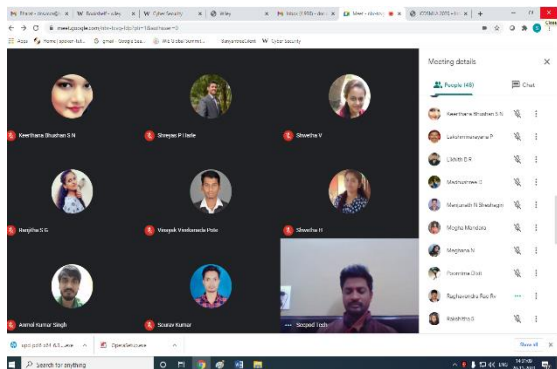

Nov 21, 2020: Smt. K P Shailaja, Asst. Professor, Department of Computer Applications, along with Siva Rama Krishna M, Incharge, B.S. Narayan Centre For Advanced Learning and Software Development, coordinated a webinar on "*TESTFLIX*", by Nikhil C for CSE, ISE and MCA Students.

Nov 21, 2020: Dr. D N Sujatha, Professor, Computer Applications department was invited as panellist for a panel discussion on
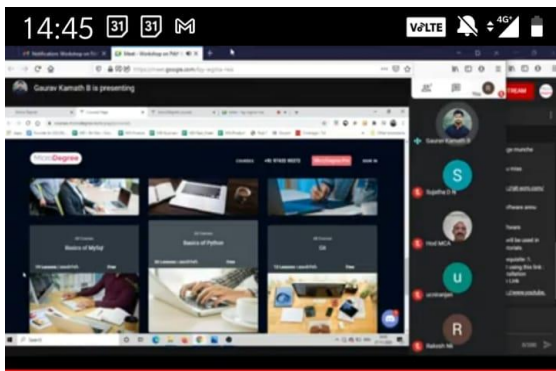

"*Opportunities for Students in Pandemic Situation*" of Nokia University Conclave -2020.

Nov 25, 2020: As part of Industry Institute Interaction Cell (IIIC) in association with the BMSCE- IEEE WiE-SB wing of Department of Computer Applications a webinar was organized on *"The Gogappi journey - Truth about starting a company (and what they don't tell you)"* for 3rd and 5th Semester students. This talk was delivered by Arvind Shekar, CTO, Arjun Ramesh, COO and Samhitha Kottamasu, CM/DO, who are the three young budding entrepreneurs and co-founders of Gogappi. This event was coordinated by Dr. S Uma and V Padmapriya.
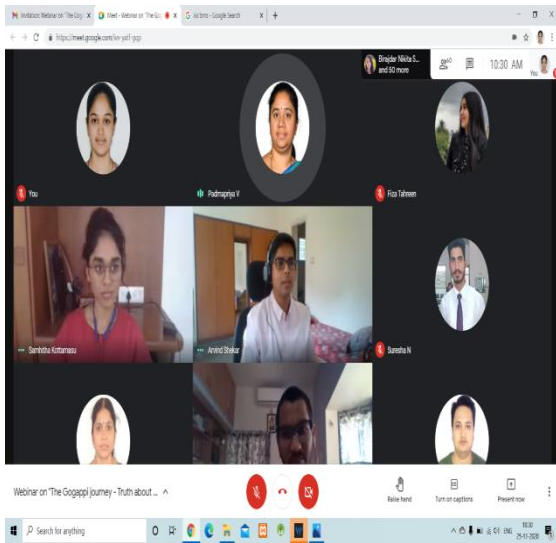

Nov 27, 2020: Department of Computer Applications conducted hands on workshop on "*Git and Github*". This event was coordinated by Dr. D N Sujatha.

Nov 28, 2020: Sri. R V Raghavendra Rao, Asst. Professor, Department of Computer Applications, along with Siva Rama Krishna M, incharge, B.S. Narayan Centre For Advanced Learning and Software Development, coordinated a webinar on "*How is Blockchain going to Change Marketing*", which was conducted by BirthVenue Pvt Ltd., for MCA III Semester Students.

Dec 02, 2020: Mr. Shankru Guggari (1BM16PEJ19), Research Scholar virtually presented research topic on "*Partitioning Based Decision Tree Techniques*" for PhD defence, under the guidance of Dr. Umadevi V, Professor & Head of CSE Department & Dr. K. Vijayakumar. Associate Professor and Head of Computer Applications Department.
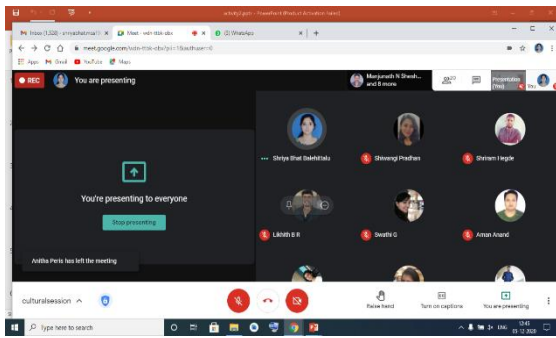

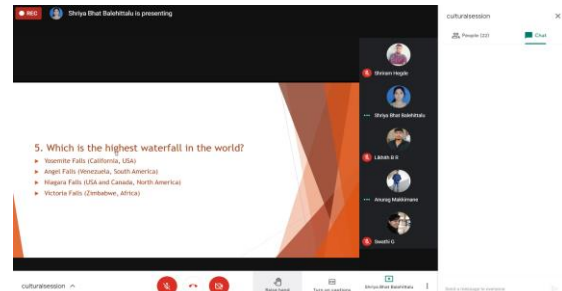

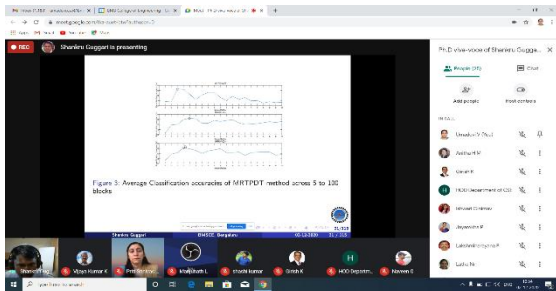

Dec 04, 2020: Department of Computer Applications conducted a Virtual Magazine Inaugural Ceremony to release the Students' Magazine *Stride*. This Event was co-ordinated by Dr. S. Uma, Associate Professor of Computer Applications department.

Dec 05, 2020: Cultural Team of Computer Applications department organized activities on Google Meet platform. This activity was based on *guessing the things for which region it belongs to* by looking at the picture. Participants can type the things name and they can guess from which Indian Region it was originated.

**Dec 09, 2020:** R V Raghavendra Rao, Ch. Ram Mohan Reddy, Harshith Jain(1BM17MCA19), Avanish Giri (1BM17MCA06) published a journal paper titled "*Blockchain adoption in Crowdfunding - An Evaluation and Demonstration of Cryptobuddies Framework*", Volume 7, Issue 12, 2020 Manuscript ID: GSJ/2505 in GIS SCIENCE JOURNAL UGC-CARE Approved Group 'II' journal. ISSN NO: 1869-9391.

Dec 10, 2020: Dr. D N Sujatha, Professor, Computer Applications department was invited to deliver a talk on "**An Insight into IEEE & WiE Affinity Group**" at Mphasis.

Dec 13, 2020: Dr. D N Sujatha, Professor, Computer Applications department is recipient of "*IEEE India Council Outstanding Volunteer Award 2020 (>35 Years)*". This virtual event was hosted by Netaji Subhas University of Technology, New Delhi, for the exemplary services as outstanding volunteer to the Bangalore Section activities.
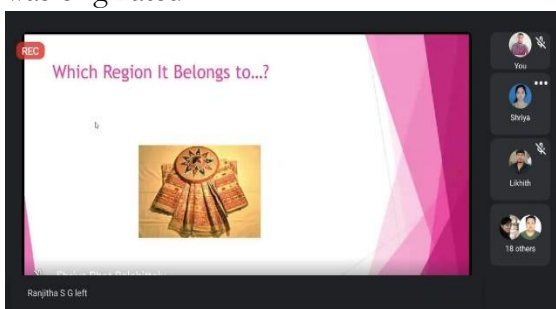

Dec 14, 2020: Rithvik K Joshi, First semester MCA student got selected to participate in "Online and On the Line: Democracy in the Age of Machine Intelligence", a Winter School organised by Centre for Information Technology and Public Policy (CITAPP), International Institute of Information Technology Bangalore (IIITB).

Dec 17, 2020: An Invited talk on "*Semi supervised, Multiclass classification, Ensemble learning and other topics in classification*" was delivered by Dr. K Vijayakumar, Associate Professor & Head, department of Computer Applications. This event was organized by Department of Computer Science & Engineering, NRI Institute of Technology, Agiripalli, Krishna District, Andhra Pradesh, as a part of AICTE sponsored one week Short Term Training Programme on "*Predictive Analytics using Artificial Intelligence (STTP-PAUAI)*".

Dec 22, 2020: Dr. D N Sujatha, Professor of Computer Applications department has given a webinar on "*IEEE Student Branch: Benefits and Opportunities*". This virtual event was hosted by Government Engineering College, Kushalnagara.
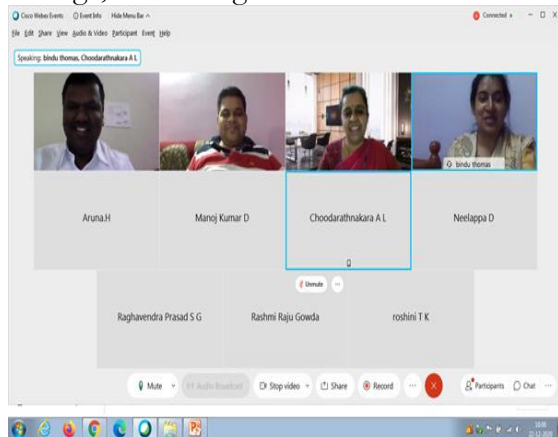

Dec 24, 2020: Mahesh M (1BF18MCA13), RohanR (1BF18MCA17), **V Padmapriya, D. N. Sujatha** presented a conference paper on "A Framework to Detect Hibiscus Flower using YOLOV3 and SSD Mobilenet", 2nd International Conference on Data Science, Machine Learning & Applications, 2020 (ICDSMLA-2020).

Faculty Coordinators for various events:

- **Dr. D N Sujatha**
  (IIITB/IIT Kharagpur FDPs, BITES, VTU e-Shikshana & Workshop/ Invited Talks)

- **Dr. D N Sujatha, V Padmapriya**
  (IEEE, IEEE- WiE SB)

- **Dr. S Uma**
  (IIIC Coordinator from MCA Dept.)

- **Raghavendra Rao R V & Siva Rama Krishna**
  (Industrial visits)

- **Girish K**
  (Entraprenurship Development Cell & Hackathon)

- **Dr. K Vijayakumar, Shankru Guggari**
  (Data Analytics Lab activities)

- **P Lakshminarayana, Siva Rama Krishna**
  (B.S. Narayan Centre For Advanced Learning and Software Development)

- **Shailaja K P**
  (Phase-Shift, Extra Curricular & CoCurricular)

- **R V Raghavendra Rao**
  (Placement Club Activities)

- **Shilpa S**
  (Alumni Association & Extra Curricular)
