

CONDUCTION OF FINAL YEAR EXAMINATION AUGUST 2020
(Students of VIII semester BE, IV semester M Tech and IV semester MBA)

IMPORTANT ADDITIONAL INSTRUCTIONS TO STUDENTS

- The students are advised to login one hour before the commencement of the examination and download the question paper to avoid last minute rush.
- Reference materials required during the examination (e. g. probability tables etc.) are uploaded along with the question paper. In case the student wants use the code book (as notified in the question paper) for a particular course, the same is allowed. The student need to show the code book to the laptop/mobile phone camera at the beginning of the examination.
- The students need to preserve all answer sheets of each course. After the completion of all the examinations, the students need to post the entire set of answer sheets (of all the courses) to the CoE's office without fail. The records need to be submitted by the college to VTU whenever required. The students need to write his/her Name and the branch on the envelope. The envelope be posted to:

THE CONTROLLER OF EXAMINATIONS
BMS COLLEGE OF ENGINEERING
BULL TEMPLE ROAD
BENGALURU-560019

- A student is allowed to withdraw within 1 hour from the commencement of the online examination, if he/she desires to do so. The information in this regard should be mailed immediately to:

office.coe@bmsce.ac.in

- The student who has withdrawn from the course as mentioned above is allowed to take up the examination of the withdrawn course as and when it is held in the college. This is not treated as an additional attempt.
